And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.

This Lottery will afford an elegant specimen of the privite buildings to be crected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these prawings it is proposed to erect two centre and sour corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery then necessary the necessary state of the fund intended for the National University, to be erected within the city of Washington.

The Drawing will commence as soon as the tickets are sold off.—The money prizes will be payable in thirty days after it is finished; and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the suns for the University; it being determined to fettle the whole business in a year from the ending of the drawing, and to take up the bonds given as security.

The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than balf the amount of the lettery:

The twenty four gentlemen who by appointment of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other sederal objects may continue to favor the design.

By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been fent for sale, the public are assured that the drawing will speedily commence, and t
