GIRLS' BEWARE!

The Alleged Trick of a Philidelphian to Entrap Easton and Bethlehem Girls.

Easton, July 29 .- A man who gave his name as Miller came to Easton last Monday and registered at the Gerver House. He then proceeded to engage girls to act as domestics for an organ manufacturer on Fairmount avenue, Philadelphia. Two Easton girls and a Bethlehem girl were engaged. One of the Easton girls was to have gone to the city yesterday on the 3 o'clock train, and the other was to have accompanied him last evening. Fearing that the offers and the action of the man were not honorable, one of the girls had a telegram sent to the the organ manufacturer, and an answer was promptly returned saying that no one had been authorized to hire girls for him, and that Miller is a fraud. A warrant for the arrest of Miller was then procured by the girls charging him with trying to induce the girls to go to the city for an un lawful purpose. It was given to Chief Tilton, but when the officer arrived at the hotel he found that Miller had disappeared without footing his board-bill. The girls are still here and intend to remain. They are not quite so "green" as Miller supposed them to be.

Thousands of articles are now manufactured that in former years had to be imported, paying high import duty as it is now being done on Lea & Pertins table sauce; the QUARER TABLE SAUCE takes its place; it has been pronounced by competent judges just as good and even better. The QUARER SAUCE has Slowly but surely gained great importance and is replacing the very best imported sauce on the shelf of the grocer, the tables of the restaurant and the tables of the rich and poor men, greatly prized and relished by all on poor men, greatly prized and relished by all on poor men, greatly prized and relished by all on account of its piquancy, aroma, taste, strength and pureness. The inventor has by years of study of the secret virtues contained in the aromatic spices of the Indies and China, such as mace, nutmeg, cinnamon, genuine Jamaica ginger, and peppers and buds of trees unknown to most men, and by long practice succeeded to combine their extracts in such a liquid form as we now find it, of agreeable taste, and so invigorating as to be taken in place of stomach bitters. By manufacturing this sauce here, heavy import duties ufacturing this sauce here, heavy import duties and freights are saved, and it is sold at a lower figure to the dealer, who making a better profit on Quaker Sauce can sell it to the consumer cheaper than the very best imported article hardly equaling ours. If your grocer does not keep it, write us for prices, etc. Sold in bottles or by the gallon, CHARM MANUFACTURING CO.,
