An Essay on Slavery:
Designed to exhibit in a new point of view, its effects on morals, industry, and the peace of society. Some facts and calculations are offered to prove the labor of freemen to be much more productive than that of slaves; that countries are rich, powerful and happy, in proportion as the laboring people enjoy the fruits of their own labor; and hence the necessary conclusion, that slavery is impolitic as well as unjust.

PROPOSALS
For printing by Subscription,
A Work, to be entitled,
THE FIRST VOLUME OF
Pennsylvania State Trials.

THE want of sufficient information of the state trials of Great-Britain in the early periods of that government is now lamented: Hi herto there hath been but one trial in the state of Pennsylvania on impeachment:—and here also it is to be regretted, that, being neglected at the time, the public are now left without sufficient information on the subject of that trial, it is however in this work designed to rescue what can be collected thereof from sources of indisputable authority, so that the same shall be preserved from oblivion.
Another impeachment and the second is now depending. An officer is charged by the late House of Representatives, who hath for many years been largely confided in by this state, and hath long been at the head of the financial department of the same, and it imports the citizens to know his conduct, and the circumstances which may be brought forward on his trial.
In this work the Editor will be careful to state the facts, as they may be brought forward, and to lay all the evidence and papers before the public.—With this view—
The following Terms are respectfully submitted to the Public:

I. The Work shall be printed in octavo, with a good type, on fine paper, and delivered to subscribers at the respective places where the subscriptions are taken in, as soon as the work shall be completed.
II. As no conjecture can well be made, as to the length of the present trial, the size of the volume cannot be ascertained at this time—But the price shall not exceed that of some of the latest publications in this city.
III. It will contain all the preliminaries and incidental circumstances, that may occur during the trial of John Nicholson, Esquire, Comptroller-General of this commonwealth, with the arguments of counsel on both sides, together with the articles of impeachment, and the pleas and replications at large, the several resolutions of the two branches of the state Legislature, respecting this impeachment, and the final decision of the SENATE respecting that officer.
To which will be prefixed, as much as can be collected from authentic documents, of the impeachment, trial, and acquittal of the late Francis Hopkinson, Esquire, Judge of the Court of Admiralty for the state of Pennsylvania, during the late war, never before published.
No money will be required before the delivery of the book.
Subscriptions will be received by Francis Bailey, No. 116, High-street; Wrigley and Beriman, No. 149, Chestnut-street, and by the different booksellers in this city; Jacob Bailey, Lancaster; Yundt and Patton, Baltimore, and by the Editor.
EDMUND HOGAN.
N. B. The price will be enhanced to non-subscribers. Feb. 18. taw if

An Act for giving validity in this Island to Probates to be taken, by certain Officers in the United States of America, of Deeds to be there executed, and also to Exemplifications of Wills there proved.

WHEREAS, since the separation from the crown of Great-Britain of the late colonies, now called the United States of America, great inconveniences have arisen to many of his Majesty's subjects occasionally residing in those States, for want of a legal provision respecting the probates and acknowledgments of deeds executed in the said States, and intended to operate in this Island: For remedy whereof, we, your Majesty's dutiful and loyal subjects, the Lieutenant-Governor, Council, and Assembly of this your Majesty's island of Jamaica, humbly beseech your Majesty that it may be enacted; Be it therefore enacted, and it is hereby enacted and ordained by the authority of the same, That, from and immediately after the passing of this act, any conveyance, letter of attorney, or other deed whatsoever, which shall be hereafter executed in any of the United States of America, and shall be proved by a subscribing witness, or acknowledged by the party or parties, before any of his Majesty's Consuls or Vice-Consuls residing in any of those States, or before the Chief Justice of any of the said States, or before the Chief Justice or any of the Judges of the Supreme Court of the said United States, and certified under the seal of any of the said States, or the seal of the said United States, shall be, and the same is hereby declared to be, as good and effectual in the law as if such conveyance, letter of attorney, or other deed, had been respectively proved or acknowledged before a Judge of any court of record in this island; any law, custom, or usage, to the contrary notwithstanding:—Provided always, That in all cases wherein the right or property of any woman under coverture is intended to be conveyed, she shall be examined separate and apart from her husband, by the Judge who attests the probate, and the said examination shall be certified in like manner as is practiced in Great-Britain or in this Island.

The American Printers are requested to publish this act in their several newspapers.

Proposals having been published last autumn, for continuing the Gazette of the United States as an half weekly paper, in conjunction with a daily paper, frequent applications (postage unpaid) are made by persons at a distance for the former—but as the terms proposed on that occasion were not complied with, the plan of an half weekly paper is relinquished.

As the Editor has repeatedly been subjected to postage on the Letters of persons, who have in that way applied to purchase the Fount of Long Primer which he has for sale—those who wish to buy those types, are informed that the price is twenty cents per pound, cash—to be paid at their delivery—the fount weighs about 250 lb.
