N. B. To favour those who may take a quantity of Tickets, the price of 40,000 dollars will be the LAST drawn ticket, and the 30,000 the LAST but ONE. And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets. This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these drawings it is proposed to erect two centre and four corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A nett deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the city of Washington. The Drawing will commence as soon as the tickets are sold off—The money prizes will be payable in thirty days after it is finished; and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University; it being determined to settle the whole business in a year from the ending of the drawing, and to take up the bonds given as security. The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the lottery. The twenty four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.

RANAWAY, About the 1st of October last, from the plantation of Mr. Thomas F. Brooke, (in Prince George's county) to whom he was hired, a NEGRO MAN, named CESAR; 33 years of age; about 5 feet 8 or 9 inches high; well made; of a yellowish complexion; a little pockmarked; has, when spoken to, rather a down look, and submissive tone of voice: the clothes he had before he absconded were of plain, such as labouring Negroes usually wear, but these he may probably exchange for others: he will doubtless endeavour to pass for a freeman, having, as I have been informed, assumed the name of Butler: I have reason to believe that he went to Baltimore, from whence he is said to have gone to some part of the Susquehanna, probably with a view of getting to Pennsylvania. A reward of Thirty Dollars will be given to the person who may take him and to secure him in some jail that I may get him again, if taken in this state, and Fifty dollars if taken out of the state, and if brought home or secured in the jail of Prince George's county all reasonable charges will be paid by ALEXR. COVINGTON. Maryland, Prince George's County, 2nd November, 1796.
