N. B. To favour those who may take a quantity of
Tickets, the prize of 40,000 dollars will be the LAST drawn
ticket, and the 30,000 the LAST but ONE.
And approved notes, securing payment in either money
or prizes, in ten days after drawing, will be received for
any number not less than 30 tickets.
This Lottery will afford an elegant specimen of the pri-
vate buildings to be erected in the City of Washington—
Two beautiful designs are already selected for the entire
fronts on two of the public squares; from these drawings
it is proposed to erect two centre and four corner buildings,
as soon as possible after this lottery is sold, and to convey
them, when complete, to the fortunate adventurers, in
the manner described in the scheme for the Hotel Lottery.
A net deduction of five per cent. will be made to defray
the necessary expenses of printing, &c. and the surplus
will be made a part of the fund intended for the National
University, to be erected within the city of Washington.
The Drawing will commence as soon as the tickets are
sold off.—The money prizes will be payable in thirty days
after it is finished; and any prizes for which fortunate
numbers are not produced within twelve months after the
drawing is closed, are to be considered as given towards
the fund for the University; it being determined to settle
the whole business in a year from the ending of the draw-
ing, and to take up the bonds given as security.
The real securities given for the payment of the Prizes,
are held by the President and two Directors of the Bank
of Columbia, and are valued at more than half the
amount of the lottery.
The twenty four gentlemen who by appointment of
the late Commissioners assisted in the management of the
Hotel Lottery are requested to undertake this arduous task
a second time on behalf of the public; a sufficient num-
ber of these having kindly accepted, it is hoped that the
friends to a National University and the other federal ob-
jects may continue to favor the design.
By accounts received from the different parts of the
Continent as well as from Europe, where the tickets
have been sent for sale, the public are assured that the
drawing will speedily commence, and that the care and
caution unavoidably necessary to insure a safe disposal
of the tickets, has rendered the most suspension indispensable.
SAMUEL BLODGET.

Tickets may be had at the Bank of Columbia; or
James West & Co. Baltimore; or of Peter Gilman, Boston
or John Hopkins, Richmond; and of Richard Wells
