J. J. Atkins, Chief of Police, Knoxville, Tenn., writes: "My family and I are beneficiaries of your most excellent medicine, King's New Discovery for consumption; having found it to be all that you claim for it, I desire to testify to its virtue. Trial Bottle Free at J. Eisenhuth's Drug Store. Large Size \$1.00.

—Jacob Shaffer, of Penn Hall, who is a regular subscriber of the JOURNAL for years, gave us a pleasant business call on last Saturday. Mr. Shaffer is a agreeable company and a gentleman of the old school, which means strict integrity in all business transactions. We hope he will call often.

—The editor of the Millheim Journal should read more intelligently," says last week's Centre County Times. It would take the intelligence of a Socrates to decipher what the editor of the Times means by this sharp little squib of his. Please express yourself a little plainer, Brother Ulrich and don't make a fellow break his head over such mysterious sentences.

—The central part of town presents a pleasing scene of life and activity at present. Several masons are at work on the new stone crossings and a gang of men, under the superintendency of Street Commissioner Sankey, are engaged in macadamizing Main street. That section of the borough receives sufficient attention to put it in first-class shape for the winter.

A FAMILY BLESSING.—Simmons Liver Regulator—the favorite home remedy—is entirely vegetable, and is the best family medicine that is compounded. No error to be feared in administering, no injury from exposure after taking, no loss of time. It is the best preventive medicine, and safe to take, no matter what the sickness may prove to be, and in any ordinary disease will effect a speedy cure.

—Musser & Smith, the hardwaremen, had quite a fitting last week. They moved their goods to their new and attractive quarters and are now about fixed and settled for business. The only objection we find to the new arrangement is that it is the wrong corner to turn to the post office. There is an irresistible tendency to strike for the old corner and it will take a while to get used to the new place.

—A large number of persons from this town, as well as the surrounding country attended the Democratic mass meeting at Bellefonte last evening. The low fare of \$1.00 for the round trip was a great inducement to go and the unusual liberality of the Railroad company deserves special comment. The Millheim band also took passage for Bellefonte and while there were introduced to Gov. Black and the boys had each a shake of the governor's hand.

—It is beyond dispute that Kauffman's store on Main street is the Clothing Depot of this section of country. Their new stock of Ready made Clothing comprises the latest and most practicable and is low-priced throughout. In this line they carry all styles of Overcoats, Heavy Weight Vests and Coats, for Suits boys and men, and in fact anything to meet the wants of the public. Gent's Cloths for winter suits a specialty.

—OCTOBER is a good month for merchants to examine their stock of Dr. Kessler's Celebrated English Cough Medicine and include a winter's supply in their next order. The people have found out by experience that it can be relied on in all cases of croup, whooping cough, colds, and lung troubles of any nature, and will have it. A good article draws trade while worthless preparations drive it away. It should be a source of satisfaction to a dealer as well, to know he is giving good honest value for money received. Money refunded to dissatisfied purchasers.

—Lots of wrangling about those street crossings on Main street.
THIS WEEK'S DEATH RECORD.—Centre Hall lost an esteemed lady by the death of Mrs. D. F. Luse, which occurred on last Sunday evening. Though the lady had been ailing for some time her death was rather unexpected and her bereaved husband is the subject of that community's sympathy.

ANOTHER VICTIM.—Annie, the oldest daughter of J. C. Snook, living on Jacob Sankey's farm in Penn township, died of typhoid fever on Tuesday night. The young lady was only 20 years of age and was the pride of her parents, who feel this stroke of sorrow intensely. Funeral will take place this (Thursday) forenoon when the remains will be taken to Logansville for burial.

DEATH OF A FORMER COUNTY OFFICER.—On Thursday night, Sept. 30th, ex-sheriff L. W. Munson, departed this life at his residence in Phillipsburg. Deceased was a prominent democrat and served the county in the office of sheriff from 1876 to 1878, during which time he gained the favor and esteem of the public by his pleasant and considerate official demeanor. He was greatly liked at his home and his death created sincere regret all through the county.

—Mr. Elias Kremer, of near Logansville, Clinton county, the father of Mrs. W. P. Catherman, of this place, died on Friday morning after a protracted sickness. The funeral took place on Sunday. Mr. Kremer was known by many of our readers as an industrious and well to do farmer, a kind husband and indulgent father. He was held in high esteem by his neighbors and friends, who sincerely sympathize with the surviving widow and children in their affliction. He reached a good old age.

—Howard Harter, the son of Sam. Harter, residing near the George's Valley church, died of typhoid fever on Sunday and was buried in the Cross Road cemetery yesterday forenoon. Rev. Fisher of Centre Hall conducting the services. The young and aggrieved wife who survives her husband is a daughter of Jacob Breon, of Pean township. Deceased was in the very prime of manhood with a hopeful future before him. He leaves one child and his sorrowing mother to think of the serious passage "in the midst of life we are in death." His age was 28 years, 6 months and 5 days.

