Hauck. BEST NOURISHMENT FOR CONSUMP-TIVES. - Consumptive persons are said to be greatly benefited by the use of Speer's Port Grape Wine, both Fermented and Unfermented. It seems to give nourishment when everything else fails. The rich properties of the wine derived from the iron in the soil on which the grapes grow makes new blood and if it does not cure, we believe it prolongs life in many cases of consumption. In fact, cases have been reported of perfect cures being effected

by the use of Speer's Port Wine. -Druggists as a rule are extremely jealous and careful of the honor of their profession, and are loth to praise a medicine which they do not from personal knowledge know to be a meritorious article. They all agree, however, that for smallness of dose, easiness to take, and effectiveness as a worm destroyer, McDonald's Celebrated Worm Powders are the best and most desirable vermifuge in their stock, and do not hesitate to recommend them. Dissatisfied buyers can have their money refunded. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.

-For a time my life was despaired of. My trouble was with the Kidneys, Liver and Bladder-also Constipation. Finally I used Dr. Kennedy's Favorite Remedy, and in my opinion it saved my life. I make this statement to save those who suffered as I did. - A. J. Gifford, Lowell, Mass. Druggists;
