SOMETHING NEW .- Some of Millheim's more talented young men organized themselves into what is called the 'Thespian Club'? for the porpose of giving variety shows. The troupe consists of six members and they expect to give their first entertainment at Rebersburg next Saturday evening. They are wise in starting away from home, as Millheim is renowned for furnishing small audiences for such affairs and the boys would very likely meet little encouragement and "bust" in the start.

-The first coasting accident we heard of in this town happened to Vernon Rook on Thursday evening. His leg struck the corner of the porch, and he sustained a fracture of the small bone of his right leg. He is now lying at the National hotel under treatment and is doing tolerably well. The night of the accident was very dark, which with the narrowness of the pavement, made the sport exceedingly dangerous and it is a wonder that none of his com
