President Cleveland's Coming Marriage to Miss Folsom.

An Uncle of the Young Lady Confirms the Report.

A Boston dispatch says: Mr. H. F. Harmon, a well-known flour merchant of this city, is a maternal uncle of Miss Frankie Folsom, who is believed to be the bride-elect of President Cleveland. A correspondent asked him if there is any doubt that President Cleveland is going to marry Miss Folsom.

'Frankly speaking,' said he, 'there is none. It was not our intention to announce the engagement until some time before the wedding, but unfortunately it was made public by a breach of confidence on the part of friends in Buffalo. I have just been writing a letter to Miss Frankie,' he added. 'It is now nearly time for her to be preparing to return home.'

'Do you suppose she has heard of the rumors in circulation on this side of the Atlantic?'

'I have no doubt she has learned something. I was engaged in writing her, as you entered, that the cat was out of the bag, and giving her a little of the gossip she may expect to hear on returning home. We frequently receive letters from her about the trip. She writes often and her letters are particularly bright. She has a brilliant, descriptive style and is an enthusiastic observer. The rumor that the expenses of her European trip were paid by Mr. Cleveland has no foundation in truth, and I do not see how it ever originated.'

'It was Miss Folsom's intention to announce the engagement in due time before the wedding, but to her, as well as the entire family, the premature statements concerning it are a great surprise. As I have said, there were but few let into the secret. At last accounts Miss Folsom was enjoying the best of health. She enjoyed the visit to Italy very much, the only drawback being her mother's illness in Genoa, where she was taken down with a fever. Miss Folsom's acquaintance with President Cleveland forms a romantic story.'

'Frankie at a very early age gave promise of great beauty. She was loved by every one who knew her. She was frank in manner, warm-hearted and very lovely. When scarcely knee high she was particularly friendly to 'Uncle Cleve,' as she called him, and in after years held him as one of her dearest friends and advisers. Then came her father's death with its attendant changes. I have no doubt if he had lived he would have been much gratified at the marriage.'

'When did President Cleveland commence his matrimonial attentions?'

'I can scarcely answer that,' was the reply. 'He was very friendly disposed toward Miss Folsom from the time she was a child; but about three years ago his attentions commenced to assume a more serious aspect. Although very reserved in manner, it was evident he now cared far more for the woman than he had in former years for the child. When Miss Folsom and her mother visited the White House last year there was considerable talk about a possible engagement, but not until the announcement of the marriage was recently made was any further report in circulation. I think I may safely say you can travel a good many miles and see a great many people before you will find a young lady of greater beauty and accomplishments than Miss Folsom. I have no doubt it will be very embarrassing for her to know of the thousands and rumors that are circulated about her, especially if she happens to see any of the newspaper cuts that have been printed over her name.'

'A Correct Map.'

'How far is it from the new capital to the Colorado river?' asked Hostetter McGinnis of Gus De Smith. 'According to the city map it is a mile, but I think it is much longer. I've walked it, and it took me longer than it should take to walk a mile.'

'That discrepancy is easily explained. The city map doesn't go out of its way to take drinks at all the saloons between the two places. It isn't that kind of a map.'—Sittings.

He Got His Customer.

The following story is told of an enterprising New York jobber: The merchant in question, having heard of the arrival of a country trader who was known to be a large purchaser and of unquestionable credit, was resolved to get him to visit his establishment, and, once there, he felt sure he could secure him as a customer. He accordingly sent out one of his drummers, of whom he had quite a number, adapted to every taste and disposition. The one sent, however, returned without success. No. 2 was dispatched, with no better result, and again No. 3, and so on until all had gone and come back without his man. The merchant now determined to go himself, and finding that brandy and water and free tickets to the theatre were of no avail, for the country trader did not take one or go to the other, he was reduced to the necessity of employing a ruse, which as the sequel shows, was simple as well as effectual. On taking his departure after a pleasant interview the merchant took care to commit the 'mistake' of taking the trader's hat instead of his own. Next morning, as was expected, the merchant received a prompt visit at his store from the country trader, who came to look up the hat which he supposed had been hurriedly exchanged. This was what the merchant wanted, and through this means sold a good bill of goods and secured a regular customer.

TAKE SIMMONS LIVER REGULATOR

For All Diseases of the Liver, Kidneys, Stomach and Spleen. This purely vegetable preparation, now so celebrated as a Family Medicine, originated in the South in 1828. It acts gently on the Bowels and Kidneys, corrects the action of the Liver, and, therefore, the best preparatory medicine, whatever the sickness may prove to be. In all common diseases it will, unassisted by any other medicine, effect a speedy cure. The Regulator is safe to administer in any condition of the system, and under no circumstances can it do harm. It will invigorate like a glass of wine, but is no intoxicating beverage. It leads to temperance, will promote digestion, dissipate headache, and generally tone up the system. The dose is small, not unpleasant, and its virtue undoubted. No loss of time, no interruption of business while taking the Regulator. Children complaining of Colic, Headache, or Sick Stomach, and those who are unwell, will find relief. If taken occasionally by patients exposed to MALARIA, it will expel the poison and protect them from attack. A PHYSICIAN'S OPINION. I have been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system. DOWN'S ELIXIR. N. H. DOWN'S Vegetable Balsamic ELIXIR. For the cure of Consumption, Coughs, Colds, Catarrh, Croup, Asthma, Pleurisy, Hoarseness, Influenza, Spitting Blood, Bronchitis, and all diseases of the Throat, Chest, and Lungs. It is not incurable, if properly attended to. At its commencement it is but a slight irritation of the membrane which covers the Lungs, then an inflammation, when the cough is rather dry, local fever, and the pulse more frequent, the cheeks flushed and chilliness common. This Elixir in curing the above complaints, operates so as to remove all morbid irritations and inflammations from the lungs to the surface, and finally expel them from the system. It facilitates expectoration. It heals the ulcerated surfaces and relieves the cough and makes the breathing easy. It supports the strength and at the same time reduces the fever. It is free from strong opiate and narcotic agents, which are of a drying nature as to being of great danger of destroying the patient; whereas this medicine never dries or stops the cough, but, by removing the cause, consequently when the cough is cured the patient is well. Send address for pamphlet giving full directions, free. Price 35 cts., 50 cts., and \$1.00 per bottle. SOLD EVERYWHERE. HENRY, JOHNSON & LORR, Props., Burlington, Vt. DOWN'S ELIXIR.
