IT IS ESTIMATED that there are one  
hundred thousand sufferers from hay  
fever in the United States; a number  
about four times greater than the regular  
standing army. This number could  
be reduced to a mere regiment if all  
would resort to Ely's Cream Balm.

### Renews Her Youth.

Mrs. Phoebe Chesley, Peterson, Clay Co., Io-  
wa, tells the following remarkable story. The  
truly aged woman, who is believed to be  
about 100 years old, has been troubled  
with kidney complaint and lameness for  
many years; could not dress herself without  
help, and was unable to do all of her own house-  
work. I owe my thanks to Electric Bitters for  
having renewed my youth, and removed com-  
pletely all disease and pain.

—A cow belonging to Wm. B. Bir-  
ter, of Spring Mills, was struck by the  
engine of the evening passenger train  
going west on Thursday in Grenoble's  
cut near that place and was instantly  
killed.

—The Ladies' Aid Society of the E-  
vangelical congregation of Millheim  
have placed a costly and very hand-  
some chandelier in the audience room of  
their church. It is of a neat design,  
of polished brass with 18 lamps in two  
rows, 7 feet wide and 8 feet high. It  
was purchased of Hackenburg & Vorze,  
Milton, Pa., and seems to give entire  
satisfaction.

—John Kerstetter, Jr., and his crew  
of carpenters, finished the inside work  
in Musser & Smith's new and elegant  
storerooms on Tuesday evening. The  
large plate glass show windows were  
fitted into the sash last Friday and after  
the woodwork is painted in dark  
green with gold trimmings, it will be  
the finest store front on this side of the  
mountain. As usual Mr. Kerstetter  
displayed great taste and mechanical  
skill in the erection of this large and  
imposing building, which needs only to  
be seen to convince you that as an  
architect and builder he is second to none.  
He says he is now ready to accept any other job of the kind and of  
which insures perfect satisfaction. It  
will pay you to give John a call if you  
have anything to build.

the famous Rescue band, of Shamokin,  
of which he is the conductor, will be in  
attendance at the G. A. R. reunion at  
Lewisburg on the 9th of September and will  
have some time during the day give a  
grand open air concert. This will be  
another attractive feature of Lewis-  
burg's gala day.