—DRUGGISTS all report a rapid and steadily increasing demand for McDonald's Celebrated Worm Powder. There is no secret or trick about their popularity. It is solely because people have become convinced through trial or hearing their neighbors say that they are the best and easiest to take vermifuge ever produced. Nasty, sickening, old-fashioned wormseed syrups won't sell. People demand McDonald's Celebrated Worm Powder, and won't have anything else, hence their sales are greater than all the other vermifuges combined. Money refunded to dissatisfied purchasers.

—Bellefonte is jubilant over the assurance of getting another iron furnace which promises to be fully as large and extensive as that of the Bellefonte Iron Company. Messrs. Collins, gentlemen of capital, already purchased eighty-seven acres of land owned by the Thomas estate, which includes Half Moon Hill and other land adjoining, for \$25,000 and expect to manufacture iron in less than two months. This is indeed a "bonanza" for Bellefonte and Centre county can soon boast of several manufacturing towns, with Bellefonte at the head.

—The Twelfth Annual Convention of the Woman's Christian Temperance Union of Pennsylvania will be held in Franklin Street M. E. Church, Wilkesbarre, October 13th, 14th and 15th, 1886. Meeting of Executive Committee on Tuesday evening, Oct. 12. Prayer meeting of delegates at same hour. Delegates and visitors will send to Mrs. Ellen M. Watson, 508 Smithfield Street, Pittsburg, by October 1st for orders for Railroad Tickets at reduced rates, specifying the roads on which they must travel. Delegates will be entertained, and it is expected that boarding at reasonable rates can be secured by visitors.

MRS. FRANCES L. SWIFT, PRES. Mrs. Jos. D. WEEKS, Rec. Sec'y. Mrs. ELLEN M. WATSON, Cor. Sec'y.

—The Women's H. and F. M. Society's convention, at Bellefonte, which ended last Wednesday evening, was a most pleasant and successful gathering. It was largely attended by the delegates of the several auxiliary societies, and all were royally entertained by the generous and hospitable people of Bellefonte. A lively interest in the mission work of these good women was manifested by visiting ministers who gave valuable advice and encouragement in appropriate addresses. Elaborate decorations and fine music rendered by the organist, Miss Ohnmacht, by the choir, and the sweet soprano singers Miss Brett and Mrs. Faber, greatly helped to the enjoyment of the convention.

—Eminent Physicians connected with the principal hospitals throughout the United States report very gratifying and satisfactory results from the use of McDonald's Great Blood Purifier in all cases of vitiated blood, emaciated condition, enfeebled digestive power, malassimilation of food, &c. But few diseases can withstand its remarkable purifying tonic and reconstructive power. Money refunded to dissatisfied purchasers.

For the Journal.—The Evangelical Lutheran Synod of Central Pennsylvania held its thirty-third annual convention at Centre Hall, beginning Wednesday evening, Sept. 29th, and closing Sunday evening, Oct. 3rd inst.

The synodical territory includes the counties of Centre, Clinton, Union, except Lewisburg, Snyder, except Selinsgrove, Millin, Juniata and Perry. The extreme points occupied are Duaneburg and Phillipsburg, from south-east to north-west, and Lock Haven to Blair, Perry county, from north-east to south-west. The aggregate membership is 7776, worshipping in eighty-four churches and served by thirty-three regular pastors. Three candidates, Jacob M. Stover, of Aaronsburg, S. G. Dornblaser, of Nittany Valley and A. S. Fichthorn, of Lewistown, were regularly licensed at this convention. Although this synod does not at this time carry a single "D. D." upon its clerical roll, it is the peer of any body of clerical or laymen, in piety and devoted work in the cause of Christ.

The laity is directly represented by delegates specially elected to each convention, so that the entire body consists of seventy-two members. The attendance was unusually full.
On Wednesday evening the President, Rev. J. Keller Miller, of Logansville, preached the opening sermon.

Thursday morning the President read the annual report, covering his official work, noting the building of churches, ministerial changes, etc., during the year, after which the regular election was held, resulting as follows:
President, Rev. A. H. Spangler, Port Royal, Juniata Co.; Secretary, Rev. S. F. Greenhoe, Buffalo X Roads, Union Co.; Treasurer, Rev. W. H. Diven, Salona, Clinton Co.

Other elections were held as follows: DELEGATES TO GENERAL SYNOD, which convenes at Omaha, Neb., May next—Clerical, Revs. W. E. Fisher, W. H. Diven, J. K. Miller and J. A. Earnest; Lay—B. O. Deisinger, Wm. Wolf, Dr. J. W. Rhoads and Prof. E. U. Ameller.

