The Democratic County Convention in Bellefonte on Tuesday.

Tuesday was a gala day for the county democracy and early in the forenoon Bellefonte was astir with people who had come to the county seat to attend the convention. All forenoon and up to the time of the convention in the afternoon the square around the Court House very much resembled a bee hive, where candidates, delegates, voters, county officers and politicians were busy discussing the probable result of the convention and also doing a little work here and there for their friends.

Chairman Hoy opened the meeting by stating its object and making a few remarks. He said that the unusually large attendance of the Democrats was a pleasing sight and augurs well for the success of the party. The organization of the convention being first in order, Mr. Graham, of Phillipsburg, was elected President, W. H. Kremer, of Penn township, Clerk, and A. A. Frank, of Millheim, and Thos. McCann, of Snow Shoe, Tellers. The Clerk then called the roll of delegates.

L. T. Manson, Dr. Allport, M. Hess, Jno. H. Beck and Reuben Harter were appointed a committee on contested seats and they reported in favor of Mr. Butler, of Millsburg and P. J. McDonald, of Unionville.

D. F. Fortney, Andrew Ocker, W. H. Blair, P. J. McDonald and I. S. Frain, were elected as a committee on resolutions.

The convention then proceeded with the nominations. The name of Hon. A. G. Curtin was presented for Congress and as there was no other candidate the gentleman received the unanimous nomination. J. B. Fisher, Balser Weber and C. G. Herlinger were elected Congressional Conferees. Next in order was the nomination for Senate and at this stage Hon. C. T. Alexander withdrew his name as a candidate, leaving Hon. P. Gray Meck the only candidate. Mr. Meck was nominated by acclamation. The Senatorial Conferees are J. H. Holt, W. F. Reynolds and Jas. Gilliland.

The names of Hon. L. Rhone and J. A. Woodward being the only ones mentioned for Assembly these gentlemen were also nominated by acclamation. When this part of the ticket was disposed of the ripple of excitement which ran through the vast assemblage was a sign that the most interesting and warmest struggle was at hand. Four names were announced to the convention for the nomination to the Prothonotaryship, viz: L. A. Shaeffer, Wm. B. Mingle, J. C. Harper and Aaron Williams. Mr. Harper and Mr. Williams however withdrew their names before a ballot was

had and thus it became a square battle between Shaeffer and Mingle. Only one ballot was necessary to decide the result, Mr. Shaeffer having 61 votes and Mr. Mingle 30.

This contest being ended the majority of the spectators left the hall. One more nomination was to be made, that for District Attorney, and Mr. J. C. Meyer being the only candidate he was elected by acclamation.

G. W. McCahey was chosen as delegate to the state convention in place of L. G. Lingle. W. K. Alexander, McCann, Patterson and Holt are the delegates to the state convention in 1887.

A ballot was had for the election of a Chairman of the County Convention for 1887. Jas. A. McClain was elected, the vote standing 59 for McClain, against 25 for Sechler.

Mr. Sechler was then elected the member of the state committee from this county.

After these nominations and elections the committee on resolutions reported the following:

The Democracy of Centre County, in convention assembled, declare their hearty approval and support of the Principles contained in the platform adopted by the last Democratic National Convention. We favor the maintenance of a fair and just revision of the tariff without depriving American labor of the opportunity to compete with foreign labor and without imposing over rates of duty than will be imposed by other nations.

We heartily favor the thorough reform methods of President Cleveland in the administration of the government. We endorse his official acts and declarations a resolute determination to fulfill the pledges made to the people and upon which he was elected President. To this end we affirm his clear and indisputable right to promptly remove officials who have prostituted the public service to partisan or personal ends.

We endorse the firm and honest execution of the law and the faithful and rigid use of the money in the interest of the economy and good government.

We approve of the administration of Hon. Robert E. Pattison and enthusiastically endorse the efforts of himself and his advisors to maintain and enforce the constitution to secure a just and honest government to guard the interests of the people and to secure the economy and honesty in the administration of the state government.

Every legitimate effort of labor to better his condition, advance his rewards and protect his rights commends the support of the Democratic party. We demand that the wages of labor shall be paid in cash and we denounce the payment of wages in store orders of whose value and whosoever it has been practiced.

Every legitimate effort of labor to better his condition, advance his rewards and protect his rights commends the support of the Democratic party. We demand that the wages of labor shall be paid in cash and we denounce the payment of wages in store orders of whose value and whosoever it has been practiced.

