-Messrs. Musser & Smith are busy preparing for the erection of their new brick store house on corner of Main and Penn streets. The ground walls will be built this summer yet, while the brick and frame work will be completed next spring. The community, we are sure, would be extremely thankful for this much-needed improvement, as our town has actually no decent place for public meetings, &c., except the churches.
-SATURDAY EVENING.—Millheim had a very lively appearance last Saturday evening. The streets and pavements were thronged with people and the merchants reaped the benefits of the crowd. About dusk the band furnished some music on the diamond and proceeded to the town hall where the festival of the M. E. Ladies' Society was in splendid running order. The hall was crowded to its full capacity, every table being occupied by lovers of the cooling dish. The ladies seemed to have their hands full all evening and the net proceeds amount to \$56. As usual the display of fine and delicious cakes was tempting enough to delight the heart of any epicure.
SUICIDE.—On Sunday the intelligence reached this town of the death of Jack Roush, residing in Stitzler's hotel, below the Narrows, and the fact that the subject of this article took his life by poisoning himself caused many a one to shudder. Mr. Roush had been in town visiting only a few weeks ago and returned to his home last week. On Saturday forenoon he was found in his bedroom, where he had gone and locked himself up unknown to the family, lying on the floor dead. On investigation it was found that he had taken a dose of laudanum. An inquest was held over his body and the jury's verdict was, "came to his death by taking poison in a fit of menal debility." He was buried on Monday night.
