TO THE FARMERS
— OF —
CENTRE COUNTY.
We do not sell Bohemian Oats or greased lightning rods, or humbug those who deal with us, nor do we represent that a fortune can be secured in a day, week or year by using articles we sell. We do represent:
"He that by the plow would thrive, Himself must either hold or drive."
We propose to keep up with the progress of improvement; therefore, we have secured the *Roland Chilled Plow*, which we guarantee to be the best plow now offered to the farming community, and is sold at a low price. We sell Spike and Spring Teeth Harrows.
After preparing the ground you want seed. It is a conceded fact that the best seed is always the cheapest. The most of buyers consider the price, and pay little regard to the quality. We are the only dealers in Centre county who make choice farm and garden seeds a specialty.
We sell 64 pounds of Cloverseed and 45 pounds of Timothy seed for a bushel, and are governed by the following rules in buying and selling:
Choice—To be bright in color, dry, sound, plump, well cleaned, and free from foreign seed.
Prime—To be dry, sound, reasonably clean and only slightly mixed with weed or foreign seed.
Good—To be merchantable clover or timothy seed, but too badly mixed with dirt, broken weed or foreign seed or not good enough for prime seed.
Rejected—To include all seed damp or damaged, very dirty, or so badly mixed with weed or foreign seed as to render it unmerchantable.
Poor seed always shows to the best advantage during cloudy days. Choose your seed when you can examine it by sunshine. We have a well selected stock of both farm and garden seeds, which we invite farmers to examine before buying.
We have adopted the Auburn Farm Wagon, which is supplied with steel skis or steel axles, which we will warrant to be one of the best wagons made.
We invite farmers to call in and examine our stock. Store opp. the Bush House.
