ROBBERY OF THE MAIL.—The Lewisburg mail pouch for the Lock Hays and Harrisburg Railway postoffice, despatched on Monday night, was cut open and thirteen valuable register letters were extracted therefrom. Chief Clerk Hughes, of Harrisburg, was advised of the theft and telegraphed postoffice Inspector J. M. Speese, at Erie, of the fact. The Inspector reached Lewisburg Wednesday, and, after an investigation, located the thief on Charles A. Catherman, a substitute postal clerk, who upon being arrested, confessed the crime. All of the letters were burned by Catherman and over \$100 in money was found on his person. He was brought before J. H. McDevitt, Esq., United States Commissioner, of this place, on Thursday, and after hearing some of the evidence the commissioner adjourned the case until next week, meanwhile the prisoner was taken to jail.—Sunbury Democrat Feb. 5.

—When your children are threatened with cough or whooping-cough, beware how you lul them to sleep with cough syrups whose principle ingredients are morphia and opium. The natural effort of the lungs to expel the suffocating mucus is coughing. Dr. Kessler's Celebrated English Cough Medicine contains no morphia or opium in any form, and by its stimulating action on the kidneys, bowels, and pores of the skin, more than any other remedy, assists Nature in breaking up and expelling the worst colds from the system. Money refunded to dissatisfied purchasers. Sold everywhere.

THE ELECTION.—The chairmen of the caucuses should see to it that the meetings in their respective wards to be held to-morrow [Friday] evening are well attended and the proper persons chosen for delegates to the convention which will nominate the borough ticket on Saturday. The election will take place next Tuesday and it is then in the voter's hands to elect the best men for the offices of the borough. Do not stay at home on the plea that it is only a local election, but turn out and use your privilege to have a voice in the election of well-fitted and reliable men. To have home government administered for the welfare of the citizens of a borough is as important as state and national administrations are, and every voter should take enough interest in this election to be at the polls and perform a good citizen's duty.

—The report of the Building Committee of the Lutheran church of this place as laid before the congregational meeting last Saturday evening was very well prepared and was unanimously adopted. We are only able to publish an extract, containing information of most interest to the public.

The total amount subscribed to date as a building fund is \$7062.63. Add to this \$34.68, amount realized for refuse lumber, making a total of \$7097.31. Of this amount the sum \$6932.13 on subscription, and \$32.58 on lumber, making a total of \$6964.71, have been paid, leaving a balance of \$130.50 on subscription, and \$2.10 on lumber, to be paid. The treasurer paid out upon orders issued by the Building Committee the sum of \$7121.75 making a balance due treasurer of \$157.04. If the balance due on subscription books and for lumber sold, \$132.60, were all paid, it would still leave the congregation in debt to the amount of \$24.40. How much of the balance of the outstanding subscriptions will eventually be paid the committee does not presume to guess, but it seems evident that there will be some loss, and that a final effort will at some time be necessary to clear the church property. The donations received for the building of the church amounted to \$378.91, and for the furnishing of the church and Sunday School to \$339.03, making a total of \$917.94. Right here, the ladies of the congregation, as well as many others not members of the same, should receive full and thankful recognition for their timely and important help in the good work. By means of an active and well-conducted Mite Society they furnished the fine church almost exclusively with an elegant pulpit suite, carpet, matting, chairs, reflector, lamps, stove and other necessities, and the Sunday School with the nucleus of a good library, at a total cost of \$471.28.

The total cost of the church property, including Lot, Fence, Sidewalks, Fixtures, Furniture and donated Sunday School Supplies is \$8039.69. Cost of Church Edifice only, \$599.82. The committee consisting of Jonathan Harter, John Tomlinson, J. W. Snook, H. E. Duck, S. D. Musser, B. O. Deiningler, thanked the congregation for the confidence and patience manifested, and having completed the work entrusted to them, asked to be discharged, and suggested that the collecting of the subscriptions yet unpaid, and the raising of funds to liquidate the financial balance due the treasurer, be assigned to the Church Council.

—Miss Lydia Musser, a sister of Mr. Philip Musser, at whose house, about two miles east of Aaronsburg, she resided, died suddenly on Tuesday night. We understand that heart disease was the immediate cause of the lady's death.

—The death of Mrs. Henry Kreamer, of Centre Hall, which occurred last Sunday, filled her many friends and relatives with deep sorrow. The lady had for some time been suffering from cancerous tumors, and had undergone a severe operation, after which she improved somewhat. But her disease returned in a stronger form and finally ended the life of the much esteemed christian woman. Deceased was a daughter of Dr. Strecker, dec'd, of Miles township, and her remains were brought to Rebersburg and buried in the Reformed cemetery at that place yesterday forenoon. A large concourse of people attended her funeral. A sorrow-stricken husband and three children survive her.

—The horrible nauseous worm-seed verminages and worm syrups have had their day. It's downright cruelty to compel a child to take them when McDonald's Celebrated Worm Powder are so easy and pleasant to take that children take them and never know a medicine is being administered. Can be procured at any drug store for the small sum of 25 cents.

—When Baby was sick, we gave her Castoria, When she was a Child, she cried for Castoria, When she became Miss, she clung to Castoria, When she had Children, she gave them Castoria.

REBERSBURG AND VICINITY.

The protracted meeting which is being held in the Evangelical church still continues.

The auction at the Rebersburg hotel on Saturday evening was largely attended.

Charles Dunkel, formerly a lumber boss of this section, but now residing in Union county, is at present here on business. Charley is a reaper agent just now.

Zwingli Bower is the new clerk and bartender at the Rebersburg hotel—a position he fills very well. Moyer, the landlord, has gone into the butchering business.

We notice that the smoke stack of Brechbill's new shop is up and smoke issuing therefrom; soon the shrill tone of the steam whistle will notify us that another enterprise in our town has started up.

The negro performance did not come off on Saturday evening, as advertised; quite a disappointment. John Gramley says, he just knew it would come so.

John Harter, clerk in C. C. Luse's store, is now sporting the clay-bank ponies. John says they can trot in miles in 3 1/2 minutes. Good.

Last Friday evening a surprise party halting from the east end of this valley, who were joined by a few of our fair damsels, betook themselves to Tyler's villa and stopped at Mrs. Aaron Grup's Mrs. Grup at once gave the alarm to her nearest neighbors and friends and the result was a general turnout. An oyster supper was enjoyed, prepared by Mrs. Grup and daughters, and then the young folks "tripped the light fantastic toe." The music was furnished by the best musician Tyler'sville could afford. Surely it was a night of merriment, so says Harry.
