TRANSLATED from the GREEK, with PRE-  
LIMINARY DISSERTATIONS, and notes  
CRITICAL and EXPLANATORY,  
By **GEORGE CAMPBELL, D. D. F. R. S.**

Principal of Marischal College, Aberdeen.  
The character of the Author for acuteness  
and erudition has been established by his essay on  
miracles in answer to David Hume, the greatest  
masterpiece of the kind ever published, and by his  
"Philosophy of Rhetoric," and to the merit of  
the present work, the result of nearly forty years  
study and application, and the substance of his  
course of lectures in his official capacity, the  
reviewers have given ample testimony, but their ac-  
count, however honorable to the work, is too long  
for a place in this advertisement, the work how-  
ever is now presented in an American edition at not  
more than half the price of the London copy.

**FOR SALE,**  
A very Valuable Estate,

**Called THITTENHAM,** situate in the  
township of Upper Derby, and county of Delaware,  
7 1/2 miles from Philadelphia, and half a mile from the  
new Western road; containing 230 acres of excellent land,  
45 of which are good watered meadow, 90 of prime wood-  
land, and the rest arable of the first quality. There are  
on the premises a good two story brick house, with 4 rooms  
on a floor, and cellars under the whole, with a pump-well  
of excellent water in front; a large frame barn, stables,  
and other convenient buildings; a smoke-house and stone  
spring-house; two good apple orchards, and one of peach-  
es. The fields are all in clover, except those immediately  
under tillage, and are so laid out as to have the advantage  
of water in each of them, which renders it peculiarly con-  
venient for grazing.

The situation is pleasant and healthy, and from the high  
cultivation of the land, the good neighbourhood, and the  
vicinity to the city, it is very suitable for a gentleman's  
country seat.

The foregoing is part of the estate of Jacob Haseman,  
deceased, and offered for sale by  
**Mordecai Lewis,**  
Surviving Executor.

**FIFTY DOLLARS REWARD.**

**RAN** away from the subscriber living near Church  
Hill, Queen Anne's County in the State of Maryland

has a crooked finger on one hand, and one leg and foot  
smaller than the other, somewhat round-shouldered. His  
clothing unknown. Any person who will secure or  
bring said fellow home, so that I may get him again shall  
have the above reward with reasonable charges.

**WILLIAM JACOBS,**

**Mr. FRANCIS,**  
(Of the New Theatre)  
TAKES this opportunity of returning thanks to his  
scholars and to the public. Mr. Francis intends,  
on his return from Maryland, to open a public acade-  
my for dancing, upon a plan entirely new. He  
flatters himself that his attention to his pupils hi-  
therto renders any promises of conducting his future  
schemes on the most liberal and strict terms, of pro-  
perty, totally unnecessary.

N. B. To favour those who may take a quantity of  
Tickets, the price of 40,000 dollars will be the last drawn  
ticket, and the 30,000 the LAST but ONE.

And approved notes, securing payment in either money  
or prizes, in ten days after drawing, will be received for  
any number not less than 30 tickets.

This Lottery will afford an elegant specimen of the pri-  
vate buildings to be erected in the City of Washington—  
Two beautiful designs are already selected for the entire  
fronts on two of the public squares; from these drawings  
it is proposed to erect two centre and four corner buildings,  
as soon as possible after this lottery is sold, and to convey  
them, when complete, to the fortunate adventurers, in  
the manner described in the scheme for the Hotel Lottery.  
A net deduction of five per cent. will be made to defray  
the necessary expenses of printing, &c. and the surplus  
will be made a part of the fund intended for the National  
University, to be erected within the city of Washington.

The Drawing will commence as soon as the tickets are  
sold off.—The money prizes will be payable in thirty days  
after it is finished; and any prize for which fortunate  
numbers are not produced within twelve months after the  
drawing is closed, are to be considered as given towards  
the fund for the University; it being determined to settle  
the whole business in a year from the ending of the draw-  
ing, and to take up the bonds given as security.

The real securities given for the payment of the Prizes,  
are held by the President and two Directors of the Bank  
of Columbia, and are valued at more than half the  
amount of the lottery.

The twenty four gentlemen who by appointment of  
the late Commissioners assisted in the management of the  
Hotel Lottery are requested to undertake this arduous task  
a second time on behalf of the public; a sufficient num-  
ber of them having kindly accepted, it is hoped that the  
friends to a National University and the other federal ob-  
jects may continue to favor the design.

By accounts received from the different parts of the  
Continent as well as from Europe, where the tickets  
have been sent for sale, the public are assured that the  
drawing will speedily commence, and that the care and  
caution unavoidably necessary to insure a safe disposal of  
the tickets, has rendered the most suspension indispensable  
**SAMUEL BLODGET.**

James Well & Co. Baltimore; of Peter Gilman, Bolton;  
of John Hopkins, Richmond; and of Richard Wells,  
Cooper's Ferry.
