The band rendered some of their best productions, entertaining the many customers of Messrs. Kauffman & Co., who were attended by four or five clerks. Neighboring News. AARONSBURG. Our town is ably represented at the General Synod, Harrisburg, by Rev. and Mrs. Deitzler, Mr. and Mrs. Wm. Stover and John H. Musser. L. D. Kurtz was home over Sunday. Glad to see him. Among the indisposed might be mentioned D. K. Musser who suffers from general debility; and Miss Mary Musser whose left or right ear (forget which) causes her considerable pain. Some Nittany Valley folks were the guests of the Misses Minnie and Lula Kurtz during Saturday and Sunday. The Soldiers' graves were decorated in the P. M. of Saturday. The turnout was very meager. A great many people from town were to Millheim on Saturday evening to witness the parade. They seemed very much taken with the Hook and Ladder truck. Howard Homan and apprentices have gone to Lewistown to do some carpenter work. Howard is just the man to put up a first-class job. The School board had a meeting at Lummel's Hotel on Monday. Important business was transacted but the "Boss Tweed" of the board during former years was not present. The amount of embezzlement is something like \$889. "How are the mighty fallen." HAWKEYE. SMITH TOWN. Mr. Benj. Limbert and family, from Brushvalley, in company with Wash Shafer, from Carthage, Mo., were the guests of Mr. H. E. Duck on Sunday. Mr. Shafer had crossed the Alleghany mountains fourteen times and his homeward trip will be the fifteenth time. On Monday part of Grossman's shed was raised and the other part will go up as soon as the lumber can be made ready. Mr. Sol Kimport and wife were visiting their friends at this place over Sunday. The farmers complain that the crows are doing mischief in their corn fields. Miss Alice Bierly is visiting here and intends to stay in our midst for some time. JUMBO.

Lewisburg boro' will celebrate the one hundredth anniversary of its founding by a grand parade of Firemen, Military, Grand Army of the Republic and other organizations on the Fourth of July. Extensive preparations are being made by the citizens of that borough to make the celebration the finest ever held in Lewisburg. Invitations have been issued to all the fire companies in the adjoining counties and our young company has not been forgotten in the list. The boys are unable to attend however, as they hardly consider themselves in a shape for such occasions. -The memorial exercises on last Saturday evening were pronounced by everybody the best conducted and most creditable ever witnessed in Millheim. Town was filled with a large and expectant crowd of people long before the hour for the parade had arrived. At 5:30 sharp the procession moved from Penn street, wending its way down Main, then returning up Main street marched to the cemetery. The long column consisted of the Millheim Band, Flag bearer, Veterans, the new Hook & Ladder Truck, dragged by about twenty-five members of the company, the Sunday schools of town, about a dozen carriages and buggies containing visitors from other places, and an endless string of ladies and citizens of the borough. We hear it stated by a spectator that he counted over five hundred people in the procession. Arriving at the cemetery the solemn and impressive decoration rites were performed by the veterans, company and the schools while the band played one of its fine dirges. Rev. Mountz, Hon. J. P. Coburn and Rev. C. F. Deiningner made eloquent addresses to the large assemblage. Our space will not allow us to go into details or give a synopsis of the orations. They were all masterly done and showed commendable research and laudable patriotism. The procession returned to town in nearly the same order in which they had come and when reaching about the centre of town, the men, stirred up by the lively national airs of our good little band, gave vent to their patriotic enthusiasm in three rousing cheers. At the townhall all were dismissed. Everything passed off very smoothly and successfully, the parade was very imposing, the H. & L. boys especially distinguishing themselves by their fine marching and general good appearance and all concerned must have felt well pleased with the success of the celebration. The affair was favored by comparatively fair weather, the wind having partly dried the streets, which had been rendered very muddy from the rain of the preceding day and night. -Several quarts of Minnesota Early and Stowell's Sweet Corn, the two best varieties known, for sale by W. N. Auman. W. H. BARTHOLOMEW, 20 3m Spring Mills, Pa. PEE MILLS SCRAP BOOK. Poe Mills, June 2 1885. To the Editor of the MILLHEIM JOURNAL: We are having rather cool weather, especially at night, considering the time of year. Nevertheless the trees and shrubs are decked in their summer robes of various shades of green, and the numerous mountain peaks about here, which a month ago presented a very wild and rugged appearance, are now showing forth nature in all her glory, which is grand beyond description. The large stationary saw mill owned by W. C. McConnell & Co., has been inactive for the past few days while it has been undergoing some slight improvements. Thomas R. Park, our amiable lawyer, has gone from our midst, and is at present engaged in the lumber business in Dauphin County with his brother-in-law John Sheetz, formerly of the firm of Park & Sheetz of this place. Harris B. Miller, a well-known and highly respected young man of Millersburg, Pa., has been visiting friends at this place during the past week. Henry Dunkel anticipates a visit to Halifax, Dauphin Co., Pa. next Saturday, where he will spend a few days with friends and relations. We learn that Geo. Buck, the obliging photographer of Millheim Pa. will to-day be over to Fowler Station, two miles west of here on the L. & T. R. R., for the purpose of taking views, and judging from work which we have had the pleasure of seeing in the past, we can refer any persons who wish to feast their eyes on some "grand scenery," to him, feeling confident that they will be well pleased. Success to you Georgie, is the wish of your Poe Mill's friend. Messrs. Elliot Hassinger and Geo. B. Baskin expect to leave here for Lewistown, Mifflin Co., on Thursday P. M. where they are going to investigate quite a number of Steam Engines. They will no doubt be prepared to give some interesting points on steam power in next week's issue. Johnnie Charles, our much thought of shingle Sawyer goes fishing occasionally. Yesterday he hooked out of Poe Run quite a number of fine trout, but he saw one which he did not happen to catch. John says it looked to him to be about twenty inches long, but he (John) might have appeared in the eyes of the trout to measure twenty times twenty inches long, at least it must have thought him too long company to associate with, and acting upon its instinct it turned, and left John a lone fisherman on the banks of Poe Run. -GO NO FURTHER until you have seen the bargains at Spigelmyer's.

HALL'S HAIR RENEWER. Vegetable Sulfur. The great popularity of this preparation, after its test of many years, should be an assurance, even to the most skeptical, that it is really meritorious. Those who have used HALL'S HAIR RENEWER know that it does all that is claimed. It causes new growth of hair on bald heads-provides the hair falling off or changing color; keeps it soft, pliant, lustrous, and causes it to grow long and thick. HALL'S HAIR RENEWER produces its effects by the healthful influence of its vegetable ingredients, which invigorate and rejuvenate. It is not a dye, and is a delightful article for toilet use. Containing no alcohol, it does not evaporate quickly and dry up the natural oil, leaving the hair harsh and brittle, as do other preparations. Buckingham's Dye FOR THE WHISKERS. Colors them brown or black, as desired, and is the best dye, because it is harmless, produces a permanent natural color; and, being a single preparation, is more convenient of application than any other. PREPARED BY R. P. HALL & CO., Nashua, N. H. Sold by all Dealers in Medicines.
