Brother Gardner Relates a Sad Story.

'T can't see dat Prof. Trespass Johnson am in de hall to-night,' said Brother Gardner as he looked up and down. 'De fack am, I didn't 'zactly 'spect he would be. Sartin events hev occurred to render his absence a necessity. De seckretary will turn to his name on de roll an' scratch it off, and write across it in red ink de word 'expelled,'

When the Secretary had carried out the request the President contin-

'Up to a y'ar ago Prof. Johnson was an active, respected member of his club. He was not only a worker in our cause, but he was industrious as a man. If he couldn't get work at a dollar an' a half a day he got it fur a dollar. If he couldn't hev roast duck fur Sunday he put up wid a beefbone soup. His family had plenty to eat an' to w'ar an' when rent day cum around he had de cash handy for his landlord.

'Jist about twelve months back some white man told de professor dat he had just as good a right to a pianer, gold watch an' span of horses as a rich man. He was told dat de aristocracy war coinin' money out of his labor. He was made to believe dat the pusson who wouldn't pay two dollars to hev a kitchen ceilin' whitewashed was an oppressor. It was pounded into him dat, if he sot on de fence all summer an' talked agin de blue blood of his kentry, somebody would furnish him roast turkey all

'Many of you saw how he was affected. He begun to hate honest work. His mouf began to grow bigger. While his cloze growed seedy, his importance increased daily. When his wood-pile grew low, he cussed Vanderbilt. When his flourbar'l was empty, he reviled Jay Gould. When his children becum ragged, he ripped at capital. When his wife becum bar'fut, he swore at de aristocracy. When his landlord bounced him for non-payment of rent, he howled an' raved about oppressors an' ty-

'De climax cum las' nite. I heard oat he had bin boastin' dat de rich must divide wid him, an' I concluded to watch my hencoop. About 'leben o'clock de professor showed up. I had twenty-two choice hens. He had none. He was gwine to divide wid me, an' take 'leben. My frens, I can't 'zactly describe what happened arter I got my paws on him, but I know he went away empty-handed, limpin', sore, an' in de han's of an officer. He am no longer a member of dis club. If dar' am any odder member wid socialistic ideas, now would be a good time fur him to make a grab fur his hat an' back down sta'rs.' A deep silence followed. Not a

Surface Indications

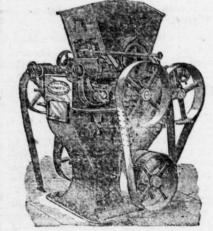

What a miner would very properly term "surface indications" of what is beneath, are the Pimples, Sties, Sore Eyes, Boils, and Cutaneous Eruptions with which people are annoyed in spring and early summer. The effete matter accumu-lated during the winter months, now makes its presence felt, through Nature's while it remains, it is a poison that festers in the blood and may develop into Scrofula. This condition causes derangement of the digestive and assimilatory organs, it is a poison that festers in the blood and may develop into Scrofula. This condition causes derangement of the digestive and assimilatory organs, it is a constraint language and a second constraint. of the digestive and assimilatory organs, with a feeling of enervation, languor, and weariness—often lightly spoken of as "only spring fever." These are evidences that Nature is not able, unaided, to throw off the corrupt atoms which weaken the vital forces. To regain health, Nature must be aided by a thorough blood-purifying medicine; and nothing else is so effective as

Ayer's Sarsaparilla,

which is sufficiently powerful to expel from the system even the taint of Hered-itary Scrofula. The medical profession indorse AYER'S The medical profession indorse AYER'S SARSAPARILLA, and many attestations of the cures effected by it come from all parts of the world. It is, in the language of the Hon. Francis Jewett, ex-State Senator of Massachusetts and ex-Mayor of Lowell, "the only preparation that does real, lasting good."

n former years had to be imported, paying high import duty as it is now being done on Lea & Pertins table sauce; the QUAKER TABLE SAUCE takes its place; it has been pronounced by competent judges just as good, and even better. The QUAKER SAUCE has Slowly but surely gained great importance and is replacing the very best imported cauce on the shelf of the grocer, the tables of the restaurant and the tables of the rich and province greatly regarded and relished by all on of the restaurant and the tables of the rich and poor men, greatly prized and relished by all on account of its piquancy, arema, taste, strength and pureness. The inventor has by years of study of the secret virtues contained in the aromatic spices of the Indies and China, such as mace, nutmeg, cinnamon, genuine Jamaica ginger, and peppers and buds of trees unknown to most tree, and by long practice succeeded to combine men, and by long practice succeeded to combine their extracts in such a liquid form as we now find it, of agreeable taste, and so invigorating as and it, or agreeable taste, and so invigorating as to be taken in place of stomach bitters. By manufacturing this sauce here, heavy import duties and freights are saved, and it is sold at a lower figure to the dealer, who making a better profit on Quaker Sauce can sell it to the consumer cheaper than the very best imported article hardly equaling the court of the contraction of the contract ing ours. If your grocer does not keep it, write us for prices, etc. Sold in bottles or by the gallon.
