Warranted. Seventy-five cents per bottle at all dealers in medicine. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa. —OBITUARY. —On Tuesday morning, March 31, '85 just as the glorious sun was about to make his appearance in the east and cast his first refreshing rays upon the earth, death suddenly entered the family of Mr. E. H. Long of Millheim, and snatched away the dearly beloved and only son, Elroy. It was a hard stroke and a sad experience for parents and friends who so tenderly loved and cherished their darling boy. The child was more than ordinarily bright, so that whilst he was the joy of the parents' hearts he was the pet of all who knew him. But now his smiling face is fixed in death and his prattling voice is hushed. He has gone to smile on fairer scenes and to learn the language of a better world. The good Shepherd of the sheep has folded the little lamb in his arms, and pressing it as a consecrated treasure to his loving bosom, he speaks to allay the grief of stricken hearts, "Suffer the little children to come unto me and forbid them not, for of such is the kingdom of Heaven," and bearing it to the celestial home, he calls back in pleading tones, "Take up your cross and follow me." The following lines are expressions of the parents' sorrow tendered by christian resignation to the will of an overruling Providence: — Dearest Elroy, thou hast left us. Here on earth thy love we deeply feel, But 'twas God that hath bereft us, He has called our sorrowful day, Our joy is faded and lonely hours, His comfort in our childish plays, Oft were his delight in our play, But the sweet flower has dropped and faded Our sweet infant's voice has died, He has gone to heaven before us, In that fair and happy land. \* \* \*

**Chronic Catarrh.** C. W. Mellicr, of 406 South Fourth street, St. Louis, is twenty years of age, and has been a sufferer from chronic catarrh, which had become quite offensive. When he came to Dr. Hartman, two months ago, he was told it would take six months to cure him. But he has progressed beyond all expectations, and nearly all signs of the disease have disappeared. Before being treated he could not breathe out of the nose, and now he has perfect control of the nasal organ. PERUNA did the business. James Dunn, of 1310 Gay street, St. Louis, has suffered from catarrh since 1870. The gentleman told the reporter the following straightforward story of his case. "I took the disease in Memphis. It commenced in my head and extended to my throat, and a bad cough followed. I went to a number of physicians, and they told me my trouble was liver disease, and one said it was palpitation of the heart that caused the cough. For the last year I have been practically worthless. I could not ascend a flight of stairs without suffering from shortness of breath and fast beating of the heart, and my appetite was very defective. After eating I often coughed so hard that I would throw up everything in my stomach. I could not walk any distance without panting. Five weeks ago I went under the care of Dr. Hartman, and now my cough has disappeared and I feel like a new man." PERUNA was his treatment. Next came George Sauerbaum, residing at 1929 Carr street, St. Louis, who is an old friend of Dr. Hartman. He stated that he had suffered most intensely from chronic catarrh of the head and lungs, but is now almost cured, his lungs being entirely well and his head greatly improved. The gratitude of this gentleman was almost boundless, and he expressed it to the reporter in the following terms, saying "PERUNA will cure any disease." I. P. Dukhart, of Cumberland, Md., superintendent of B. & O. R. R. Co's Hotel, (conductor on the Baltimore & Ohio Railroad for twenty-eight years, and previously a druggist), writes: "Dr. S. B. HARTMAN & Co., Columbus, O. I have used but one bottle of PERUNA between myself and son. He had diphtheritic sore throat, and is now well. As for myself, it has entirely relieved the dullness in my head, which has been of long standing—the result of chronic malaria. I never took anything in my life that gave me such great satisfaction. My wife is now taking it also." **The War Cloud.** Growing Blacker on the European Horizon. LONDON, April 12.—A determined and grave position has been assumed toward Russia by the English ministry. The ministry has been pressed by the aggressive pugnacity of the public into the attitude which it has assumed. On Saturday Baron de St. All, the Russian ambassador at London, was informed that whatever the action of his government in regard to the action of General Romanoff, England will allow no discussion concerning the delimitation of the Afghan frontier, until the Russian troops have been withdrawn from their present outposts and returned to the positions which they occupied at the time England appointed her part of the Afghan commission to adjust the frontier. It is the opinion at the German and Russian embassies here that the final phase in diplomacy has been reached in the dispute. **Russian Council of War.** BERLIN, April 12.—It is reported that a council of war has been held at St. Petersburg, at which the czar presided, and that the czar has appointed General Komaroff commander-in-chief in Turkestan and has issued orders to push 50,000 troops forward to the Afghan border. **Manager Pugh's Report.** The Operations of the Pennsylvania Railroad in 1884. PHILADELPHIA, April 12.—General Manager Charles E. Pugh, of the Pennsylvania Railroad company, in his annual report, states that the earnings of the main line and branches in 1884 were \$30,196,884.51, and of this amount \$10,509,926.59 was net, a decrease of \$1,498,534.12 compared with the preceding year. The number of passengers carried was 11,429,776, of which 8,192,445 were first-class, 33,127 emigrants and 3,204,203 commutants. The passenger business increased 61 per cent, in the number carried, and decreased 1 per cent, in mileage. The first-class passenger travel increased 7 per cent, in numbers, and the commutation travel nearly the same amount. The through freight moved eastward was 1,293,700 tons, and westward was 531,069 tons. Local freight eastward, 13,774 tons; westward, 7,428,342 tons; total, 22,588,225 tons, an increase of 909,606 tons compared with 1883. —Now that sudden and violent changes of weather occur every twenty-four hours, almost everyone has a troublesome cold, which, if neglected, may produce results that may trouble you for the remainder of your life. Dr. Kessler's Celebrated English Cough Medicine is especially deserving praise in this class of complaints. It never fails! It never disappoints! Instructions for treatment of croup and whooping-cough also accompany each bottle. Every family, especially where there is children, should have a bottle. Dissatisfied buyers can have their money refunded. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa. **MARRIED.** On the 7th inst., at the residence of Hon. J. J. Bierer, an uncle of the bride, at Latrobe, Pa., by Rev. D. M. Wolf, Rev. J. M. Evans, pastor of Paradise charge, Somerset Co., Pa., and Miss Ethel B.
