1st. That pursuant to an Act of Congress passed on the 28th day of April, 1796, intitled an act in addition to an act intitled "An act making further provision for the support of public credit, and for the redemption of the public debt," the said debt or stock will be reimbursed and paid in manner following, to wit: "First, by dividends to be made on the last days of March, June and September for the present year, and from the year one thousand seven hundred and ninety-seven, to the year one thousand eight hundred and eighty-eight inclusive, at the rate of one and one half per centum upon the original capital. **TO BE SOLD,**  
**A LEASE** for seven years, from the 25th March next, in that capital and beautiful PARISH, called  
**PROSPECT-HILL,**  
Situated within one quarter of a mile from the Brandywine Mills, and half a mile from the borough of Wilmington.  
THE dwelling house is built of stone, two stories high, generally finished, and contains four handsome rooms on a floor, besides an entry, with a small garret, and convenient cellars. It is generally thought to command the most agreeable prospect of the Delaware, from the source of that river to the Cape. This prospect is gently embellished by a full view of a vast body of meadow, through which the Christians and Brandywine creeks are seen winding in beautiful meanders. Near the house are a Kitchen, a spacious stone stable and hay loft, a barn, a carriage house, milk-house, &c. and a well of as pure water as any on the continent. The garden contains an acre and quarter of land, abounding with fruit, and particularly with peach trees, of the very best kind, brought from Maryland, and in full bearing. There is, moreover, on the place, a young apple orchard beginning to bear, and several old trees that produce abundantly, besides cherry and other ornamental trees, in great numbers. The farm consists of near sixty acres of land, of good quality, and clear of incumbrances, except taxes, twenty of which are now in excellent clover and timothy, and ten more will be ready for sowing next spring. A residence of nearly 8 years has convinced the subscriber that the situation is remarkably healthy. The great post road from Philadelphia to the Southward runs within seventy yards of the house. In a word, the beauty and convenience of this situation cannot be enumerated in an advertisement, and when examined, will probably command the attention of any person who is desirous of living at one of the most elegant country seats on the continent. The purchaser may enter on the premises next spring, or perhaps, this fall, if application be immediately made to Doctor NICHOLAS W. Y., in Philadelphia, to Doctor WHARTON, on the premises, or, in his absence, to Mr. GEORGE TRUIT, in Wilmington.  
A quantity of excellent Hay, Grain in the ground some Stock, &c. may be had by the purchaser at the time of sale.

**RANAWAY,**  
About the 1st of October last, from the plantation of Mr. Thomas F. Brooke, (in Prince George's county) to whom he was hired, a NEGRO MAN, named CESAR; 33 years of age; about 5 feet 8 or 9 inches high; well made; of a yellowish complexion; a little pockmarked; has, when spoken to, rather a down look, and submissive tone of voice: the clothes he had before he absconded were of plain, such as labouring Negroes usually wear, but these he may probably exchange for others: he will doubtless endeavour to pass for a freeman, having, as I have been informed, assumed the name of Butler: I have reason to believe that he went to Baltimore, from whence he is said to have gone to some part of the Susquehanna, probably with a view of getting to Pennsylvania. A reward of Thirty Dollars will be given to the person who may take him and so secure him in some jail that I may get him again, if taken in this state, and Fifty dollars if taken out of the state, and if brought home or secured in the jail of Prince George's county all reasonable charges will be paid by
