EV. LADIES' MIFF SOCIETY.

A letter from Dr. C. Sumner Musser to his parents at Aaronsburg states that he completed his sea voyage the next day from the date of his letter, (June 11th) and reports a very pleasant trip, unmarred by any sea sickness or mishaps. This is good news to his parents as well as to his many friends whose good wishes accompanied the gentleman on his journey over the wild waves. The letter was written on board of ship at Flushing, about a day's journey from the haven of Antwerp.

TWO ACCIDENTS.—On Wednesday evening of last week at Grenninger's saw mill, which is at present operating on Gentzel's tract in Penn township, Mr. Luther Shreckengast had the misfortune to come in too close contact with the circular saw and had a deep gash cut in his arm at the wrist.

Money refunded in every case when a single bottle, as directed, fails to cure any case of cholera, dysentery, cholera morbus, diarrhoea, cramps, pains in the bowels, or any intestinal irritation. Sold by all dealers.

The farmers of Penns and Brush valleys will be pleased to learn that the Steam Thresher owned and operated by Mr. Geo. W. Vonado, of Madisonburg, Pa. will again be ready to give the almost unbounded satisfaction that marked its last years' performance. Farmers should be careful what machines they get, as the best is always the cheapest. Some machines will waste more grain than they will pay the cost of threshing, while this machine not only saves all the grain but also cleans it better than any other. Farmers, give it a trial and you will have no other.

EVERY LITTLE HELPS.—You may only owe us a dollar or two on subscription, and think that isn't much—we could easy get along without that little sum. Of course it isn't much, but the trouble is, there are too many subscribers who think in the same way and the little sums soon swell to a considerable figure. If we had these small amounts in our pockets instead of in the books we could run this printing establishment with less worry and vexation. Our subscribers, especially out of the county, who owe us will please give heed to this item and remember that every little helps.

Main street at present receives its full share of improvements. S. T. Frain laid a splendid flagstone pavement in front of his hotel and the building and its new portico will shortly be treated to a few coats of paint of a light shade.

Dr. S. G. Gutelius greatly bettered the appearance of his residence by a coat of pure white paint, pleasantly contrasted by bright green shutters.

W. S. Musser is repainting the Musser House, which will give it its former clean and tasty appearance. There are still other places along that thoroughfare, that are very much in need of an overhauling, and we would gladly report progress in the improvement line in future issues.

The four greatest and most desirable properties of a successful medicine are perfectly combined in McDonald's Blood Purifier or Sarsaparilla Alternative. In malimassilation of food and dyspepsia its effects are speedy and happy. For disfiguring humors of scrofula and tetter, the loathsome sores of venereal diseases, the burning torturers of erysipelas, no other medicine can possibly equal it. As a spring medicine, perfect blood purifier, efficient and safe diuretic and aperient, it meets with gratifying favor from the medical profession and the people. Dissatisfied buyers can have their money refunded. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.

AN ORDINANCE to forbid the use of fireworks and firearms of any kind within the built-up portions of town on the Fourth of July:

Be it ordained by the Town Council of the Borough of Millheim, and it is hereby ordained by authority of the same, that the last clause of section 31 of the ordinances of April 21, 1879, reading as follows: "or upon the 4th of July of any year" be and the same is hereby repealed. J. H. MAIZE, D. L. ZREBY, Sec. Prest.

Approved: A. C. MUSSER, Millheim, June 13th, 1885. Chief Bur.

There is something nice about Roller flour, that you do not find in flour made in a Grist mill. In order to supply the people of Penns and Brush valleys with this superior article, Major J. B. Fisher, of Penn Hall, has fitted up his mill at Farmers' Mills with the best and most renowned roller process in the country. He has procured the celebrated Allis Rolls for his flouring mill and besides has furnished the establishment with the most complete set of mill machinery to be found anywhere. If you wish to buy choice roller flour, that can not easily be beat, send or give your orders to J. B. Fisher's Roller Flouring Mill, where they are now ready for business. See new advertisement in another column.

Druggists as a rule are extremely jealous and careful of the honor of their profession, and are loth to praise a medicine which they do not from personal knowledge know to be a meritorious article. They all agree, however, that for smallness of dose, easiness to take, and effectiveness as a worm destroyer, McDonald's Celebrated Worm Powders are the best and most desirable vermifuge in their stock, and do not hesitate to recommend them. Dissatisfied buyers can have their money refunded. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.
