Being all the valuable prizes, besides a full proportion of the 10 dollars.

As the Lottery is considerably more than one third drawn, the value of the undrawn tickets is greatly increased, and it is worth the notice of those who hold tickets in the old scheme, that they can exchange their tickets for those in the above, if they apply soon, and at a moderate advance considering the now real value of an undrawn ticket.

The tickets being nearly all sold, the drawing in future will be oftener, and the Lottery soon finished.
