

The Millheim Journal. THURSDAY, JULY 30TH, 1885. Published by R. A. BUMILLER. Democratic County Com. for 1885.

The Late Minister Phelps' Body. WASHINGTON, July 27.—The remains of ex-United States Minister Phelps, who died recently at Lima, Peru, will be sent to Washington the 1st prox. They will arrive here the latter part of August.

There are two things about the decision in the Grant funeral matter which do not seem to meet the approval of the American people. First that the burial ceremonies will not take place before August 8th, which seems an unnecessary delay, and second the choice of one of the Parks of New York as a burial place, instead of Washington, the national capital.

GEORGE W. CHILDS, of whom some anecdotes appear on our outside, and who is a staunch friend of the Grant family, will have control of all the details of the deceased ex-president's funeral which will take place on the eighth of August.

GENERAL Grant's widow is amply provided for financially. Her estate will be at least \$500,000, without the \$5000 annuity, which will be voted to her by Congress.

List of jurors for August term of court. GRAND JURORS. Joseph G. Carson, farmer, Potter Twp. Edward Smith, painter, Boggs.

There is not a true patriot in the country who does not mourn over the death of Grant and messages of sympathy and respect poured in on his surviving family from nearly all parts of the globe.

One dose of McDonald's Great Blood Purifier or Sarsaparilla Alternative is guaranteed to contain more active properties, more truly remedial power than three doses of any other known alterative or blood purifier.
