 Philadelphia, September 13, 1796. tiff

TO BE SOLD,
 A LEASE for seven years, from the 25th March next, in that
 capital and beautiful FARM, called
PROSPECT-HILL,
 Situated within one quarter of a mile from the Brandywine
 Mills, and half a mile from the borough of Wilmington.
 The dwelling house is built of stone, two stories high,
 generally finished, and contains four handsome rooms on
 a floor, besides an entry, with capital garrets, and convenient
 cellars. It is generally thought to command the most agreeable
 prospect of the Delaware, from the source of that
 river to the Cape. This prospect is greatly embellished by
 a full view of a vast body of meadow, through which the
 Christiana and Brandywine creeks are seen winding in beautiful
 meanders. Near the house are a Kitchen, a spacious
 stone stable and hay loft, a barn, a carriage house, milk-
 house, &c. and a well of as pure water as any on the continent.
 The garden contains an acre and quarter of land, abounding
 with fruit, and particularly with peach trees, of
 the very best kind, brought from Maryland, and in full bearing.
 There is, moreover, on the place, a young apple
 orchard beginning to bear, and several old trees that produce
 abundantly, besides cherry and other ornamental trees, in
 great numbers. The farm consists of near sixty acres of land,
 of good quality, and clear of incumbrances, except taxes,
 twenty of which are now in excellent clover and timothy,
 and ten more will be ready for sowing next spring. A residence
 of nearly 8 years has convinced the subscriber that
 the situation is remarkably healthy. The great post road
 from Philadelphia to the Southward runs within seventy
 yards of the house. In a word, the beauties and convenience
 of this situation cannot be enumerated in an advertisement,
 and when examined, will probably command the attention
 of any person who is desirous of living at one of the
 most elegant country seats on the continent. The purchaser
 may enter on the premises next spring, or perhaps, this fall,
 if application be immediately made to Doctor NICHOLAS
 WAY, in Philadelphia, to Doctor WHITTON, on the
 premises, or, in his absence, to Mr. GEORGE TRUITT, in
 Wilmington.
 A quantity of excellent Hay, Grain in the ground, some
 Stock, &c. may be had by the purchaser at the time of sale.

 Tickets, the prize of 40,000 dollars will be the LAST drawn
 ticket, and the 30,000 the LAST but ONE.
 And approved notes, securing payment in either money
 or prizes, in ten days after drawing, will be received for
 any number not less than 30 tickets.
 This Lottery will afford an elegant specimen of the pri-
 vate buildings to be erected in the City of Washington—
 Two beautiful designs are already selected for the entire
 front on two of the public squares; from these drawings
 it is proposed to erect two centre and four corner buildings,
 as soon as possible after this lottery is sold, and to convey
 them, when complete, to the fortunate adventurers, in
 the manner described in the scheme for the Hotel Lottery.
 A net deduction of five per cent. will be made to defray
 the necessary expenses of printing, &c. and the surplus
 will be made a part of the fund intended for the National
 University, to be erected within the city of Washington.
 The Drawing will commence as soon as the tickets are
 sold off.—The money prizes will be payable in thirty days
 after it is finished; and any prizes for which fortunate
 numbers are not produced within twelve months after the
 drawing is closed, are to be considered as given towards
 the fund for the University; it being determined to settle
 the whole business in a year from the ending of the draw-
 ing, and to take up the bonds given as security.
 The real securities given for the payment of the Prizes,
 are held by the President and two Directors of the Bank
 of Columbia, and are valued at more than half the
 amount of the lottery.
 The twenty four gentlemen who by appointment of
 the late Commissioners assisted in the management of the
 Hotel Lottery are requested to undertake this arduous task
 a second time on behalf of the public; a sufficient num-
 ber of these having kindly accepted, it is hoped that the
 friends to a National University and the other federal ob-
 jects may continue to favor the design.
 By accounts received from the different parts of the
 Continent as well as from Europe, where the tickets
 have been sent for sale, the public are assured that the
 drawing will speedily commence, and that the care and
 caution unavoidably necessary to insure a safe disposal
 of the tickets, has rendered the more suspension indispensable.
 SAMUEL BLODGET.
 Tickets may be had at the Bank of Columbia; of
 James West & Co. Baltimore; of Peter Gilman, Bolton;
 of John Hopkins, Richmond; and of Richard Wells
 Cooper's Ferry. ce
