"My child, what do you want ?" "Nothing, papa."

"Then what did you come in here for ?"

"Just because I wanted to be with you." And the little one sat down quietly on the floor and said not a word. Surely that is a form of prayer that we need to cultivate in this busy day of ours. To come into His presence and wait before Him, wanting nothing but to be with Him-how such

an hour new and again would rest us! We have a friend, not a Christian, who leaves his business place down town, now and again, especially when he is being particularly burdened with care, and rides up to the Catholic Cathedral on Fifth Avenue, where he sits down for an hour, and then goes back to business. He says, "It is so quiet up there, it rests and quiets me." How much more might we find a sweet ; and quiet resting-place for our weary and and tired souls and bodies by just resting in the Lord, sitting without petition at his feet, or as John, leaning our heads upon his bosom.

"LADIES."

Cultivation alone will not make a lady of a yulgar woman, nor a gentlema n of a boor. Innate vulgarity will manifest itself in spite of all forms of politeness and etiquette. To a certain class of persons, indifference is the test of high breeding. If you educate a man or a woman to insensibility, he in their view is a gentleman, and she is a lady.

A woman was one day brought before the judge of a police court. She said in her defence :

"Me and another lady was a-having a few words, and she called me a 'hindewidual,' and I ups with a pail of water and chucked it all over her, and that began the row between me and the other lady."

Me and the other lady, indeed! The following notice was once put up over the door of a show:

"No lady or gentleman admitted into this show in a state of intoxica-

A hand-bill in St. Louis read: "One hundred rats to be killed by one dog in ten minutes. None but gentlemen are expected te be present on this occasion."

The advertisement of a dog-fight in a western town read : "Tickets admitting both gentleman

and lady can be had for one dollar." A very elegantly-dressed woman once rudely pushed a man from a

crowded sidewalk, saying as she did "Ain't you got any more manners

than to stand right in front of a lady?" A shabbilg-dressed woman accidentally ran against a super-looking woman whose dress and manner indicated the perfect lady.

"I beg your pardon, madam," said the poor woman, in the most humble

"You clumsy thing !" angrily retorted the eleganty-elad woman. Which was the lady?

Surface Indications

What a miner would very properly term "surface indications" of what is beneath, are the Pimples, Sties, Sore Eyez, Boils, and Cutaneous Eruptions with which people are annoyed in spring and early summer. The effete matter account. early summer. The effete matter accumalated during the winter months, now makes its presence felt, through Nature's endeavors to expel it from the system. While it remains, it is a poison that festers in the blood and may develop into Scrotula. This condition causes derangement of the digestive and assimilatory organs, with a feeling of enervation, lan weariness-often lightly spoken of as "only spring fever." These are evidences that Nature is not able, unaided, to throw of the corrupt atoms which weaken the vital forces. To regain health, Nature must be aided by a thorough blood-purifying medfeine; and nothing else is so effective as

Ayer's Sarsaparilla

which is sufficiently powerful to expel from the system even the taint of Hered-itary Scrofula. The medical profession indorse AYER's SARSAPARILLA, and many attestations of the cures effected by it come from all parts of the world. It is, in the language of the Hon. Francis Jewett, ex-State Senator of Massachusetts and ex-Mayor of Lowell, "the only preparation that does real, lasting good."
