We would say here that their store is the best place in the county to buy furniture, outside of Bellefonte. Call on them, when in need of anything.  
SUPERIOR LEATHER.—During our stay in Bellefonte, beginning of this week, we heard it acknowledged by the largest dealers there that A. J. Harter's leather from Millheim is considered to be the best in the market as to quality and finish. STILL.  
—PETERSON'S MAGAZINE for February opens with a most bewitching steel-plate, entitled "Dressed for the Charade," representing two children, four years old, attired in fancy costume and singing a duet in keeping. Of all the charming engravings for which "Peterson" has become famous, this is certainly one of the most cunning. Besides this, however, there are some fifty other embellishments, including a very beautiful colored steel fashion-plate, double size, and a costly large-size colored pattern. The literary contents, always superior, are better than ever this month. We would call attention particularly to "In the Ring," "The Pickpocket," and to the two novelets, "The Motherless Girl" and "The Lost Ariadne." Every lady ought to have this magazine. Now is just the time, with the opening year, to subscribe for 1885. The terms are but Two DOLLARS a year, with great deductions to clubs, and splendid premiums for getting up the clubs. Specimens are sent gratis, if written for in good faith, so as to compare "Peterson" with other magazines at the same price. Address CHAS. J. PETERSON, 306 Chestnut St., Philadelphia, Pa.  
FOR RENT.—That well known store stand at Farmer's Mills with dwelling house, bank barn and about 15 acres of farm land. This is a desirable business location in an excellent farming neighborhood, convenient to churches, schools and railroad. If so desired the store stand will be rented separate from the other property.

The President of the Louisiana Press Association has called a meeting of that organization at New Orleans, Feb. 11, to consider a resolution recently adopted by the Minnesota Editors' Association favoring the organization of a national association, and inviting delegates from the press associations of the various states to meet the delegates from that body in New Orleans February 12.  
KILLED BY A SPIDER'S BITE.  
NEW YORK, January 22.—About a month ago Charles White, sixteen years old, was bitten in the right arm by a black spider. The arm began to swell, and a physician who was called said the boy was suffering from blood poisoning. The usual remedies were tried but they failed, and the boy died this morning in the greatest agony.  
MARRIED.  
On the 22nd inst., by Rev. Z. A. Yearick, at the home of the bride, Mr. Harry T. Haines, of Springfield, Missouri, and Miss Laura M. Etlinger, of Woodward.  
DIED.  
On the 24th inst., in Gregg township, of scarlet fever, Harry Clayton, youngest son of Mr. & Mrs. Philip Frank, aged 3 years and 10 months. Truly, parents, Harry is not dead, but has just begun to live in the holier, happier and better land. He has now a happy life free from the cares and trials to which we are all subjected in this world.  
He shines in the light of God.  
His likeness stamps his brow;  
Through the valley of death his feet have trod,  
And he reigns in glory now.  
He has reached the joy of Heaven.  
He is one of the sainted band;  
To his head a crown of glory is given,  
And a harp is in his hand.  
Then why do your tears run down,  
Why your hearts so sorely grieve,  
For another gem in a Savior's crown,  
And another soul in Heaven. L.

**A Queen's Opinion.**  
J. M. Queen writes from Johnston, W. Va., that he has been sorely afflicted for several years, but he was urged to try PERUNA, which he did, and he now feels that he is about over his trouble, and considers it the greatest medicine in the world. He says he has to go or send a distance of fifteen miles to obtain PERUNA, but it will repay him for this.  
Ellwood Shalcross, former editor of the Saturday Journal, Wheeling, W. Va., says: "Gentlemen: Some time ago I was afflicted with a pain in my back in the region of the kidneys, and suffered considerably. Having read your advertisement, I went to Logan & Co., of this city, and purchased a bottle of PERUNA, which I took, and it resulted in the complete removal of the pain. I think I can safely recommend it as a superior panacea for pains."  
Mr. Aaron Shreffler, Alma, Marion county, Ill., writes: "Dr. S. B. HARTMAN & Co., Columbus, O. Dear Sirs: Myself and wife have taken three bottles of your medicine and received much benefit by the use of them. My wife was troubled with neuralgia, headache and weak stomach. Her headache has not troubled her for the last two weeks, and her stomach is much better. She took only PERUNA. I used both medicines, and my health is so much improved that I feel like a new man. My stomach is very much better, and the MANALIN keeps my bowels all right. We intend to keep taking the medicines until we are permanently cured."  
Evans T. Jones, Prospect, Marion Co., O., says: "After having taken medicine from different physicians of this place without any relief, I was induced to try your PERUNA, which I purchased of Cook Bros., druggists, of this place, and after using some six bottles of the same, I feel very much benefited. Am sure it will finally work an entire cure."  
T. E. Ewing, Cattletown, Ky., writes: "In the early part of last winter I contracted a severe cold, attended with a bad cough; then, being exposed during late frost, added to my disability. I have taken your PERUNA with good results. My cough has entirely left, soreness is gone, and am increasing in flesh."  
Thomas Bradford, 214 Western Avenue, Allegheny City, Pa., writes: "I have had liver complaint for three years; I thought I would have to quit work; I have taken two bottles of your PERUNA, and am well."  
S. Wolf & Son, Wilmet, Ohio, write: "We handle your goods, and they give good satisfaction."

**---FOR CASH---**  
Believing that the people of Centre county are fully awake to their best interests and that they have the intelligence to comprehend and the courage to recognize the means best calculated to bring about the most desirable results, we would most confidently and earnestly submit the following for your careful consideration:  
That king credit has slain its victims by the thousands upon its extended battle fields is a fact beyond successful contradiction, and we would only ask you to call to your recollections your own observations, in proof of this fact, and the pitiful appeals of those still under the crushing heel of the tyrant fall upon our ears with unmistakable certainty and we would say, come, let us rush to their rescue by wielding the sword of justice and striking the monster down with a decisive blow and keeping him there by eternal vigilance. This can be done only by a system which pays as well as demands CASH on delivery.  
This system we will adopt and put into operation on the twenty-sixth day of December 1884, after which we will buy and sell positively for cash and produce only and will name such figures on goods as will fully convince every intelligent person that it is to their interest to buy their goods where KING CREDIT finds no quarter, but where the  
**CASH SYSTEM**  
is radically and permanently established and strictly adhered to. Kindly in viting and soliciting the co-operation of every one in giving this system a thorough trial, we are  
Very Respectfully Yours,
