He has been agent for the Cum-berland Valley railroad in this place since 1881. As a man and a citizen too much cannot be said. He leaves a wife and five grown daughters, two of

Getting Around the Inter-State Law

CHICAGO, July 17 .- Before the interstate commerce law went into effect the favorite practice of the railroads who desired to cut rates and discriminate in desired to cut rates and discriminate in favor of large shippers was to grant re-bates. This being prohibited by the new law some of the western roads new law, some of the wester: roads now hit upon a plan by which they will discriminate in favor of certain ship-pers. Instead of granting rebates, these roads, it is said, are now paying ten roads, it is said, are now paying ten per cent, of regular rates to persons se-curing them business. While these roads pretend to pay such commission Construction. roads pretend to pay such commission to freight solicitors only, yet it can easily be seen that the commissions can

be paid to any member of a large firm on the pretence that such party is a freight solicitor.

Work of Tornados and Earthquakes.

BALTIMORE, July 19.-The storm of vesterday afternoon was followed by another of almost equal force this morning. Several houses on Cumberland street, near Gilmore, were struck by it and unroofed, and their contents almost entirely destroyed by rain. Harlem park, the most beautiful resort within the city presents an appearance within the city presents an appearance of desolation. Unroofed houses are to be seen all over the western section of the city and the aggregate damage is County Convention. eipts. It is estimated that the receipts for the city, and the aggregate damage is heavy.

EL PASO, Texas, July 19.-Close up-on the heels of news of the earthquake at Bavispe, come the details of a still greater calamity at Bacariae, a town twenty miles from Bayispe. It had before the catastrophe 1,100 in-habitants. When Bavispe was destroyed the town was badly shaken up and most of the inhabitants fled. Since then the town of Becariac has been visited by a succession of shocks that have reduced the whole town to ruins. Most of the people escaped, as they fled the country terror-stricken at the

first disturbance. The Heat in Philadelphia and Pittsburgh.

PHILADELPHIA, July 17.-With a single exception, July 8, 1876, to day has been the hottest for over thirty to twelve dollars the pensions of 79,787 widows,minors and independent relatives of Union soldiers: August 4th, 1885, the pen-sions of 10,030 infirm and mamied Union soldiers of the civil war from \$24 to \$30 to years, the heat being even greater than that of yesterday. At 2 o'clock this afternoon the theremometer registered 102 degrees in the shade, being just one degree less than that of July 8, 1876. 36, and from \$36 to \$37.50 to \$45 per month. The act of Jan. 27th, 1887, which has alreadand one and a quarter degrees greater than yesterday. Up to a late hour to-night there have thirty cases of suny placed upon the pension rolls 8,455 sur-vivors of the Mexican War and their widows, and during the present fiscal year that number will be increased at least 25,000. Stroke reported, fourteen of which republic datality. At 11 o'clock to night the thermometer stands at 87 degrees. Prtrsburg, July 17.—This was the hottest and at the same time the driest Sunday ever known here. Through the efforts of the law and order society every saloon of the city was closed tight. List, 187, at one o'clock, p. m., the following the efforts of the law and order society every saloon of the city was closed tight. Cream saloops and soda water fountains were also closed, and as a result the intense heat created more than usual the suffering. For several hours to-day the suffering. For several hours to-day the thermometer registered 101 degrees in the shade, the highest point reached for years. Six fatal cases of sun-stroke and fully a score of prostrations were reported. stroke reported, fourteen of which re The Pension Office records democrats beyond the shade of doubt, the assertion of Republican correspondents to the contrary notwithstanding, that 131,180 more certifi cates of pension were issued during the first two years of a Democratic Administration than during the last two years of Republi can control. And during the same time the sum distributed to pensioners by the Demo-crats exceeds by \$16.617,028,99 the amount distributed by the Republicans for the same purpose and time. It is also suscepti-
