As part of the proceeds were to go to the band, the boys gave the town and surrounding country a good canvass beforehand and were rewarded by a full house. The street parade in the evening was rendered yery comical by the donkey and the "royal bumper" following the band wagon. If ever the hink they will draw a larger crowd.

Her little girl. who witnessed part of the accident but could be of no assistance, gave the alarm by ringing the farm bell, which brought the men, who were at work on the fields, and who carried the wounded lady to the house. The Bellefonte Daily News in chronicling the sad occurrence goes on to say that Mrs. Neff and her daughter, Miss Sue Neff, resided together in a fine country residence on one of the best farms in Centre county. She was a lady of about 65 years of age, of excellent physical health, but recently she imagined that she was ill and called in medical assistance. The result of the medical examination was that Mrs. Neff was well physically, but that, by reason of recent troubles, chief among which was the death of her husband about two years ago, her mind was becoming deranged and her friends were advised to re-double their re of her.

On Saturday morning her daughter left her upstairs, and on returning to her mother's room not more than twenty minutes afterwards could not find her. She went into the garden to look for her mother and when she approached the cistern she noticed that a plank had been removed. Looking down into the cistern she saw the cold. white face of her mother looking up at her. Death had already set its seal upon her brow.

OBITUARY .- It is with sadness that we record the death of Mrs. Clara Ulrich, eldest daughter of Major J. B. Fisher, of Penn Hall. She peacefully fell asleep on the evening of July 1st. having arrived at the age of 30 years, 10 months and 13 days. On the 28th the troupe returns to this town, we of April, 1885, she stood in bridal array by the side of her affianced husband and, with the prospect of a happy life in wedlock, cast in her lot with his. Kind-hearted and noble-minded, she was fitted to be a helpmeet indeed. The house which was to be their home, and in which they were to share each others joys, was already furnished when sickness set in and terminated in her death. She was never permitted to

Mrs. Ulrich was a member of the Reformed church and a truly christian lady. Baptized in her infancy by Rev. M. A. Smith, and growing up in a Christian family and in the bosom of the church, and finally confirmed by Rey. C. H. Reiter, she never knew a time when she was not a Christian and did not serve her Master. In all her life-time she was a devoted Christian and grew to be very active and useful in her church. Though modest and retired in her life she did not shrink from duty. She was a faithful teacher in the Sunday school. Skillful in the art of music she, for a number of years, ser ved the Sunday-school and congregat ion in the capacity of organist. In her sickness which continued nearly a month, she was peaceful and resigned to the will of her Heavenly Father. The daily study of her Bible, hymnbook and catechism as well as faithfulness in her private prayer, bad prepared her to be so. ### SPRING MILLS.

The funeral of Mrs. Clara Ulrich, the wife of Mr. T. Benton Ulrich, which took place on the 4th, instant, was one of the largest ever witnessed in this section. She was the oldest daughter of J. B. and M. L. Fisher, of Penn Hall, at whose residence she died. She was steemed by all who knew her. Her life was such that none could find fault, always trying to serve Him who doeth all things well. She was a bright and shining star in the community in which she lived and moved, was always ready to assist the needy and make the poor comfortable. She bore her sickness with christian patience, knowing that it was the Lord's will and expressed her desire to die if the Lord thought it best for her. Her death has cast a dark gloom over the whole comunity but we all have that cheering consolation that what is our loss is her gain. The bereaved hasband and relatives have the sympathy of
