It contains 1076 acres, 600 of which are cleared, the residue finely timbered; the whole Limestone or River Bottom; abounding in fine streams and Springs; above 80 acres on the bank of the river may be watered at pleasure. It is capable of being divided into Lots of 100 acres, with water in each, which renders it peculiarly convenient for grazing or culture. Its situation for Health or elegant improvement is not to be surpassed in any inland country, and if decreed too large for one Farm, may be divided into two or three smaller ones, uniting in common advantages.—There is now erected on the Estate a good Merchant-Mill, with two pair of stones (on a large limestone spring) that rents for 466 dollars per ann. and on another never failing spring a good Saw Mill, with a flutter wheel; there is plenty of pine timber in the neighboring mountains, and a stream sufficient for another Mill with four pair of stones—these are adjacent to or immediately on the banks of the river, the navigation whereof is about being opened into the Potomac and for more than 100 miles above the mills. The other improvements on the Estate are a new commodious Barn, the loft of which is capable of containing 1000 bushels; the threshing-floor is 42 feet square, well planked; another (double) Log Barn, with feeds all around; a Distillery, with three large Stills, and a Granary above that will contain 500 bushels, well covered with shingles, and a stream of water, conducted by troughs, running thro' it; at a small distance is a large Cow-House and Stable, with stalls for 22 cows, paved with stone in the European manner, with room for above 40 waggon loads of hay; a little further is a strong stone-walled Spring-House, completely fitted for a Dairy.—The whole of these Mills and Buildings are at a proper distance from each other, and from the Dwelling, which consists of three commodious Fram-Buildings, with the necessary conveniences. A well enclosed Garden of the finest soil, with a stream of water running thro' it; two large Apple Orchards; several good Quarries for building and lime stone; a number of Out-Houses for Managers, Blacksmith, Cooper, and lodgings for Men of Colour;—add greatly to the convenience and value of this Estate.  
The Purchaser, on paying one half the price agreed for, may be accommodated with a considerable credit for the remainder, and with the Cattle, Horses, Waggon, Farming Utensils, and Furniture, at a reasonable valuation. For other particulars, application may be made to the subscriber on the Estate, to Thomas Fitzsimons in Philadelphia, or Matthias Slough, Lancaster.
