30,000 Tickets, at Eight Dollars, 400,000

No. B. To those who may take a quantity of  
Tickets, the prize of 20,000 dollars will be the last drawn  
ticket, and the 30,000 the last but one.  
And approved notes, securing payment in either money  
or prizes, in ten days after drawing, will be received for  
any number not less than 10 tickets.  
This Lottery will afford an elegant specimen of the pri-  
vate buildings to be erected in the City of Washington—  
Two beautiful designs are already selected for the entire  
fronts on two of the public squares; and from these drawings  
it is proposed to erect two centre and four corner buildings,  
as soon as possible after this lottery is sold, and to convey  
them, when complete, to the fortunate adventurers, in  
the manner described in the scheme for the Hotel Lottery.  
A net deduction of five per cent. will be made to defray  
the necessary expenses of printing, &c., and the surplus  
will be made a part of the fund intended for the National  
University, to be erected within the city of Washington.  
The drawing will commence as soon as the tickets are  
sold off.—The money prizes will be payable thirty days  
after it is finished; and any prizes for which fortunate  
numbers are not produced within twelve months after the  
drawing is closed, are to be considered as given towards  
the fund for the University; it being determined to settle  
the whole business in a year from the ending of the draw-  
ing, and to take up the bonds given as security.  
The real securities given for the payment of the Prizes,  
are held by the President and two Directors of the Bank  
of Columbia, and are valued at more than half the  
amount of the lottery.  
The twenty four gentlemen who by appointment of  
the late Commissioners assisted in the management of the  
Hotel Lottery are requested to undertake this arduous task  
a second time on behalf of the public; a sufficient num-  
ber of these having kindly accepted, it is hoped that the  
friends to a National University and the other federal ob-  
jects may continue to favor the design.  
By accounts received from the different parts of the  
Continent, as well as from Europe, where the tickets  
have been sent for sale, the public are assured that the  
drawing will speedily commence, and that the care and  
caution unavoidably necessary to insure a safe disposal  
of the tickets, has rendered the time suspension indispensable.  
**SAMUEL BLODGET.**  
Tickets may be had at the Bank of Columbia; of  
James West & Co. Baltimore; of Peter Gilman, Boston;  
of John Hopkins, Richmond; and of Richard Wells  
Cooper's Ferry.

**SWANN'S,**  
**Riding School, Horse Academy & Infirmary.**  
Adjoining the Public Square, Market Street.  
**T. SWANN**  
RETURNS his sincere thanks to those gentlemen by whom  
he has been employed, during his residence in this City, and  
thenceforth the success of his efforts, in the numerous,  
difficult and dangerous diseases in Horses, in which he has  
been consulted, together with his moderate charges, will se-  
cure their future favors and recommendation.  
He now begs leave to inform them and the public at large  
that his spacious and commodious premises, erected for  
the purposes above described are open for the reception of pupils  
of either sex, who wish to be instructed in the Art of Riding,  
and the right method of governing their horses, to ride  
them with ease, elegance, and safety—their horses will be  
carefully and expeditiously broke, for every purpose, and  
most obedient to the will of the riders; the natural powers  
which are shut up in them, will be unfolded by art, calling  
forth uniformity of motion, and giving to that noble animal  
all those beautiful actions which Providence has so boun-  
tifully bestowed on them.  
Also, at his hospital, every disorder to which the horse is  
liable will be treated according to the rules of art, confirmed  
by long and repeated experience.  
The utility of the above institution has never been ques-  
tioned, that it has long been wanted in this city, every gentleman's  
stud will manifestly, and T. SWANN as the first establishment  
of the veterinary art, solicits and relies upon the support of the  
public (which he is ever anxious to serve) to enable him to  
bring it to perfection. The idea of a subscription for that  
purpose has been hinted by several gentlemen, who wish to  
promote the institution—the amount of each subscription to  
be returned by services in any of the departments he professes,  
agreeable to the rate of charges stated in his hand bill. Such  
subscriptions are now open, and the signatures of many respect-  
able gentlemen already obtained. He therefore informs his  
friends and such Ladies and gentlemen, to whom he has not  
the honor of being known, that he shall in a few days take  
the liberty of waiting upon them and soliciting their support  
and protection.  
N. B. Horses are properly prepared for those Ladies and  
Gentlemen who wish to be instructed.

**RANAWAY,**  
About the 1st of October last, from the plantation of  
Mr. Thomas F. Brooke, (in Prince George's county) to  
whom he was hired, a NEGRO MAN, named **CESAR**;  
33 years of age; about 5 feet 8 or 9 inches high; well  
made; of a yellowish complexion; a little pockmarked;  
has, when spoken to, rather a down look, and submissive  
tone of voice: the clothes he had before he absconded  
were of plain, such as labouring Negroes usually wear,  
but these he may probably exchange for others: he will  
doubleless endeavour to pass for a freeman, having, as I  
have been informed, assumed the name of Butler: I have  
reason to believe that he went to Baltimore, from whence  
he is said to have gone to some part of the Susquehanna,  
probably with a view of getting to Pennsylvania. A  
reward of Thirty Dollars will be given to the person who  
may take him and so secure him in some jail that I may  
get him again, if taken in this state, and Fifty dollars if  
taken out of the state, and if brought home or secured in  
the jail of Prince George's county all reasonable charges  
will be paid by

River; at Detroit; at Michilimackinac; at Fort-Fran-

If supplies shall be required for any posts or places not  
mentioned in this notice, all such supplies shall be fur-  
nished at prices proportioned to those to be paid at the  
posts before recited, or as may be hereafter agreed on  
between the United States and the Contractor.  
The rations to be supplied are to consist of the fol-  
lowing articles, viz.  
One pound two ounces of bread or flour.  
One pound two ounces of beef, or fourteen ounces of  
pork or bacon.  
Half a gill of rum, brandy or whiskey.  
One quart and half a pint of ale.  
Two quarts of Vinegar.

there shall at all times during the said term, be sufficient

troit, Niagara, and Oswego, for the term of six months in  
advance, and at each of the other posts, for the term of  
at least three months in advance, in good and wholesome  
provisions, if the same shall be required. It is to be un-  
derstood, that the Contractor is to be at the expense and  
risk of storing the supplies to the troops at each post, and  
that all losses sustained by the depredations of an enemy, or  
by means of the troops of the United States, shall be paid  
for at the price of the articles captured or destroyed, on  
the depredations of two or more persons of credible cha-  
racters, and the certificate of a commissioned officer, af-  
firming the circumstances of the loss, and the amount  
of the articles for which compensation shall be claimed.

who hold tickets in the old scheme, that they can ex-  
change their tickets for those in the above, if they ap-  
ply soon, and at a moderate advance considering the  
now real value of an undrawn ticket.

The tickets being nearly all sold, the drawing in