A resolution pledging the hearty support of the democracy to the ticket from beginning to end was adopted and the convention adjourned.

The convention did its work smoothly and in less than three hours, and a harmonious and enthusiastic spirit prevailed throughout its proceedings. The ticket nominated is composed of the best men in the party, all of them tried and proven Democrats, with splendid records, and who enjoy the full confidence of the people, and we have every reason to believe that they will receive the most hearty support of the party in November, and that the Democrats of Centre will at the coming election give their ticket one of their old majorities.

Both houses of Congress adjourned last Thursday at 4 o'clock. The session occupied seven months and twenty-eight days, during which time there were introduced in the House 10,014 bills and 214 joint resolutions, and in the Senate 2,891 bills and 83 joint resolutions, making a total in both houses of 13,202 bills. Of this number few were of national importance. Nearly all of them were of a private nature, such as relief and pension bills, bills for the erection of public buildings, for bridging rivers, for granting right of way to railroads, changing judicial districts, &c., &c. Not many of these bills became laws. Of the 987 measures which became laws all but two were private pension and relief bills. The two exceptions were the bill to authorize the Kansas City, Fort Scott and Gulf Railway Company to construct a railway through the Indian territory and that to retire Lieut. Randall. 113 of the measures were vetoed by the President.

HON. WILLIAM A. WALLACE has at last given his consent to be a candidate for the Democratic nomination for Governor. His hesitancy in yielding to the wishes of his many party friends is clear evidence that the gentleman had no very strong desire to enter the contest, but, as he remarked in an interview with a newspaper reporter, if the party see fit to select him as their standard bearer, and do it with unmistakable unanimity, he feels in duty bound to answer their call. It is beyond a dispute that Senator Wallace always was a pronounced Democratic leader and if chosen by the convention as the head of the ticket his name will be vastly instrumental in uniting and strengthening the party.

CHAIRMAN RYNDER postpones the State Convention of the National Greenback party of Pennsylvania by issuing the following order:

MILLSBURG, Pa., Aug. 5.—By the authority vested in me, and at the solicitation of many leading members of our party, the State Convention of the Greenback-Labor party is hereby postponed, and will convene at Harrisburg on Thursday, September 16. [Signed] F. P. RYNDER, Chairman.

SAMUEL J. TILDEN, the sage of Greyston, and for many years the leader of the democratic party in the nation is no more. He expired peacefully last Wednesday morning. Tilden's death is universally lamented. He was far above the common level of professional politicians. He was a man who sacrificed personal ends and interests for the good of his fellowmen. Until a few years ago he was in the true sense of the word the head of the democratic party in the United States. We publish a detailed account of his death on our outside.

W. U. HENSEL, the chairman of the Democratic State Central Committee, last Thursday issued a call for a meeting of said committee, and also of the Executive Committee, in the city of Harrisburg, immediately after the adjournment of the State Convention.

ACCORDING to the Philadelphia Times seventy-three delegates to the Democratic State Convention are instructed for Black, and fifty-one for Wallace. But the majority of delegates go uninstructed and will vote for the best man.

TENNESSEE Democrats had a regular walk over at their elections last Friday. They elected five Supreme Court Judges, a full list of county officers, Judges and Clerks of every court in the state. The reports give a democratic majority of about 25,000 to 40,000.

LEVEL HEADED men and democrats drew up the resolutions appearing among the county convention proceedings, and don't you forget it.

Had a Beetle in His Ear.

HORDY'S, Pa., Aug. 6.—James Cole lives with his wife near here. A few nights ago he was awakened by a crawling insect in his right ear, followed by twinges of pain, as though the lining of the ear were being seized and torn away. Almost crazed, he woke up his wife and told her something had crawled into his ear and was eating his way through his head.

Miscellaneous News.

Fitz John Porter Retired.

WASHINGTON, Aug. 7.—The following order was issued at the War Department to-day: "By direction of the President, Fitz John Porter, having been appointed a colonel in the army under the provisions of an act of Congress, approved July 1, 1886, is hereby placed on the retired list of the army, in that grade, as of this date, in pursuance of the authority conferred by the said act, and at his own request."

Killed Instantly.

