

DEMOCRATIC STATE TICKET. FOR STATE TREASURER, CONRAD B. DAY, OF PHILADELPHIA.

DEMOCRATIC COUNTY TICKET. For Jury Commissioner—JOHN ROAN, For Coroner—Dr. H. K. HOY.

BRING OUT THE VOTE! Democrats it is your grave duty in next Tuesday's election to be true to your past record and discipline. Do not shirk this duty but be at your posts, bound to lead your help in gaining the almost assured victory over the grasping and corrupt candidate of the republican party.

coin in the national treasury against five and a half tons of gold, including bricks. With this vast weight of silver coin running the vaults over until every available inch of space is occupied, the mints are adding two millions of the same unhandy and unhandsome money every month in the year, in compliance with a stupid piece of legislation that passed Congress in the interest of the silver-kings of Nevada and Colorado.

When this money is counted it occupies the time of thirty expert counters just three weeks. The popular impression is that the dollars are taken up one by one and thrown into a pile while the count is on, but this is a delusion, pure and simple, for were this the case the treasurer of one administration who must count the monies turned over to his successor, would be able to hold his office through at least two entire administrations before he could be compelled to disgorge.

LABORERS RUN DOWN BY A TRAIN. EASTON, Pa., Oct. 26.—During a heavy fog this morning an East bound freight train on the Lehigh Valley Railroad dashed into a gang of sectionhands at South Bethlehem. At the time a coal train was passing on the opposite track and its noise prevented the men from hearing the approaching train. Lawrence Doyle was struck on the head and died within an hour. Another man was slightly injured. The other men threw themselves from the track and escaped injury. Doyle was aged 40 years, and unmarried.

Serious Railroad Accident. A collision occurred on Tuesday evening, Oct. 20th, at about 8:30 o'clock, between two passenger trains on the Philadelphia and Erie Railroad, about two miles south of Williamsport. Two men were killed and several seriously injured. The killed were Arthur M. Middlekauff, express messenger, of Williamsport, who was on the Fast Line west, and Eugene Thorne, of Harrisburg, fireman on the engine of the east-bound train.

Conking Will Not Take the Stump. New York, Oct. 25.—In conversation with an old friend yesterday Mr. Conking said, in referring to the statement that he was to take the stump for Davenport: "A man would, if he has sense enough, know that no word of mine could be uttered to encourage the honest and upright people of the State of New York in electing him to a post of honor second only to that of the Chief Executive of the nation. No person in his sense would or could make such a demand of me for self-stultification, and no man, friend or foe, has yet had the temerity to offer such an insult to me."

WASHINGTON LETTER. From our Regular Correspondent. WASHINGTON, D. C., Oct. 28, 1885. It cannot be many years before Congress will demand more comfortable and more commodious quarters in which to do the law making for this great nation.

AN EXPLOSION OF GAS. Five Men Dead and Eleven Almost Certain to Die. WILKESBARRE, Oct. 21.—A terrific explosion of gas took place in the number 2 slope of the Delaware and Hudson Coal Company at Plymouth this morning, by which fifteen men may lose their lives. The greatest excitement prevailed at the place as soon as the accident became known, as the slope was full of men and boys, fathers, brothers, sons and husbands, and the shaft being one of the largest worked by the Delaware and Hudson Company.

The miner whose carelessness fired the gas that caused the fatal explosion was Peter Solintzky. There were two other explosions. The first was soon followed by another, which swept everything before it, and sent a flame of fire up the slope and above the fan house, knocked the shingles and timbers from the breaker 400 feet above the solid earth. Solintzky was not killed, but was removed from the slope with only his boots on, and no hair on his head. Otherwise he was uninjured. The scene that ensued was terrible. The victims of the disaster lay in every direction. Dennis Titus was instantly killed, and when found lay 200 feet from where he stood at the time of the explosion.

When the gas ignited all the men in the slope were violently thrown to the ground or against the cars or ribs of the gangways. The lights on their heads were extinguished by the shock of the second explosion, and all were in confusion making their way through the flames, and managing with great difficulty to reach a place of safety.

The following is a list of the dead and injured:

Dennis Titus, dead. Anthony Spinette, John Livitsky, Alex. Love, John Kirst, John Woods, David Bryans, Thos. Howard, Thos. McDermott, John Colby, David Grimes, Jos. Thomas, Frank Lamareaux, Thos. Collins and Edward Jones, wounded.

The four last named are in a terribly bad condition and cannot survive. The others are horribly burned and breathed flames to such an extent that their injuries are also considered fatal. The shaft at which the explosion took place is one of the largest operated by the Delaware and Hudson Company, the average daily hoist of coal being from 350 to 400 car loads.

LATER—The worst anticipations of the physicians who are attending to the wounded in the mine explosion to-day are being realized. Thomas Collins, miner, and Anthony Spinette and John Livitsky, Polish laborers, have died, making four deaths thus far. Nearly all the others of the injured will doubtless die.

Deininger's Ready Reference Tax Receipt Book is growing in public favor. Customers from a distance are beginning to call for it. It is an admitted necessity for every tax-payer who does his business in a practical manner.
