—If you receive a circular from New York stating "that an organ will be sent to you to introduce in your neighborhood, but that you must send on \$4 to pay for the freight," don't you do it. It is another new swindle, the instrument being nothing more than an ordinary ten-cent mouth organ.

—The crossing from the Journal office to the opposite side reflects much credit on John M. Road, as a mechanic, while Messrs. Jon. Harter and A. Walter deserve the thanks of the neighbors for having had as good and substantial a structure put down. Now if Penn street could boast of as many street lamps as crossings we could move along smoothly on dark nights.

—The turnout to the Clymer concert on last Friday evening was small, no doubt on account of the scarcity to money. The performance however was very good and was much enjoyed by the limited audience.

But alas, the behavior of our town boys, who beleaguered the entrance to the hall, was a disgrace to the community. We are reasonably sure that strangers depart from our town with not a very good opinion of our boys.

—We would refer our readers to the advertisement of A. C. Mingle, Bellefonte's popular boot and shoeman, in this week's issue. Mr. Mingle carries a large and fine stock and persons in need of anything in his line will find it to their advantage to give him a call when in Bellefonte. Not only can you secure bargains there, but also have a large stock to select from. His prices are so fixed that customers can buy goods there for less money than anywhere else. Times are hard and everybody tries to make money go as far as possible—therefore take our advice and go to Mingle.

MR. EDITOR:—

The biography of Grandmother Gotwald as prepared and read by Mrs. Deininger at the Memorial service at the Missionary Convention at Aaronsburg has been published in tract form by the Lutheran Publication House in Philadelphia and is offered to the churches and missionary societies at 5 cents a copy.

Mrs. S. A. Fair, of Salona, Pa., will fill all orders promptly. It should be extensively read throughout the whole church. The life of a noble, exemplary christian woman, beautifully portrayed and written by one who knew and loved her. It will do good wherever read. For missionary purposes the money will all be appropriated and may much good be done thereby. It is the wish of the executive committee of the Synodical Society.

—On Thursday evening Mr. L. Wesley Smith, a compositor in the Centre Hall Reporter office, and his bride, formerly Miss Jean L. Kuhn, of Bala-Burg, registered at the Spring Mills House. Rev. W. E. Fisher performed the marriage rites.

—HEADACHE, TORPID LIVER, COSTIVENESS. Simmons Liver Regulator, by its mild cathartic properties, relieves the bowels from obstructions and cleansing. Cures headache, indigestion and liver complaint—even the most confirmed chronic cases.

—Miss Mary Heinle, residing with her aged father, at the tollgate in the Gap north of town, suddenly left her home last week and has not been heard of up to this writing. The lady is said to be demented and had attempted to leave home several times before. The old gentleman is in a very feeble condition and is being waited on by Michael Zeigler.

RUN AWAY.—Yesterday noon, when Mr. M. I. Jamison and Edward Wirt returned from Sugar Valley, the horse took flight in Smith and Zerby's alley, and ran away. Passing the corner of Zerby's stable the buggy struck and was upset, and the occupants spilled out. The horse ran some distance before it could be caught. The buggy was badly wrecked, but fortunately nobody was hurt.

—While at Spring Mills the other day we stopped with Mr. J. H. Bibby, the gentlemanly proprietor of the Spring Mills House. Mr. Bibby is an experienced hotelier, who treats his guests in the best manner. The house is kept in excellent order, having all the modern accommodations, and this table is always filled with the best food the market can afford and prepared in a manner to suit the appetites of all traveling men.

—The Pennsylvania railroad began the sale of duplex tickets on trains Thursday. If a passenger does not buy a ticket at the station for any reason and offers to pay his fare to the conductor, that official sells him a ticket, for which he charges him at the rate of three cents per mile and ten cents additional. To this ticket is attached a coupon, which the passenger keeps and presents at the office of the company when he reaches his destination, and the ten cents are refunded.

