CAMP MEETING. -Preparations are being made by the association for annual camp meeting at Clintondale, convening August 13th. The board of managers decided by a vote of 5 to 4 to have the meeting this year. Some of the members seem to desire to abandon the old time way of worshipping in the woods. The crowd no doubt will be large. -Clinton Democrat. LAY THEM AWAY. -We mean the horrible, nauseous worm-seed compounds called worm worms and vermifuges: many of them as worthless as they are obnoxious. They have outlived their usefulness. People do not want them since McDonald's Celebrated Worm Powders, so easy and pleasant to take, can be had from any dealer. SUDDEN DEATH OF AN AARONBURG CITIZEN. -John J. Frank, the subject of this notice, unexpectedly departed this life on Sunday last. He attended his stock as usual in the morning of said day, took his cows to pasture about a mile from town, and on his return ate a hearty breakfast. After that he complained of pain at his heart and took his bed. Between the hours of 10 and 11 o'clock he felt better and leaving his bed he sat upon a chair on his front porch and read a newspaper. Soon the pain returned and again he went to bed and it was for the last time. A few minutes before 12 o'clock he expired without a struggle, of paralysis of the heart. Deceased leaves a widow to mourn his death, He was buried on Tuesday forenoon in the Lutheran cemetery, Rev. M. L. Deitzler officiating. IT WENT ROUND AMONG THE NEIGHBORS. -Mr. Levi Stahl, merchant and postmaster at Fostoria, Pa., writes: "Mr. J. A. McDonald, Reedsville, Pa. DEAR SIR. -Some time ago I had a severe attack of chronic diarrhoea. Could obtain no relief. A friend gave me a part of a bottle of your Curtis' Carmelite Cordial, and a few doses entirely cured me. The balance of the bottle went around among the neighbors. Since then I have written to New York and Philadelphia for the medicine but could not procure it. I traced up the bottle we had and found it was purchased of Mr. Jacob Cowan, merchant in Altoona, and from him obtained your address. Please forward me one dozen bottles by express at once, as I do not wish to be without it in my family and wish to sell it in my store." Single bottle Curtis' Carmelite Cordial guaranteed to cure any case cholera, dysentery, diarrhoea, cramps, pains, and all irritation of the bowels incident to change of climate, diet or water. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.

Neighboring News. SMITH TOWN. Last Friday while Squire Duck was hauling a load of shingles, one of the horses fell and his whole weight rested on Mr Duck's legs. His limbs were badly bruised by the accident. Squire Smith, from near Penn Hall, was the first one to buy some of the "Farmers' Friend Wheat" from J. H. Frank. He took a two-horse load. Israel Spayd and sister were visiting here. On Saturday afternoon W. C. Duck brought a four-horse load of boards to the picnic grove, where some 30 men and boys were engaged in cleaning the ground. They work like beavers and seem to be determined to make a big thing out of the harvest home. Miss Katie McCool left for Spring Mills, until after campmeeting. Quite a trip now for Mr. F. George Rover has a smile for everybody since that little girl of his arrived. Oscar Duck, the boss thrasher, with Prof. Baney as engineer thrashed J. H. Frank's crop of wheat last Friday. Said crop was raised from one grain, sown five years ago, and increased as follows: First year he got 25 heads from the one grain, from those he got 2 quarts and a pint the second year, from that 1 1/2 bushels the third year, 34 bushels and 1 peck the fourth and 362 bushels this (the fifth year). JUMBO. AARONSBURG. -Query - Who is the Aaronburg correspondent? The Williamsport Girl is delivered to its patrons by a new carrier. Hol. Crouse and lady, from Lock Haven, were in town during Saturday and Sunday last. The memorial windows in the new Reformed church make a very fine appearance. One of our young men went around to see the sights on last Saturday evening. He went to see and be seen. C. G. Bright says he has picked 35 quarts of raspberries from the vines in his garden this season. They are the Red Cap variety. Our academy, under Prof. Noll's management, opened on last Monday morning. Judging from the number in attendance on the first day he will have a large school. There was a "knock down" and "drag out" at Immel's hotel on last Monday afternoon. Andy had his thumb knocked out of position. Doctor Mingle was called and fixed him up all right again. Henry Weaver says it's a fine one - that meerschaum pipe he received through the mail as a present. But he would like to know who the giver is, so that he may return his thanks. ANOTHER. COOBURN. Coburn was full of Philadelphia bummers last week. E. M. Clark has a good trade - selling ice cream. What has become