Mr. Randall's health is improving. He receives callers and goes out riding daily.

PRESIDENT Cleveland gave a public evening reception at the White House on Tuesday evening.

PRESIDENT Cleveland is a member of an Odd Fellows Lodge in Buffalo. No wonder some of his actions seem odd to his political opponents.

THE Gardner trial at Huntingdon closed on Saturday. John Gardner, who was charged with killing his father-in-law, George Warfield, was convicted of murder in the second degree. Gardner is a native of Cambria county.

GENERAL Grant's condition is getting better from day to day. On Monday afternoon he went out for a half hour's drive in company with Dr. Douglas and U. S. Grant, jr. There is fair hope that the general will win the fight, which is gratifying news to the public.

THE celebrated physicians, who treated General Grant for cancer, while all the time he suffered from an altogether different disease can be sure of one thing—that it is no fault of theirs if the distinguished patient will stay alive. Like with Garfield—they looked for the ball anywhere except at the right place—and so he had to die. Grant is more fortunate, that is all the difference.

THE legislature has been in session now for over three months and has passed all-told about a dozen of bills, some of which would as well have been left unpassed. The session may be prolonged to 150 days—that long the pay will run. Of course, so long as the money comes, will the session last and no longer. The most important bills will then be crowded in the last few days and will be disposed of in such a hurry that nobody, except a few of the conference committees, will know very much about them, or else they will be left, as was the case in the last legislature. The first 100 days were past last week and longer the session should not have lasted. It is to be hoped that our lawmakers will complete their difficult tasks in these additional 50 days, so that the state treasury does not again need to spend \$500,000 for an extra session.

PRESIDENT Cleveland to Join the Veterans at Gettysburg.

In pursuance to the plan adopted by the veterans of the late war to visit each spring, some one of the celebrated battle-fields of the Union, the pilgrimage will this season be made to Gettysburg. The time fixed for the visit is May 4th and 5th. The great success attending the previous visits of the veterans to Fredricksburg and elsewhere, and the wide interest manifested by the old soldiers of both armies, indicates that the Gettysburg meeting will not only be largely attended, but highly valuable, from a historic point of view, and full of interest to the participants in the scenes enacted there 22 years ago. The meeting will bring together numbers of the most distinguished men of the land. The president with his cabinet; the "war governors" the present governors of the states, distinguished officers and soldiers of both armies, and men prominent in the councils of the nation, will honor the occasion with their presence. Not only from the vicinity of the field will the veterans come, but from states north, south, east and west, soldiers and civilians are sending assurances of their attendance. The pilgrimage is made under the auspices of the first and other corps of the army of the Potomac, but the invitation covers every officer and soldier of the late war. In order to accommodate the visitors the Pennsylvania railroad company will sell excursion tickets from points on its lines to Gettysburg, on May 2d, 3d and 4th, good to return until the 16th inclusive, at greatly reduced rates.

Miscellaneous News.

One Hundred of the Isthmus Rebels Drowned in the Bay.

CHICAGO, April 17.—A special dispatch from the city of Mexico says: "When the troops of the Columbus government finally entered Colon, after it had been burned by the rebels under the leadership of Preston, they captured several squads of rebels. During the past ten days the number of these prisoners has been considerably augmented by the receipt of straggling rebels captured in surrounding districts. It is not known how many of the rebels were thrown overboard and drowned."

A Queen's Opinion.

J. M. Queen writes from Johnston, W. Va., that he has been sorely afflicted for several years, but he was urged to try PERUNA, which he did, and he now feels that he is about over his trouble, and considers it the greatest medicine in the world. He says he has to go or send a distance of fifteen miles to obtain PERUNA, but it will repay him for this.

Ellwood Shallock, former editor of the Saturday Journal, Wheeling, W. Va., says: "Gentlemen: Some time ago I was afflicted with a pain in my back in the region of the kidneys, and suffered considerably. Having read your advertisement, I went to Logan & Co., of this city, and purchased a bottle of PERUNA, which I took, and it resulted in the complete removal of the pain. I think I can safely recommend it as a superior panacea for pains."

