THE FARMERS

GENTRE COUNTY

We do not sell Bohemian Oats or reased lightning rods, or humbug hose who deal with us, nor do we repesent that a fortune can be secured in day, week or year by using articles e sell. We do represent :

" He that by the plow would thrive, Himself must either hold or drive."

We propose to keep up with the rogresss of improvement; therefore, e have secured the Roland Chilled Plow, which we guara tee to be the est plow now offered to the farming ommunity, and is sold at a low price. We sell Spike and Spring Teeth larrows.

After preparing the ground you want eed. It is a conceded fact that the est seed is always the cheapest. The nost of buyers consider the price, and ay little regard to the quality. We re the only dealers in Centre county ho make choice farm and garden eeds a specialty.

We sell 64 pounds of Cloverseed nd 45 pounds of Timothy seed for a ushel, and are governed by the folwing rules in buying and selling :

Choice-To be bright in color, dry, sound, plump, well cleaned, and free from foreign seed.

Prime-To be dry, sound, reasonably clean and only slightly mixed with weed or foreign seed. Good-To be merchantable clover

or timothy seed, but too badly mixed with dirt, brown weed or foreign seed or not good enough for prime seed. Rejected-To include all seed damp

or damaged, very dirty, or so badly mixed with weed or foreign seed as to render it unmerchanta-

Poor seed always shows to the best dvantage during cloudy days. Choose our seed when you can examine it y sunshine. We have a well selected tock of both farm and garden seeds, which we invite farmers to examine efore buying.

We have adopted the Auburn Farm Wagon, which is supplied with steel keins or steel axles, which we will varrant to be one of the best wagons nade.

We invite farmers to call in and exmine our stock. Store opp. the Bush House.