—All the preliminary arrangements for the organization of a Lutheran congregation at Coburn have been made. The Evangelical church at that place has been rented for holding services there from time to time. A committee of four has been appointed to take the necessary steps in procuring a charter. The prospects are that the congregation will start with a membership of about 35. The name of the church is likely to be Trinity Ev. Luth. Church of Coburn. A lot, for the purpose of erecting a church edifice thereon, has been purchased, but no building operations will be undertaken at present. All indications point to a strong and well-managed church body. The new congregation is to be part of the Aaronsburg charge, Rev. Deitzler, Pastor. We wish the brethren Godspeed.

OBITUARY.

AN OLD FATHER GONE.—Mr. Michael Frank died at the home of his son-in-law, Wm. H. Smith, in Penn township, with whom he had resided for nearly two years, on last Saturday morning. Mr. Frank was a son of Philip and Catharine Frank and was born July 19th, 1806. In his youth he connected himself with the Lutheran church and on the 26th day of Nov. 1835 was united in holy matrimony by Rev. Abel to Anna Homan, daughter of Peter Homan, of Hones township. He was the father of nine children, two of whom preceded him into eternity. Two of his sons are living in the West and were unable to be present at the funeral. The rest of the children attended the funeral and paid their last tribute of respect at their father's tomb.

Deceased was well known throughout the county, having lived on different farms. He was respected by all who became acquainted with him. For the last fifteen years he was unable to work, being afflicted with rheumatism, and compelled to use crutches. In the last few years his general health began to fail and on the 4th instant he was prostrated with dysentery and confined to his bed, suffering greatly. On last Saturday morning he silently and calmly passed into the eternal world, leaving good evidence to his family that he had peace with God. His age at the time of his death was 79 years, 3 months and 25 days.

"Peace to his ashes."

—If people troubled with colds, would take Ayer's Cherry Pectoral before going to church or places of entertainment, they would avoid coughing, greatly to the comfort of both speakers and hearers. Public speakers and singers find that the Pectoral wonderfully increases the power and flexibility of the voice.

—PETERSON'S MAGAZINE for December as received, surpasses in beauty even what we had expected. It contains two costly steel engravings; a mammoth colored steel fashion-plate; a superb colored pattern, such as would sell at retail for fifty cents; and more than half a hundred wood-cuts of fashions, embroidery, etc. Only the immense circulation of "Peterson" can explain how all this can be afforded. The literary contents are even better than usual. Mrs. Ann S. Stephens finishes her powerful novel, that has awakened so much interest during the year. Professor Bottelle contributes a story so intensely exciting, that it might have been written by the late Hugh Conway himself. Besides these, there are numerous other first-class tales and other articles, some of them charmingly illustrated. This number ends the volume. Great improvements for 1886 are promised, though "Peterson" seems to us already as nearly perfect as a lady's book can be. Every woman ought to take it. It is exceedingly cheap: only two dollars a year. Great deductions are made, moreover, to clubs, with costly premiums for getting up clubs; among others, an extra copy to a person getting up a club of four and sending \$5.50. Now is the time to get up clubs. Specimens are sent gratis, if written for in good faith. Address Charles J. Peterson, 306 Chestnut St., Philadelphia, Pa.

COBURN.

The new store room of Mr. Hosterman is nearing completion.

Our genial and clever merchant, "Bob" Vonada, is up to the "hub" this week seeing that the mill of justice grinds truly.

Mr. Sam'l. Ulrich just finished his king corn, and from a 74 acre field took 835 bushels of corn ears, an average of 122 bushels per acre. Pretty good "Sam," who can beat it?

Mr. Sam'l. Ard, the gentlemanly clerk in Trumpfeller & Vonada's store, has his new and elegant mansion about completed and will move to town soon. He is welcome as a citizen.

Where is that new sidewalk we were to have put down ere this? Don't let it fall through, men, double your subscriptions, first.

Miss Ella Campbell, one of Coburn's charming young misses, has gone to Salona for the present.

