Another Art Craze.

The latest art work among ladles is known The latest art work among ladies is known as the "French Craze," for decorating china, glassware, etc. It is something entirely new, and is both profitable and fascinating. It is very popular in New York, Boston and other Eastern cities. To ladies desiring to learn the Art, we will send an elegant china placque (size 18 inches.) handsomely decorated, for a model, together with a box of material, 100 colored designs assorted in flowers, animals, soldiers, landscapes, etc., complete, with full instructions, upon receipt of only \$1.00, The placque alone is worth more than the amount charged. To every lady ordering this outfit who encloses the address of five other ladies in terested in Art matters, to whom we can mail for catarrh and impure blood than anything else I ever used." A. BALL.
