SUGGESTIVE .- As said before a nice display of fireworks is always an interfestival on Saturday evening and spent esting feature on the Fourth of July. Seems to us Millheim should be able to raise enough patriotism to induce its business men, mechanics and laborers to contribute proportionately to a fund for such a purpose. We are aware of it that most of Millheim's citizens have an eye single to business and have but little time or money left for a thing which in their estimation "don't pay." But a second thought over our proposition to get up a display of fireworks, et ceatera, should disclose to them the SMALL FIRE .- On last Thursday fact that anything that tends to raise an excitement and to draw people will be to their interest and will pay in the end. COBURN.

Coburn was unusually lively Saturday evening last. Two parties from Aaronsburg were here with Ice Cream and sold out. There would be a good opening here for one of our citizens to start an ice cream parlor. A citizen of this township was abused by drunken rough on Saturday afternoon and ame to our squire on Saturday evening for aw. But for some reason our squire did

not give him law and we understand he will earry the matter to Bellefonte. He will likely change his mind after he cools down some as there is nothing in such petty cases unless a man has been shamefully aoused, slandered and villified.

We understand the Coburn school house s to be furnished with new patent seats. This is a step in the right direction and will reflect credit on the directors.

The new bell for the Evangelical church arrived and was put in place Saturday last. It has a good tone and is a great improvement over the old bell.

Fights are of daily occurrence around here and if our Justice of the Peace would accommodate everyone with law that applies for it he would have more work than he could attend to.

Rev. Chas. T. Steck's lecture on Saturday evening was not patronized at as well as was expected, but the lecture was good and those who attended it were highly pleased. Mrs. M. A. Barcroft will spend the sum mer with her brother, Mr. G. H. Runk.

The importance of purifying the blood can not be overestimated, for without pure blood you cannot enjoy good health.

At this season nearly every one needs a good medicine to purify, vitalize, and enrich the blood, and we ask you to try Hood's Peculiar Sarsaparilla. It strengthens and builds up the system, creates an appetite, and tones the digestion, while it eradicates disease. The peculiar combination, proportion, and preparation of the vegetable remedies used give to Hood's Sarsaparilla peculiar curative powers. No To Itself other medicine has such a record of wonderful cures. If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other instead. It is a Peculiar ne, and is worthy your confidence. Hood's Sarsaparilla is sold by all druggists.