The seven mountains were full of Penn township citizens last week, hunting the long antler buck that is said to feed on the ardent pastures. Well, the buck is still on the hillside; and after strolling over the mountain for four days, Messrs' Grenninger, Em'l and Adam Kerstetter, Frank and Jacob Moyer, and Andy Campbell, Sam. Clark and Thos. Eisenhuth, returned home, happy, light-loaded and free.

Mr. Trumpfeller is in the store this week handling bacon, butter, calico, etc.

Mr. Grenninger is in Bellefonte attending court this week.

The protracted meeting is still in progress and is having some success.

The first school month will close Friday next.

Dr. SAWBONES says the surest way to take a cold is to be always hugging the stove. Young man remember this, and when you go to see your girl on Sunday night don't spend your time hugging the stove; but if you do get a cold, Dr. Kessler's Celebrated English Cough Medicine can be relied upon to cure you.

AARONSBURG.

Examine your stove pipes and chimneys.

A cold wave struck us on Saturday and continued for several days.

The Clymer concert audience was very small. There was no change from last fall's programme.

The Lutheran congregation can now claim the most pleasant and comfortable Sunday School room in town, since they furnished the same with a pair of new heaters, about 100 chairs and covered the floor with a new carpet.

Rev. M. L. Deitzler and lady are away attending conference at Millinburg during this week. Mrs. Deitzler will, after several days' stay at Millinburg, continue her journey to Snyder county to visit friends in their former charge. She will be gone several weeks.

At last Sabbath's communion services Mrs. L. E. Stover, Mrs. Chas. H. Stover, Mrs. Wilson Burd, and Messrs. Levi and Allen Stover and Nathaniel Boob united with the Aaronsburg Luth. congregation.

That local in a late issue of one of the Bellefonte papers, putting the cost of the new Reformed church at Aaronsburg at \$10,000, is erroneous by \$3000, the actual cost of the building being \$7000.

ANOTHER.

The U. S. Dispensary and the Science of Chemistry justify the assertion for tonic, diaphoretic and expectorant properties, no combination of remedies can be devised to equal in power and efficacy Dr. Kessler's Celebrated English Cough Medicine. It is the safe and reliable standby in case of croup and whooping-cough. Dissatisfied purchasers can have their money refunded.

JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.

SMITH TOWN.

Most of our farmers are through husking corn.

The writer celebrated his birthday last Thursday by handling six loads of corn. (Rather prosaic, Jumbo, E.L.)

Mr. John Kern intends to sell out and go west.

On Monday, Mr. Brumgard of Millheim, gave us a sample of corn husking.

Milton Kern is handling logs for the steam sawmill on J. H. Reifsnnyder's farm.

Mr. Henry Keen is ahead again. He has already two large fields ploughed for next summers corn.

Next is butchering. Will be commenced this week at different places in this neighborhood.

Last week a gang of thieves broke in Jacob Catherman's cellar in Brush valley, and carried off all the eat things, they could find. All that was left was a little bit of mush for the family's breakfast. Mr. Catherman is a brother of Fred. Catherman, of Mm. il hei JUMBO.

Did it ever occur to you, thoughtful and prudent reader, that Dr. Kessler's Celebrated English Cough Medicine must be an article of real merit, or how could the manufacturer ever be able to advertise "money refunded to all dissatisfied purchasers."

JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.

A single trial of Dr. Henry Baxter's Mandrake Bitters will convince any one troubled with costiveness, torpid liver or any kindred diseases of their curative properties. They only cost 25 cents per bottle.

WOODWARD.

J. C. Motz is at present at Pittsburg, whether he was called on business last Thursday.

Woodward is now supplied in a much needed want, in the vocation of J. M. Weaver, boot and shoemaker, who occupies part of Andrew Moyer's premises on Main street.

A party of hunters from Union county shot two fine deer last week in the Narrows below this place.

John Barner also shot a fine deer two weeks ago near this place.

One of our esteemed citizens unfortunately failed to kill a large buck at a distance of twenty yards, on account of the modern firearms. A neighbor had kindly loaned him the gun, but the mechanism of the triggers proved a Pochantus, which saved the deer's life.

