TO BE SOLD, A LEASE for seven years, from the 25th March next, in thet
capital and beautiful FARM, called PROSPECT-HILL,

Situated within one quarter of a mile from the Brandywine Mills, and half a mile from the borough of Wilmington.

THE dwelling house is built of stone, two stories high, genteely sinsshed, and contains sour handsome rooms on a stoor, besides an entry, with capital garrets, and convenient cellars. It is generally thought to command the most at greeable prospect of the Delaware, from the source of that river te the Capes. This prospect is greatly embellished by a full view of a vast body of meadow, through which the Christiana and Brandywine creeks are seen winding in beautiful meanders. Near the house are a Kitchen, a spacious stone stable and hay lost, a barn, a carriage house, misshouse, &c. and a well of as pure water as any on the continent. The garden contains an acre and quarter of land, abounding with fruit, and particularly with peach trees, of the very bost kind, brought from Maryland, and in full bearing. There is, moreover, on the place, a young, apple orchard begining to bear, and several old trees that produce abundantly, besides cherry and other ornamental strees, in great numbers. The sarm consists of near fixty acres of land, of good quality, and clear of incumbrances, except taxes, twenty of which arenaw in excellent clover and timothy, and ten more will be ready for sowing next spring. A resistence of nearly 8 years has convinced the subscriber that the fituation is remarkably healthy. The great post road from Philadelphia to the Southward runs within seventy yards of the house. In a word, the beauties and convenience of this situation cannot be enumerated in an advertisement, and when examined. will probably command the attention of any person who is desirous of living at one of the most elegant country seats on the continent. The pure base may enter on the premiss next spring, or perhaps, this fall, if application be immediately made to Doctor NICHOLAS WAY, in Philadelphia, to Doctor WHARTON, on the premises, or, in his absence, to Mr. GEORGE TRUITT, in Wilmington.

A quantity of excellent Ha

A quantity of excellent Hay, Grain in the ground, fome Stock, &c. may be had by the purchaser at the time of sale.
