

**Treasury of the United States.**

NOTICE is hereby given to all persons who are or may be Creditors of the United States, for any sums of the *Funded Debt, or Stock, bearing a present interest of six per centum per annum.*

That pursuant to an Act of Congress passed on the 28th day of April, 1796, intitled an act in addition to an act, intitled "An act making further provision for the support of public credit, and for the redemption of the public debt," the said debt or stock will be reimbursed and paid in manner following to wit: "First, by dividends to be made on the last days of March, June and September for the present year, and from the year one thousand seven hundred and ninety-seven, to the year one thousand eight hundred & eighteen inclusive, at the rate of one and one half per centum upon the original capital. Secondly, by dividends to be made on the last day of December for the present year, and from the year one thousand seven hundred and ninety-seven, to the year one thousand eight hundred and seventeen inclusive, at the rate of three and one half per centum upon the original capital; and by a dividend to be made on the last day of December, in the year one thousand eight hundred and eighteen, of such sum, as will be then adequate, according to the contract, for the final redemption of the said stock."

ad. All distinction between payments on account of interest and principal being thus abolished by the establishment of the permanent rule of reimbursement above described, it has become necessary to vary accordingly the powers of attorney for receiving dividends; the public creditors will therefore observe that the following form is established for all powers of attorney which may be granted after the due promulgation of this notice, viz:

**KNOW ALL MEN BY THESE PRESENTS,** that I, *of* *do make, constitute and appoint* *my true and lawful Attorney, for me, and in my name, to receive the dividends to be made, or shall be payable according to law, on the (here describing the stock) standing in my name in the books of (here describing the books of the Treasury or the Commissioner of Loans, where the stock is credited) from (here insert the commencement and expiration of time for which the power of attorney is to continue) with power also an attorney or attorneys under him, for that purpose to make and substitute, and to do all lawful acts requisite for effecting the premises, hereby ratifying and confirming all that my said Attorney or his substitute, shall lawfully do, by virtue hereof.*

In Witness whereof, I have hereunto set my Hand and Seal the day of *in the year*

*Sealed and Delivered* *in presence of,* *BE IT KNOWN,* that on the day of *before me personally came* *within named and acknowledged the above letter of attorney to be his act and deed.*

In testimony whereof I have hereunto set my Hand and official Seal the day and year last aforesaid.

Given under my Hand at Philadelphia, this twentieth day of July 1796, pursuant to directions from the Secretary of the Treasury

N. B. To favour those who may take a quantity of Tickets, the price of 40,000 dollars will be the LAST drawn ticket, and the 30,000 the LAST BUT ONE.

And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.

This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these drawings it is proposed to erect two centre and four corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the city of Washington.

The Drawing will commence as soon as the tickets are sold off.—The money prizes will be payable in thirty days after it is finished; and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University; it being determined to settle the whole business in a year from the ending of the drawing, and to take up the bonds given as security.

The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the lottery.

The twenty four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.

By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the honor, indisputable.

**SAMUEL BLODGET.**