Excuse my letter so given to hunting experiences, but what else can one write at this season of the year.

MADISONBURG.

Harry and Frank Miller and ladies spent Saturday and Sunday in the vicinity of State College, visiting friends.

A. Ocker is building a ware room for the use of Mr. Beck, our new merchant.

The Clymer family treated us to some of their excellent music last Tuesday evening. It was well worth spending a quarter to hear them.

Hillie Hazel, son of Jared Hazel, returned home on Saturday. He had been working for Mr. John Roush, near Bellefonte.

At this writing the Evangelical meeting is still in progress.

Adam Shafer has built a front porch to his house.

Jacob W. Hazel has gone to the Alleghany mountains for a two weeks' hunt. If Jacob catches a deer and chokes it as hard as he did the rooster he took to market, he won't have any use for a gun.

Jacob B. Hazel has taken an agency for cigars and expects to canvass this county for a start.

Mrs. Rebecca Royer is on the sick list.

Next week I will try and give you the population and business of our burg.

STILL.

A SIGN in Cleveland reads "Ice Cream Sallune," which is probably the worst cold spell of the season; but for the worst spell of cold Dr. Kessler's Celebrated English Cough Medicine is the best cure you will be able to find.

KANSAS CITY, MO. W. R. BERNARD.

Do You Want Good Digestion?

I suffered intensely with Full Stomach, Headache, etc. A neighbor, who had taken Simmons' Liver Regulator, told me it was a sure cure for my trouble. Do You Suffer from Constipation?

Testimony of HIRSH WALKER, Chief Justice of Ga.: "I have used Simmons' Liver Regulator for Constipation of my bowels, caused by a temporary derangement of the Liver for the last three or four years, and always with decided benefit."

HALL'S HAIR RENEWER.

The great popularity of this preparation, after its test of many years, should be an assurance, even to the most skeptical, that it is really meritorious. Those who have used Hall's Hair Renewer know that it does all that is claimed.

It causes new growth of hair on bald heads—provides the hair follicles are not dead, which is seldom the case; restores natural color to gray or faded hair; preserves the scalp healthy and clear of dandruff; prevents the hair falling out or changing color; keeps it soft, pliant, lustrous, and causes it to grow long and thick.

HALL'S HAIR RENEWER produces its effects by the healthful influence of its vegetable ingredients, which invigorate and rejuvenate. It is not a dye, and is a delightful article for toilet use. Contains no alcohol. It does not evaporate quickly and dries up the natural oil, leaving the hair harsh and brittle, as do other preparations.

Buckingham's Dye FOR THE WHISKERS

Colors them brown or black, as desired, and is the best dye, because it is harmless; produces a permanent natural color; and, being a single preparation, is more convenient of application than any other.

QUAKER Is the Best TABLE SAUCE.

Thousands of articles are now manufactured that in former years had to be imported, paying high import duty as it is now being done on Quaker Table Sauce; the Quaker Table Sauce takes its place; it has been pronounced by competent judges just as good and even better. The Quaker sauce has slowly but surely gained great importance and is replacing the very best imported sauce on the shelf of the grocer, the tables of the restaurant and the tables of the sick and poor man, greatly prized and relished by all on account of its piquancy, aroma, taste, strength and purity. The inventor has by years of study of the secret virtues contained in the aromatic spices of the Indies and China, such as mace, nutmeg, cinnamon, genuine Jamaica ginger, and peppers and buds of trees unknown to most men, and by long practice succeeded in combining their extracts in such a liquid form as we now find it of agreeable taste, and so invigorating as to be taken in place of stomach bitters. By manufacturing this sauce here, heavy import duties and freight are saved, and it is sold at a lower figure to the dealer, who making a better profit on Quaker sauce can sell it to the consumer cheaper than the very best imported article hardly equaling ours. If your grocer does not keep it, write us for prices, etc. Sold in bottles or by the gallon.
