STOP THE THIEVES!!!

LAST Wednesday Evening, October 19, between the hours of 7 and 10 o'clock, the bed room of Mr. Ricketts in O'Leary's Hotel was entered, either by means of false keys, or at the window, by some villain or villains, who must have been acquainted with the situation of the house (as the door was found locked after they had committed the theft) who took away from amongst several trunks, ONE which contained a valuable part of Mr. Ricketts's property, but of which he is not yet able to ascertain the contents particularly. After bringing the said trunk away, and emptying it of upwards of a thousand dollars in cash and bank notes, the villains left it behind the circus, during the time that the performances of the evening were going forward.

It is earnestly requested, that all tavern-keepers on the Stage roads, and the ferry houses, as well as all civil officers, may be watchful in securing suspicious persons, who may have a redundancy of cash, which their appearance would by no means bespeak them to be possessed of.

One Hundred Dollars Reward

Will be given for securing the thief or thieves, and a further reward for securing them with the property.

50,000 Tickets, at Eight Dollars, 400,000

N. B. To favour those who may take a quantity of Tickets, the prize of 40,000 dollars will be the LAST drawn ticket, and the 30,000 the LAST but ONE.

And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.

This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these drawings it is proposed to erect two centre and four corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A nett deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the city of Washington.

The Drawing will commence as soon as the tickets are sold off.—The money prizes will be payable in thirty days after it is finished, and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University; it being determined to settle the whole business in a year from the ending of the drawing, and to take up the bonds given as security.

The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the lottery.

The twenty four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.

By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the short suspension indispensable.

SAMUEL BLODGET,
* * * * * Tickets may be had at the Bank of Columbia; of James Well & Co. Baltimore; of Peter Gilman, Boston; of John Hopkins, Richmond; and of Richard Wall's Cooper's Ferry.
