-By special request the band sere naded Mr. Adolph Miller on Tuesday evening. Mr. Miller had been a member of the boro' council for three years and this was on the eye of his retirement from that body. Strange to say his exit from office was a source of great delight to him and in honor of the occasion he felt as if he could "let the band play." After a few lively tunes he addressed the boys and the citizens standing around in High German and judging from the tenor of his remarks the office of councilman of Millheim borough is anything but an enviable position. He said "that it afforded him great pleasure to know that this ends of. My trouble was with the Kidneys, his sufferings and misery which he endured during the three years of his official life; that he felt as though he was about to pass from purgatory into heaven. He expressed his sincerest sympathy for the newly elected members upon their entry to the trjing ordeals of councilmen and requested the the band to also favor these unhappy gentlemen with a few pieces of music to cheer them on their way to inevitable abuse and blame." His well-set and pointed speech was received with cheers and applause and his treat of cigars was enjoyed all around. The affair created quite a sensation but it throws much light upon the manifold responsibilities resting upon the shoulders of a Millheim councilman.

The Oft Told Story

Of the peculiar medicinal merits of Hood's Sarsaparilla is fully confirmed by the voluntary testimony of thousands who have tried it. Peculiar in the combination, proportion, and preparation of its ingredients, peculiar in the extreme care with which it is put up, Hood's Sarsaparilla accomplishes cures where other preparations entirely fail. Peculiar in the unequalled good name it has made at home, which is a "tower of . strength abroad," peculiar in the phenomenal sales it has attained.

Hood's Sarsaparilla

is the most popular and successful medicine before the public today for purifying the blood, giving strength, creating an appetite, "I suffered from wakefulness and low spirits, and also had eczema on the back of my head and neck, which was very annoying. I took one bottle of Hood's Sarsaparilla, and I have received so much benefit that I am very grateful, and I am always glad to speak a good word for this medicine." Mrs. J. S. SNYDER, Pottsville, Penn.
