

THE master told the boys of the third class to write a short essay on Columbus. The following was sent up by an ambitious essayist. 'Columbus was a man who could make an egg stand on one end without breaking it. The King of Spain said to Columbus: 'Can you discover America?' 'Yes,' said Columbus, 'if you will give me a ship.' So he had a ship, and sailed over the sea in the direction in which he thought America ought to be found. The sailors quarreled and said they believed there was no such place. But after many days the pilot came to him and said, 'Columbus, I see land.' 'Then that is America,' said Columbus. When the ship got near, the land was full of black men. Columbus said, 'Is this America?' 'Yes, it is,' said they. Then he said, 'I suppose you are the Niggers?' 'Yes,' they said, 'we are.' The chief said, 'I suppose you are Columbus.' 'You are right,' said he. Then the chief turned to his men and said, 'There is no help for it; we are discovered at last.'

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Wool Interesting.

'I say, Miss Belle, I think I can be wool interesting to night, even more so than usual,' said a young man who was born that way, and can't help it, to the young lady on whom he was calling.

'Is it possible?' was the response.

'Ya-a-s. You see I made a conundrum the other day and I wote it down wool quick so's not to forget it. Heah it is: Why is it when the weather gets wool wahn, it's always s'mother evening? S'mother evening—ain't that good?'

'But what is the answer?' inquired the listener.

'Oh—the answer—er—by Jove! Do you know I forgot to make any answer to it. I must try and think one up.'

It is a positive cure for any form of female disease and the treatment is many times sufficient to effect a permanent cure. Full directions accompany the package (which is put up in a plain wrapper) also price list for future reference. No trial package will be sent after Aug. 1st, 1888. Address, GEORGE REEBARD COMPANY, BALTIMORE, N. Y.

She was there.

Bob Ingersoll recently was talking with an old colored woman in Washington upon religious matters. 'Do you really believe, Auntie,' said he, 'that people are made out of dust?'

'Yes, sah; de Bible says de is, an' so I b'lieves it.' 'But what is done in wet weather, when there is nothing but mud?' 'Den I s'pects dey make infiduls an' sich truck.'—Puck.

A NEW French clock contains a novel application of the magnet. The clock appears like a tambourine with a circle of flowers painted on its parchment head. Around the circle crawl two bees, the largest requiring twelve hours to complete the circuit, while the smaller makes it in every hour. The flowers represent hour divisions, and the bees, which are of iron, are moved by two magnets carried under the membrane, by the clockwork inside the tambourine.

TAKE SIMMONS LIVER REGULATOR

For all Diseases of the Liver, Kidneys, Stomach and Spleen.

This purely vegetable preparation, now so celebrated as a Family Medicine, originated in the South in 1828. It acts gently on the Bowels and Kidneys and corrects the action of the Liver, and therefore, the best preparatory medicine, whatever the sickness may prove to be. In all common diseases it will, unassisted by any other medicine, effect a speedy cure.

The Regulator is safe to administer in any condition of the system, and under no circumstances can it do harm. It will invigorate like a glass of wine, but is no intoxicating beverage to lead to intemperance; will promote digestion, dissipate headache, and generally tone up the system. The dose is small, not unpleasant, and its virtues undoubted.

No loss of time, no interruption of business while taking the Regulator.

Children complaining of Colic, Headache, or Sick Stomach, a teaspoonful or more will give relief.

If taken occasionally by patients exposed to MALARIA, it will expel the poison and protect them from attack.

A PHYSICIAN'S OPINION. I have been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would, like Simmons' Liver Regulator, promptly and effectively move the Liver to action, and at the same time, without weakening the digestive and assimilative powers of the system. ### DOWN'S ELIXIR.

#### N. H. DOWN'S

### ELIXIR

Vegetable Balsamic

For the cure of Consumption, Coughs, Colds, Catarrh, Croup, Asthma, Pleurisy, Hoarseness, Influenza, Spitting Blood, Bronchitis, and all diseases of the Throat, Chest, and Lungs. In all cases where this Elixir is used its efficacy is at once manifested, convincing the most incredulous that

**CONSUMPTION** is not incurable, if properly attended to. At its commencement it is but a slight irritation of the membrane which covers the Lungs, then an inflammation, when the cough is rather dry, local, and the phlegm more frequent, the cheeks flushed and the pulse more common. This Elixir in curing the above complaints, operates so as to remove all morbid irritations and inflammation from the lungs to the surface, and finally expel them from the system. It facilitates expectoration.

It heals the ulcerated surfaces and relieves the cough and makes the breath easy. It supports the strength and at the same time reduces the fever. It is free from strong opiate and astringent articles, which are so drying a nature as to be in great danger of destroying the patient; whereas this medicine never dries or stops the cough, but, by removing the cause, consequently, when the cough is cured the patient is well. Send address for pamphlet giving full directions, free.

Price 50 cts., 50 cts., and \$1.00 per bottle. SOLD EVERYWHERE.