CARLEISE, Aug. 8.—One of the saddest accidental killing affairs took place yesterday near Shippensburg, between Lowrie Sibbett and his cousin, Andrew Witherspoon, by the careless handling of a revolver, it going off and sending a bullet through the head of Andrew, killing him almost instantly. Both young men were very popular in that neighborhood, and are graduates of the State Normal School at that place.

Chambersburg, Pa., was visited by a destructive fire last Saturday night. The large frame building owned by the Baltimore and Cumberland Valley Railroad and occupied by them as a freight ware house and by Messrs. Stoner & Stiltner, grain dealers, was totally destroyed with all its contents. The loss amounts to over \$200,000, partly covered by insurance. The lives of three men were lost during the fire. They had entered the building to remove some of the goods and were overcome by the smoke and flames.

40,000 People at a Campmeeting.

CHICAGO, Aug. 9.—A special dispatch from Oakland, Ill., says: "Never since the time Lincoln and Douglas met in joint debate at Mattson has there been such a large crowd of people gathered here as that which met on the Murdock campmeeting grounds yesterday. Long before daylight the people began to gather on the grounds. In the afternoon the crowd was estimated at 60,000 people. It would be no exaggeration to put it at 40,000. Bishop Dwight of Boston, presided at the morning service and preached from the main stand to a congregation of 20,000 people. Other speakers made addresses from other stands. Religious enthusiasm ran high, and the conversions numbered hundreds."

A Big Mortgage.

A \$600,000 Mortgage Placed on the Valentine Ore Lands. From the Harrisburg Patriot. BELLEFONTE, Aug. 6.—Yesterday a mortgage for \$600,000, purchase money on the Valentine real estate and ore lands was filed in the Recorder's office in this place. It was issued to the Fidelity Insurance Company. The property consists of 12,000 acres of one land and 60 houses, and has been in successful operation under the management of the Valentine family for over 50 years. A syndicate of Philadelphia capitalists are the purchasers. A lease has been made of a portion of the property to a corporation called the Bellefonte Iron Company, who are erecting a furnace which will have a capacity of 100 tons per day. The Pennsylvania Railroad Company have agreed to extend their lines to the different ore banks in order to facilitate shipments.

Troops for a Mexican War.

SHAMONK, Aug. 5.—Col. Nichols of this place, late Lieutenant Colonel of the 104th Pennsylvania volunteers has recruited a company of one hundred men, and offers its service to the United States in the event of a Mexican war.

The Busy President.

Mr. Cleveland Will Not Take His Vacation Until Week After Next. WASHINGTON, Aug. 4.—The President will not leave Washington for his summer vacation until week after next. He will go direct to the Adirondack Mountains and will be accompanied by Mrs. Cleveland, Mrs. Folsom and some intimate friends. The President declined himself to visitors to-day, and devoted his entire attention to the measures sent him by Congress for his action. The members of the Cabinet were with him at the White House most of the day assisting in the consideration of bills. By 12 o'clock the President had, with very few exceptions, disposed of all the measures then before him. The deficiency, sundry civil and river and harbor appropriation bills were enrolled and sent to the President for approval about noon to-day.

Through the Rapids.

Two More Adventurers Go Through the Whirlpool at Niagara. BUFFALO, Aug. 8.—The turbulent waters of the Niagara whirlpool rapids were again navigated in a cask to-day, the perilous feat being successfully accomplished by two men. The daring voyagers were William Potts and Geo. Hazlett, two cowboys, who were employed in the same shop with Graham, who made the initial trip about three weeks ago. The barrel-boat was 10 feet long, conical in form and built of the best locust staves. It was supplied with a keel, rudder, screw wheel and turret with glass covered peep holes. About 300 pounds of ballast kept it right side up most of the time. The two men lay back to back while passing through the more turbulent waters, clinging to handles made fast to the sides of the cask. Each was likewise kept on his own side of the cask by the means of a canvas strap fast to staples. The start was made from Maid Mist landing, on the Canada side, at 4.20 p. m. A row boat towed the cask to a point just above Cantliever bridge when it was turned adrift in the middle of the stream. The novel craft was submerged about half the time while passing through the rapids, but while circumnavigating the outer circle of the whirlpool its occupants thrust their heads through the opening, and Potts coolly smoked a cigar. A successful landing was made at Queens-town on the Canadian side, five miles farther down the river. The entire voyage occupied 53 minutes. The feat was witnessed by no less than 15,000 spectators.
