-THE PREMIUM ENGRAVING issued by "Peterson's Magazine," for 1886, is of rare excellence and beauty. It is a trip and made some of us work like first-class line-and-stipple engraving, executed in the highest style of art. The artists are Illman Brothers, and they have engraved it-size, 21 inches by 27-for "Peterson's Magazine," in their best and most brilliant manner. The picture is called "The Angel of Paradise." and is a companion to the Not Lost, But Gone Before," published by "Peterson's Magazine" some Ayer's Pills to correct the evil, and years ago, and which was so popular. In artistic merit, it is, we think, one of the finest "Peterson" has ever issued, and will go to every mother's heart, especially if she has lost one of her "darlings." Another of the premiums is the "Forget-Me-Not," an illustrated album, a book of yery great beauty. Another is an extra copy of the magazine etc., etc. You can get any of them, gratis, by raising a club for "Peterson" for 1886. This is a rare chance. DEDICATION AT AARONSBURG.-According to the previous announcement the dedicatory services of the Reformed church at Aaroasburg began on Wednesday evening with an able sermon by Rev. D. M. Wolf. The weather having been very inclement the attendance was small. On Thursday evening Rev. DeLong, of Bellefonte, fayored a larger audience with a fine discourse on of pious parents, pointing to the godly father and mother of the prophet Samuel as examples. On Friday evening Rev. N. J. Miller, of Rebersburg filled the pulpit yery efficiently.

The interest in Saturday evening's services was materially increased by the presence of Dr. Dubbs, of Lancaster, and Rev. S. K. Evans, of Pottstown. The latter is a native of this valley, being a son of James G. Evans, of Gregg township. His eloquent sermon on that evening gave ample proof that he is a thorough and clear minded theologian and peculiarly adapted for the pulpit. His large audience highly appreciated and enjoyed his address.

On Sunday morning at fifteen minutes before ten o'clock the consecratory services proper were opened with a fine and well rendered anthem, specially composed for this occasion by Hon. J. G. Meyer, of Aaronsburg. Dr. Dubbs preached a deep sermon, well spiced with historical points, directly bearing on the subject discussed. He was followed by Rev. Evans in an equally instructive sermon in the German language. The pure and-correct language used by that gentleman gave evidence of the complete education which he obtained by a theological course of several years in the Vaterland. After these fine sermons, which were listened to with greatest attention by a crowded house, the work of raising the neccessary funds to liquidate the celt still resting on the church was proceeded, with. The greater part of the required sum was procured in subcriptions, but as the services had already consumed over three hours, it was thought advisable to postpone the dedication ceremonies

Rev. Dubbs again treated his many hearers to an excellent sermon on Sunday evening, after the church was formally consecrated to the worship of

Ayer's Cherry Pectoral

Has preserved the lives of great numbers of persons, by arresting the development of Laryngitis, Bronchitis, Pneumonia, and Pulmonary Consumption, and by the cure of those dangerous maladies. It should be kept ready for use in every family where there are children, as it is a medicine far superior to all others in the treatment of Croup, the alleviation of Whooping Cough, and the cure of Colds and Influenza, ailments peculiarly incidental to childhood and youth. Promptitude in dealing with all diseases of this class is of the utmost importance. The loss of a single day may, in many cases, entail fatal consequences. The Quaker Sauce has Slowly but surely gained great imported nauce on the shelf of the grocer, the tables of the restaurant and the tables of the rich and poor men, greatly prized and reliable by all on account of its piquancy, aroma, taste, strength and pureness. The inventor has by years of study of the secret virtues contained in the aromatic spices of the Indies and China, such as mace, nutmeg, cinnamon, genuine Jamaica ginger, and peppers and buds of trees unknown to most men, and by long practice succeeded to combine their extracts in such a liquid form as we now find it, of agreeable taste, and so invigorating as to be taken in place of stomach bitters.