Vacancies in the several boards were filled and the synod's contingent now stands as follows: DIRECTORS OF THEOLOGICAL SEMINARY AT GETTYSBURG, Clerical—Revs. S. E. Furst, W. E. Fisher, J. M. Reimensnyder and E. E. Berry; Lay—B. O. Deisinger, Wm. Wolf, Joseph Rothrock and John Hertzler. TRUSTEES OF LOYSVILLE ORPHAN HOME, Clerical—Revs. A. H. F. Fisher and F. Anrad; Lay—D. McConnell and W. T. Ficks.

During the session a series of able and comprehensive sermons were delivered on special subjects previously assigned, as follows: "Missions"—Rev. A. K. Felton; "Education"—Rev. A. H. F. Fisher; "Creditation"—Rev. J. A. Earnest; "Preparatory"—Rev. C. Luther McConnell; "Communion"—Rev. W. E. D. Scott.

Rev. H. W. McKnight, D. D., President of Pennsylvania College, Gettysburg, delivered a stirring address in the interests of the institution of which he is the efficient head.
Rev. J. A. Clutz, of Baltimore, General Secretary of the Gen. Synod's Board of Home Missions, very ably presented the work of that department of church work. Rev. J. C. Zimmerman, Secretary of the Board of Church Extension gave a graphic account of the great and growing wants of the church in the far west, and Rev. P. A. Heilmann, recently a member of this synod, gave a very interesting history of the rise and progress of the Women's Mission at Denver, the garden city at the foot of the Rocky Mountains.

Rev. E. J. Wolf, D. D., Prof. of Church History in the Theological Seminary at Gettysburg, was also called and took an active part in the work of the synod.

Rev. F. W. Conrad, D. D., Editor of the Lutheran Observer, was also a visitor and made a strong appeal for the continuous and increasing support of the Observer. The veteran editor stated in very appropriate words and with much feeling that he had now given twenty-five of the best years of his life to religious journalism.

On Sabbath morning the sacrament of the Lord's Supper was celebrated according to the beautiful and impressive ritual of the General Synod. It was a solemn season indeed. The spacious and truly beautiful church was filled to its utmost capacity. First the members of synod and afterwards the vast congregation, composed of all denominations locally represented, joined in celebrating the dying love of a common Saviour. Grand, touching scenes—the chosen heralds of the Cross with the entire resident christian community, uniting to make their common profession of faith and fraternity at the altar of God's sanctuary!

On Sunday afternoon the four Sunday Schools of the town united in a children's meeting. The space capacity of the large church was again put to the utmost test. The speakers—Revs. J. M. Reimensnyder, Philip Graff and A. N. Warner, each in his own way, proved themselves masters of the happy faculty of interesting and instructing children. The meeting was a full-sized success.

The interesting business sessions—the able, instructive sermons and addresses—the grand music of a skillfully trained choir—t he bracing atmosphere, especially the beautiful sunlight on the holy Sabbath day—and last but not least, the open, generous hospitality of the good people of Centre Hall all combined to make this one of the most delightful conventions in the history of the Synod of Central Pennsylvania.

Mrs. W. W. Kremer and daughter Gerty who have been spending the last four months in their village left for their western home this (Wednesday) morning.
The meeting in Bellefonte, Wednesday night was indeed a success and the enthusiasm was very great. Your correspondent had the pleasure of a half hour's chat with Gov. Black and found him a plain, simple talker who weighs his words well but speaks right to the point, and we believe the democratic party could not have done any better than to select Chaucey F. Black as their standard bearer to lead us on to victory.

We now can boast of a first-class meat market. Fresh beef, pork, veal and sausage every day in the week and Sundays excepted. So says Willis the butcher.

Over 1300 lbs. of fresh meat was sold at the new Goodtown meat market last week. None left for bolognas, and no bones for Boonville. Too bad.

Quite lately one of our preachers was the recipient of a very fine gold watch. Ask the Mis. who was the giver, and for still further particulars inquire of D. H. Rote, our gentlemanly jeweler, who furnished the watch for the parties. Now then git up, Billy. ANOTHER.

MALARIA.

I was attacked with Malarial Fever, became very much reduced, and my friends thought I would die. I was induced to try Simmons' Liver Regulator, and commenced improving at once. Before taking three bottles I was entirely well of Malarial poisons, and have not had an attack of it since.

JOHN T. CHAPPELL, Poplar Mount, Va.
I have had experience with Simmons' Liver Regulator since 1865, and regard it as the greatest medicine of the times for disease peculiar to malarial regions. So good a medicine deserves universal commendation. Rev. M. B. WRIGHT, Cor. Sec'y Southern Baptist Theol. Seminary.

Many cases of Fever and Ague, Dumb Ague, and Congestive Chills, were promptly arrested and entirely banished by the use of your Simmons' Liver Regulator. You don't say half enough in regard to the efficacy of your valuable medicine in cases of ague, intermittent fevers, etc. Every case has been arrested immediately. Believe me when I say I was a sufferer for years with liver disease, and only found relief by using your medicine.