of our festival? Since Monday the 20th we can go to Bellefonte by rail. F. Brenninghaver says he intends to get married before October first if he can get the wherewithal. H. H. Trumpflehler paid our town a short visit again last week. A tub race in the near future is spoken of at this place. On Sunday, while Adam Rickard was to Millheim, attending church, some scoundrel entered his house and made away with a lot of eatables and \$5. in money. Z. Spring Mills. One day last week, as Prof. D. M. Wolf and Mr. J. G. Evans were driving through our town the horse frightened at some paper lying on the road and became unmanageable. In an instant the buggy was upset and both gentlemen were thrown violently to the ground. At first it was thought that Mr. Evans was fatally injured, but we are glad to hear that he is not considered dangerous. He sustained several painful bruises but no bones were broken. Prof. Wolf escaped with only a few little scars. David Brown, Esq., formerly of Hubersburg, this county, but now of Stephenson Co., Ill., was the guest of Wm. Pealer one day last week. David is very proud of his young son. Our academy is well patronized this term, which commenced last Monday. MADISONBURG. Prof. L. Bialy's school opened on last Monday morning with quite a number of students from Sugar Valley. The attendance is much larger than it was last spring. Two of Mr. Hoy's daughters, of near Bellefonte were visiting at Benj. Roushes in the early part of the week. George Lambert is attending school at Spring Mills. J. L. Roush intends canvassing Brush and Sugar Valley in the near future with "The History of the Reformed Church." Two of our young ladies got hold of some dynamite cartridges and hastened to destroy them in an alley near by. They lit the fuse, but somehow the cartridges would not discharge. One of the ladies went to see about it and while turning one of the dangerous shells with her foot it exploded and relieved her of one of her shoes in the twinkling of an eye. The reader may imagine the fright of the ladies. STILL. DIED. On the 26th inst., at Woodward, Miss Minnie Wise, aged 22 years and 10 months. Burial place Tuesday forenoon, Revs. B. Heugst and S. M. Mountz officiating.

TAKE SIMMONS LIVER REGULATOR For all Diseases of the Liver, Kidneys, Stomach and Spleen. This purely vegetable preparation, now so celebrated as a Family Medicine, originated in 1826. It acts gently on the Bowels and Kidneys and corrects the action of the Liver, and is, therefore, the best preparatory medicine, whatever the sickness may prove to be. In all common diseases it will, unassisted by any other medicine, effect a speedy cure. The Regulator is safe to administer in any condition of the system, and under no circumstances can it do harm. It will invigorate like a glass of wine, but is no intoxicating beverage to lead to intemperance. It promotes digestion, dissipates headache, and generally tones up the system. The dose is small, not unpleasant, and its virtues undoubted. No loss of time, no interruption of business while taking the Regulator. Children complaining of Colic, Headache, Stomach, a teaspoonful or more will give relief. If taken occasionally by patients exposed to MALARIA, it will expel the poison and protect them from attack. A PHYSICIAN'S OPINION. I have been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system. J. M. HAZEN, M. D., Washington, Ark. SEE THAT YOU GET THE GENUINE. PREPARED BY J. H. Zeilin & Co., Philadelphia, Pa. Surface Indications. What a miser would very properly term "surface indications" of what is beneath, are the Pimples, Sties, Sore Eyes, Boils, and Cutaneous Eruptions with which people are annoyed in spring and early summer. The effect matter accumulated during the winter months, now makes its presence felt, through Nature's endeavors to expel it from the system. While it remains, it is a poison that festers in the blood and may develop into Scrofula. This condition causes derangement of the digestive and assimilatory organs, with a feeling of nervous languor, and weariness - often lightly spoken of as "only spring fever." These are evidences that Nature is not able, unaided, to throw off the corrupt atoms which weaken the vital forces. To regain health, Nature must be aided by a thorough blood-purifying medicine, and nothing else is so effective as Ayer's Sarsaparilla, which is sufficiently powerful to expel from the system even the taint of Hereditary Scrofula. The medical profession endorse AYER'S SARSAPARILLA, and many attestations of the cures effected by it come from all parts of the world. It is, in the language of the Hon. Francis Jewett, ex-State Senator of Massachusetts and ex-Mayor of Lowell, "the only preparation that does real, lasting good." PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists: Price \$1; Six bottles for \$5.
