

### LAST WEEK'S TERRIFIC STORMS IN THE WEST.

#### Widespread Destruction in the Path of the Death-Dealing Cyclones—Havoc of the Wind, Rain and Hail.

Pittsburg, May 12.—Late dispatches from points along the Conemaugh Valley report several persons severely injured by the tornado which passed over that section on Monday evening. Mrs. James Brett, who had just given birth to a child about 3 hours before, was in bed at the time. She was carried over a fence into a field and was picked up more dead than alive. She is not expected to live. Hattie Faust, a friend of Mrs. Brett, was carried some distance and had her face lacerated, besides sustaining painful body bruises. Mrs. Taylor was thrown down and her ankle sprained. Mrs. MacRum and her aged mother were lifted off their feet and slightly injured. Mr. John Foust's house was blown down, the bed clothing was carried 1 1/2 mile and lodged in the tree tops. The telegraph poles along the railroad were blown down, cows killed, and trees blown fully 200 feet in the air, while fences and small buildings were nothing but straws in the way. At McConnellsburg, the Methodist Church was struck by lightning, and the spire shattered and considerable damage done to the auditorium and lecture room. Two men, engaged in burning lime, were prostrated by a bolt of lightning, and two horses were killed.

#### Effects of the Storm at Leavenworth.

Leavenworth, Kan., May 12.—About noon yesterday, a terrific tornado, accompanied with rain, struck Leavenworth from the northwest. Roofs, sidewalks, and everything movable went in its path. The first building in the city was the Morris Public School, a four-story and basement structure on the northern limit of the city, and where 900 children attended. A panic was raised among the children, and, before the teachers could realize the danger, 50 students ran into the storm. The remainder were quiet. No damage was done further than unroofing the building. At Rain & Varney's warehouse, in the center of the city, the roof was blown off into the street below, killing three horses and fatally injuring the driver. The damage to crops in the surrounding vicinity is very heavy, whole fields of corn having been washed from the ground.

#### Many Buildings Wrecked in Evansville.

Evansville, Ind., May 12.—A very severe storm, with violent wind, rain and lightning, visited here last evening, doing damage amounting to about \$60,000. The African Baptist Church, a large brick building, was crushed in, and several persons preparing for a festival narrowly escaped with their lives. Fences, trees and chimneys were blown down by the hundreds. A colored man named Daniels was struck by lightning and will die. Two unknown men in a skiff on the river were lost. Joseph Efinger, a farmer, driving along Water street in the storm, was struck by a falling tree and his skull fractured, which resulted in his death.

#### Torrents in the Streets of Osage City.

Osage City, Mo., May 12.—The most violent storm that ever was witnessed here struck this place about 2 o'clock yesterday afternoon, lasting about an hour and a half, during which time the rain poured in torrents, so that within 10 minutes from the time it began the streets and fields were flooded and covered with water that drift wood floated over their surfaces. Fences were torn down, trees were uprooted from the ground and blown in every direction. No loss of life has been reported, but the crops in the surrounding country will prove a total loss, and a majority of the fields it will be necessary to replant.

#### Sedalia's Streets Flooded.

Sedalia, Mo., May 12.—Shortly after noon yesterday Sedalia experienced the heaviest rain and hail storm it has known in years. It was accompanied by a heavy wind, but it was of short duration. Road-master Peter Rockwell received telegrams informing him that the bridges near Pleasant Hill and Little Blue on the main line of the Missouri Pacific had been seriously damaged by the floods. In this city the principal streets resembled rivers, the small sewers proving wholly inadequate for the vast volume of water which fell. No loss of life has been reported in this city or vicinity.

#### Green Ridge Shaken Up.

Green Ridge, Mo., May 12.—The village of Green Ridge suffered severely by yesterday's storm. Houses were removed from their foundations, out-buildings were destroyed, fences were blown down, and great damage done to fruit and shade trees. The glass in the windows of nearly every building in town exposed to the fury of the storm was shattered by hail. No lives were lost, and none of those who were injured are in a dangerous condition.

#### Damage at Nortonville and Vicinity.

Atchison, Kan., May 12.—At about 1 o'clock yesterday morning a severe cyclone struck the town of Nortonville, seventeen miles southwest of this city, doing an immense amount of damage. Many dwelling houses were unroofed and almost totally destroyed. Reports from the surrounding country state that the damage to property is very great, many farmhouses, barns, &c., having been blown down. No lives were lost, but many were slightly and a few seriously injured.

#### A Missouri Town Destroyed.

Rollo, Mo., May 12.—The report comes from Vichy Springs, 12 miles north of Rollo, that the greater part of that town was destroyed by the storm of last night. A majority of the residences and many of the business blocks were unroofed and almost completely demolished, but no lives were lost, and only 4 persons were injured, and they not seriously.

#### Hailstones Like Pumpkins.

Mineral Point, Mo., May 12.—This section was visited by a most terrific hail storm yesterday afternoon. There was no serious damage done at this place, but it is feared the country immediately south of here suffered severely. Hailstones measuring 11 inches in circumference were picked up during the storm. A colt was killed by being struck by one of these masses of ice.

#### ADVICE TO MOTHERS.

Are you disturbed at night and broken by your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, soothes the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

### TAKE SIMMONS LIVER REGULATOR

For all Diseases of the Liver, Kidneys, Stomach and Spleen.

This purely vegetable preparation, now so celebrated as a Family Medicine, originated in the South in 1828. It acts gently on the Liver, and cures the most distressing cases of Biliousness, Headache, and Sick Stomach, a teaspoonful or more will give relief.

It is taken occasionally by patients exposed to MALARIA, will expel the poison and protect them from attack.

A PHYSICIAN'S OPINION.

I have been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would do so much for the Liver, promptly and effectively move the Liver to action, and at the same time aid in the evacuation of the system. L. M. HORTON, M.D., Washington, Ark.