Mr. Aaron Shreffler, Alma, Marion county, writes: "Dr. S. B. HARTMAN & Co., Columbus, O., Dear Sirs: Myself and wife have taken three bottles of your medicine and received much benefit by the use of them. My wife was troubled with neuralgia, headache and weak stomach. Her headache has not troubled her for the last two weeks, and her stomach is much better. She took only PERUNA. I used both medicines, and my general health is so much improved that I feel like a new man. My stomach is very much better, and the MANALIN keeps my bowels all right. We intend to keep taking the medicines until we are permanently cured."

Evans T. Jones, Prospect, Marion Co., O., says: "After having taken medicine from different physicians of this place without any relief, I was induced to try PERUNA, which I purchased of Cook Bros., druggists, of this place, and after using some six bottles of the same, I feel very much benefited. Am sure it will finally work an entire cure."

T. J. Ewing, Cattsburg, Ky., writes: "In the early part of last winter I contracted a severe cold, attended with a bad cough; then, being exposed during late flood, added to my disability. I have taken your PERUNA with good results. My cough has entirely left, soreness is gone, and an increasing in flesh. Thomas Bradford, 4 Western Avenue, Allegheny City, Pa., writes: 'I have had liver complaint for three years; I thought I would have to quit work; I have taken two bottles of your PERUNA, and am well.'"

S. Wolf & Son, Wilmot, Ohio, write: "We had tried various goods, and they give good satisfaction."

One of the life prisoners in the penitentiary at Charleston, Mass., claims to have a bullet in his head which can feel more whenever he shakes his cranium. He has sold his head to a doctor for \$15, with the proviso that he is to keep it until his life sentence has expired.

Hung Himself in His Barn.

SOUTH BETHLEHEM, April 17.—Isaac Foltz, of South Bethlehem, was found hanging in his stable at noon. He was the owner of the shirt factory in the Excelsior knitting mill destroyed by fire on Saturday night, and there was a suspicion that he was the incendiary. This caused him to take his life. He was a man of good standing in the community.

A Terrible Occurrence.

While David Roth was returning from Paxinos to Shamokin his horse became unmanageable, throwing him violently upon the track of the Penna. railroad. At the moment a freight train dashed by. The unfortunate man's remains were scattered along the line for a hundred yards, and two hours were required to gather them to hold an inquest. Roth's parents, who were ill at the time, have been placed at the point of death by the terrible occurrence. Roth was a wealthy horse dealer and lived in Shamokin.

2,000 Striking Miners Return to Work.

PITTSBURG, April 18.—The striking coal miners of the Primrose, Briar Hill, Jumbo and Willow Grove pits, on the Pan-Handle Railroad, have returned to work at two and a half cents per bushel, the price offered by the operators. The mines named are among the largest on the Pan-Handle Road, employing about two thousand men and the news of the surrender occasioned considerable surprise. The break practically brings to a close the long-fought battle on the railroad and there will probably be a general resumption next week at the reduction.

BURNED TO DEATH.

PHILADELPHIA, April 18.—A special dispatch to the Times from Reading says that at about 4 o'clock this morning a fire occurred in the two story frame building on the alsaec truck farm owned by Augustus L. Wentzel, and situated several miles from that city, in which four persons—Harry Wentzel, aged 11 years; Charles Wentzel, aged 13, sons of the proprietor, and Charles and Fredrick Hetzinger, brothers, aged 16 and 26 years respectively, were burned to death. The building was but a short distance from the residence of Mr. Wentzel, and was occupied by the male hired help, being heated by a stove on the lower floor. The cause of the fire was a mystery until some time afterwards, when Dan Knoll, a half witted vagabond about 40 years of age, who has been an object of charity in the neighborhood, principally at the hands of Mr. Wentzel, for some time, appeared and related that he had come to the place about 11 o'clock last night, and entering the building made a bed for himself and fell asleep. About 2 o'clock this morning he awoke and found the fire nearly out. He put on some coal and then concluded to walk over to a neighbor's house a mile and a half distant. When he reached there he saw the fire. After telling his story in an innocent way he was arrested and locked up. The coroner held an inquest this afternoon and placed the responsibility for the fire on Knoll. The Hetzinger brothers were Germans, the youngest of whom had been in the country but a month. Knoll has always been looked upon as a harmless imbecile full of eccentricities in which he had usually been honored by the people of the neighborhood. It is not known whether Knoll caused the fire intentionally or as the result of his carelessness, but the district attorney will proceed against him at once.
