He was sick for a few weeks, still seeming to grow weaker and weaker until death ended his sufferings. He was a man of good character, always trying to please and make life pleasant for others before he looked to his own interest. He was a faithful member of the Lutheran church, always endeavoring to be at his post and his daily walk and conversation verified that he was true to the cause of his last days was, to be with his Master. Our loss will be his gain. Deceased was 77 years old. —A PAYING INVESTMENT.—At this season of the year, our cows fall in milk, your horses rough in coat, your pigs refuse to thrive, the hens won't lay as they should, you will find eggs as they are of McDonald's Calf Tonic and Blood Purifying Hand Cattle Powders judiciously administered. —DRATH OF A MUCH RESPECTED CITIZEN.—Although this sad event was not unexpected to his many relatives and friends, the solemn toll of the Lutheran church bell on Friday morning, announcing the death of Mr. Thos. Frank, sent a thrill of deep regret through the people of this community. As stated in former issues, deceased had been ailing for the past year, but was only confined to his sickbed for a few weeks, during which time he was subjected to extreme bodily suffering and agony, until on Thursday night the death angel brought him relief from his earthly troubles and he peacefully yielded up a life of Christian patience and usefulness. He was always known as a very kind and devoted husband and indulgent parent. As a neighbor and citizen he was a model, being endowed with that inoffensive, forbearing and gentle disposition so rare among men. His enemies were none, his friends many. —Thomas Frank was son of Philip and Catharine Frank, and was one of a family of eleven, having had seven brothers, two step-sisters and one step-brother. Four of his brothers, Michael, Jacob, John and Phil, preceded him to eternity. He was born and raised in Aaronsburg, where he learned the tailoring trade with the late Jacob Wolf. In 1846 he was married to Maria Musser, a daughter of Philip B. Musser, Esq., and moved to Farmers' Mills where he resided until 1847. He then settled at Millheim, 38 years ago, and has been a resident of this town ever since, devoting himself mostly to his trade. About 25 yrs ago he built the home on North street. He was the father of four children, two boys and two girls, of whom only one, Alleman, survives him. At the time of his death he had reached the age of 65 years, 1 month and 9 days. From boyhood up he was a faithful member of the Lutheran church, where, by his exemplary and genuine Christian life, he gained the highest respect of all his fellow-men. —The funeral took place Monday forenoon, attended by a large concourse of relatives, friends and neighbors. Services were held in the Lutheran church by Rev. M. L. Deitzler, who preached a touching and able sermon from Ecclesiastes 3: 12—"Yet surely I know that all will be well with them that fear God. The remains were interred in Fairview Cemetery. —Language cannot adequately describe the grief of the widow, who was this faithful helpmate doing 40 years, and the surviving son, or the loss of a dear husband and father. But the all-wise God, who heals the wounds inflicted by trials and sorrows, will surely help us to overcome this grievous experience, while the sympathy of the community is with them in this time of mourning. —THE FITTINGS.—Fryberg give a list of those who will occupy new quarters after April 1st where they are: —Commencing at the eastern end of Main street, G. Less speedily fatal, but not less certain, is the vitiation of the blood of which the first symptoms are Pimples, Sties, Boils, and Cutaneous Eruptions. When the taint of Scrofula gives warning of its presence by such indications, no time should be lost in using AYER'S SARSAPARILLA, the only perfect and reliable medicine for the purification of the blood. SCROFULA —Is a foul corruption in the blood that rots out all the machinery of life. Nothing will eradicate it from the system and prevent its transmission to offspring but AYER'S SARSAPARILLA. This preparation is also the only one that will cleanse the blood of Mercurial poison and the taint of Contagious Diseases. Impoverished blood is productive of ANEMIA, —A wretched condition indicated by Pallid Skin, Flaccid Muscles, Shattered Nerves, and Melancholy. Its first symptoms are Weakness, Languor, Loss of Nerve Force, and Mental Depression. Its course, unchecked, leads inevitably to insanity or death. Women frequently suffer from it. The only medicine that will purify the blood, enriches it with new vitality, and invigorates the whole system. —Ayer's Sarsaparilla, PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass.
