LET every citizen spend the glorious Fourth in a fitting manner. It is the 109th anniversary of the declaration of the Union's independence and the greatest national holiday. . Of all other days it is the day on which we should gratefully think of the bless ings sweet liberty affords us and on that day every patriotic heart should be filled with pride and love for this, the greatest nation in the world.

Hon. David Davis, ex-Vice President, died at his home in Bloomingten, Illinois, on Saturday, June 26th. His physicians say that the immediate cause of his death was a malignant carbuncle which made its appearance last April. Judge Davis' death created profound sorrow in Bloomington. He held the position of United States Senator from Illinois to which he was elected in 1877.

By the succession of Vice-President Arthur to the vacancy created by President Garfield's death Mr. Davis became acting Vice-President. Since the expiration of his senatorial term he led a retired life.

YESTERDAY was the Republican redletter day in Harrisburg, and the attendance of the Republican state convention which convened there in the morning was large and loud. We go to press too early to publish any of the proceedings but, as stated before, the head of the state ticket was all fixed this good while by the bosses and it is -Gen. James A. Beaver, fcr Governor. Col. Stewart, of Montgomery, is most likely to be nominated for Secretary of Internal Affairs. Between Montooth, of Pittsburg, and ex-Senator Davies, of Bradford county, for the Lieut. Governorship, the latter seems to have the inside track.

A SAD LESSON on Strikes is given in the following article from the Philadelphia Times :

Thirteen months ago the nailers employed in Pittsburg, Wheeling and adjacent places struck for increased wages. The employers declared themselves unable to pay the increase demanded and closed their mills.

There were 3,500 either engaged in the strike or dependent upon the strikers for employment, and most of them have now been idle for more then a year. The Association has paid out to starving families the sum of \$28,000, and the loss to labor in wages is not less than \$3,000,000.

After thirteen months of self-enforced idleness, waste and starvation, the strikers are about to return to work at substantially the same wages offered and refused when the strike began,

The lesson needs no waste of space to suggest its application. It is the old, old story; the madness, the waste, the starvation, the demoralization of strikes, all of which fall upon labor in the end.

Honest arbitration would have sayed millions to both employers and employed, but labor agitators were heeded and labor paid the fearful penalty.

The tollowing article which was written up for this paper by a gentleman who takes an active part in the prohibition campaign, reached us too proceedings of the convention are of much interest to many of our readers

al exercises, after which J. Zeigler About the Ore Property and New The Millheim Journal. was chosen chairman and Geo. W. Ganoe, of Philipsburg, secretary. After reading of the convention call and a few remarks by the chair a committee was selected to nominate eight delegates with their alternates to attend the state convention, to be held at Harrisburg, August 25th and 26th. Committee reported the following names, all of which were duly elected : Delegates-Geo. W. Ganoe, C. Buck, J. Zeigler, S. S. Lyon, G. W. Krumbine, C. W. Rishel, C. Dinges, R. B. Hartman. Alternates, H. K. Luse, John Wolf, W. F. Floray, Jas H. Lobr, A. J. Shivrey, Henry Musser, A. C. Murray, Dr. F. G. Mattern. The following persons con stituted the committee on resloutions: C. John Wolf were elected Senatorial Conterees and Dr. F. G. Mattern, S. S. Lyon and C. Buck, congressional conferees. Hon. A. A. Barker was mentioned as the first choice of the

convention for Governor. A campaign fund of \$50. was raised in a few minutes and all indications are that the Prohibitionists of the county will make the coming cam-

paign interesting. In the evening a mass meeting was held in the rink, addressed by J Zeigler and Hon. Mr. Barker, the audience being very attentive and apparantly much interested. The convention throughout was a success and much credit is due the ladies of the W. C. T. U. for their interest in the movement.

Fourth of July Excursions via Pennsylvania Railroad.

In pur suance of its usual custom the Pennsylvania R cilroad Company will sell excursion tickets between all principal stations on its owned, operated, and leased lines, on July 2d, 3d. 4th and 5th, good to return until 6th, at greatly reduced rates. By this arrangement the great national holiday may be spent in visiting friends, or in making pleasant excursions to some of the many points of interest located on the company's lines. The intervention of Sunday gives an additional day to those whose time is occupied by business, and this with the liberal limit of the excursion tickets, affords opportunity for the enjoyment of a nice holiday trip.

Saw-Mill Hands Poisoned. MIFFLINTOWN, Pa., June 27 .- Considerable interest and excitement has been created in the western part of Jugiata county by the serious poisoning of a lot of men, who were working at a steam saw-mill in the vicinity of Waterloo. The men after arinking from a brook of fresh mountain water, took suddenly ill and the symptoms strongly indicated poison. The facts of the ease are still shrouded in mystery, but enough has been learned to warrant the statement that the poison was placed in the stream some distance above the mill by a party who are jealous and anxious for the places now occupied by the present workmen. The circumstances are being thoroughly investigated, and it is probable the case will be settled before a court of justice.

The Coal Oil Can Again,

READING, Pa., June 27 .- The family of Tudor Tussell, living near this city, met with a terrible accident yesterday morning. Mrs. Russell and three children were at home at the time. When Mrs. Russell was making the fire her wood did not burn readily. Her husband was up stairs in bed very ill. The wife used coal oil to hurry the fire when the can exploded. Instantly the burning oil spread over herself and the children. The room was at once in a blaze, and the weak unto death husband groped his way down through the blinding smoke. He saw his wife lying on the floor burning up. She was writhing in agony, and their children were also in flames. The husband fainted at the horrible sight. Neighbors rushed in and extingushed the flames. The wife died, and the children cannot live. They are horribly

Grand Demonstration on the Field.

The encampment of the Grand Army

of the Republic and the reunion of the Third Army Corps at Gettysburg will appropriately occar on the anniversary of the great battle which was waged on ing street railroad crossing this morn- the historic ground twenty-three years ago. The Pennsylvania Department of the Grand Army of the Republic encamps on the field from July 21 to 7th, and on the 21 and 31 the reunion of the Third Army Corps will be held. During the entire week ceremonies of the most interesting character will be held every day, which will be participated in by the veterans of the fight. It is expected that from five to seven thousand members of the Grand Army of the Republic will be present, including many officers who were engaged in the fight. Generals Sickles, Fitzhugh Lee, and Lougstreet have accepted invitations to be present and to speak. The meeting will undoubtedly be one of the most imposing demonstrations of modern times, and will be worthy of the presence of every American citizen. To those who desire to get all the points of the battle no better opportunity will ever present itself, for in addition to the number of soldiers who were engaged in the fight there will be a large number of experienced guides who will point out to visitors every spot of interest and give all the information possible as to the events of the memorable days of the battle. For the benefit of the large number of visitors who will be drawn to Gettysburg the Pennsylvania Rulroad Company will sell excursion tick. ets from all principal stations on its lines east of Pittsburg and Erie on June 30th, July 1st. 21, 31, 4th, and 5th, good to return until the 19th inclusive, at one fare for the round trip.
