#### Frozen to Death.

CHICAGO, Jan. 11.-Reports from the West and Northwest indicate that there is as yet no abatement of the cold snap. The mercury stood at 15 degrees to 24 degrees below zero throughout Illinois yesterday and last night. At Burlington, Iowa, John Lang left a barber shop late Saturday night for home, and was found dead Sunday morning, not a quarter of a mile from where he started. A dispatch from Denver says that two men were frozen to death near the Western Kansas ine, and it is feared that the loss of life in the mountains was considerable.
