An Essay on Slavery:
 Designed to exhibit in a new point of view,
 its effects on morals, industry, and the peace of
 society. Some facts and calculations are offered
 to prove the labor of *saemen* to be much more
 productive than that of *slaves*; that countries are
 rich, powerful and happy, in proportion as the
 laboring people enjoy the fruits of their own
 labor; and hence the necessary conclusion, that
 slavery is impolitic as well as unjust.
