

RANAWAY,

About the 18th of October last, from the plantation of Mr. Thomas F. Brooke, (in Prince George's county) to whom he was hired, a NEGRO MAN, named CESAR; 33 years of age; about 5 feet 8 or 9 inches high; well made; of a yellowish complexion; a little postmarked; was, when spoken to, rather a down look, and submissive tone of voice; the clothes he had before he absconded were, of plain, such as labouring Negroes usually wear, but these he may probably exchange for others: he will doubtless endeavour to pass for a freeman, having, as I have been informed, assumed the name of Butler: I have reason to believe that he went to Baltimore, from whence he is said to have gone to some part of the Susquehanna, probably with a view of getting to Pennsylvania. A reward of Thirty Dollars will be given to the person who may take him, or to secure him in some jail that I may get him again, if taken in this state, and Fifty dollars if taken out of the state, and if brought home or secured in the jail of Prince George's county all reasonable charges will be paid by

SWANN'S,

Riding School, Horse Academy & Infirmary.
Adjoining the Public Square, Market Street.
T. SWANN

RETURNS his sincere thanks to those gentlemen by whom he has been employed, during his residence in this City, and flatters himself that the success of his efforts, in the numerous, obdurate and dangerous diseases in Horses, in which he has been consulted, together with his moderate charges, will secure their future favors and recommendation.

He now begs leave to inform them and the public at large that his spacious and commodious premises, erected for the purposes above described are open for the reception of pupils of either sex, who will be instructed in the Art of Riding, and the right method of governing their horses, so as to ride them with ease, elegance, and safety—their horses will be carefully and expeditiously broke, for every purpose, and made obedient to the will of the riders: the natural powers which are shut up in them, will be unfolded by art, calling forth uniformity of motion, and giving to that noble animal all those beauties of action which providence has so bountifully bestowed on them.

Also, at his hospital, every disorder to which the horse is liable will be treated according to the rules of art, confirmed by long and repeated experience.

The utility of the above institution has never been questioned, that it has long been wanted in this city, every gentleman's stud will manifest, and T. SWANN as the first establishment of the veterinary art, solicits and relies upon the support of that public (which he is ever anxious to serve) to enable him to bring it to perfection. The idea of a subscription for that purpose has been hinted by several gentlemen, who wish to promote the institution—the amount of each subscription to be returned by services in any of the departments he professes, agreeable to the rate of charges stated in his hand bill. Such subscription is now open, and the signatures of many respectable gentlemen already obtained. He therefore informs his friends and such Ladies and gentlemen to whom he has not the honor of being known, that he shall in a few days take the liberty of waiting upon them and soliciting their support and protection.

N. B. Horses are properly prepared for those Ladies and gentlemen who wish to be instructed.

50,000 Tickets, at Eight Dollars, 400,000

N. B. To favour those who may take a quantity of Tickets, the prize of 40,000 dollars will be the last drawn ticket, and the 30,000 the last but one.

And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.

This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these drawings it is proposed to erect two centre and four corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the city of Washington.

The Drawing will commence as soon as the tickets are sold off.—The money prizes will be payable in thirty days after it is finished; and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University; it being determined to settle the whole business in a year from the ending of the drawing, and to take up the bonds given as security.

The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the lottery.

The twenty four gentlemen who by appointment of the late Commissioners, assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.

By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the short suspension indispensable.

SAMUEL BLODGET.
