TURNER } Foreign attachment.
PARKER }

Notice is hereby given,
To JOSEPH PARKER, late of Kalkaska in the (now) county of Randolph, in the Territory aforesaid, Merchant, that in pursuance of the laws of the Territory in that case provided, a foreign attachment hath issued out of the county court of common pleas of the said county, against the lands and tenements, goods, chattels and effects, rights and credits of the said Joseph Parker, at the suit of George Turner, Esquire; and that unless the said Joseph Parker appear by himself, or Attorney, to give special bail to such suit, judgment by default will be entered against him, at the court to be held in and for the said county, next, after the expiration of twelve months from this date; and the estate or estates so attached, will be sold for the satisfaction of all creditors, who shall appear to be justly entitled to a demand thereon, and shall apply for that purpose. Dated at Kalkaska, aforesaid, this twenty-ninth of March, 1796.
JOHN RICE JONES, Attorney for Plaintiff.

CAUTION.

WHEREAS very large and heavy debts are justly due, and owing from messrs. Blair M'Clenachan and Patrick Moore, of the city of Philadelphia, merchants, trading under the firm of Blair M'Clenachan and P. Moore, and from Blair M'Clenachan in his separate capacity; to which, by the laws of the land, all the joint as well as separate property of the said Gentlemen, is, and ought to be, liable. And whereas it is clearly and satisfactorily ascertained, that Mr. Blair M'Clenachan, of the said firm, has conveyed away to Mr. John H. Huston, his son-in-law, to his daughter, Miss M'Clenachan, and to his son, George M'Clenachan, several large and valuable real estates, as well as considerable personal property, in the city and county of Philadelphia, in the county of Lancaster, in the county of New-Castle on Delaware, and elsewhere, with a view, as it is apprehended, to defeat the Creditors in the recovery of their just debts.— This is, therefore, to forewarn all persons whomsoever, against the purchase from the said grantees, or either of them, of any portions of the said real or personal property, as the most vigorous measures will without delay be taken to render the same liable to the just demands of the Creditors.
By order of the Creditors.

TO THE PUBLIC.

THE caution introduced into the public prints, warning all persons against purchasing from the grantees of Blair M'Clenachan, any portion of the large, real and personal estates he conveyed away to his son-in-law and to his children was the result of a deliberation had upon the subject by a general and numerous meeting of the creditors as well of Blair M'Clenachan and P. Moore as of Blair M'Clenachan individually. It was no more than an execution of that trust confided in the subscribers by those creditors: a step which it would have been a breach of duty and honor in them to have omitted. The very statement of the fact therefore must dispel the imputation that it was either "precipitate or vindictive." It originated in a desire to secure the property of the debtor as a fund for the payment of his just debts. It was sanctioned by the advice of counsel as a measure necessary to the safety of the creditors. If the advertisement has been injurious to Mr. M'Clenachan he owes that injury to his own unjustifiable conduct, not to the subscribers who have merely published the truth in terms as mild as the fact would admit, and who mean to investigate in a high court of justice the validity of those purchases of which Mr. M'Clenachan so confidently speaks.
The subscribers therefore are bound by a sense of duty to the creditors in general to repeat their caution against purchasing of those grantees or either of them, and to extend the terms of it to a purchase from any other persons (if such there be) to whom Mr. M'Clenachan may have made similar conveyances.

SWANN'S

Riding School, Horse Academy & Infirmary.
Adjoining the Public Square, Market Street.
T. SWANN
RETURNS his sincere thanks to those gentlemen by whom he has been employed, during his residence in this City, and flatters himself that the success of his efforts, in the numerous, obstinate and dangerous diseases in Horses, in which he has been consulted, together with his moderate charges, will secure their future favours and recommendation.
He now begs leave to inform them and the public at large that his spacious and commodious premises, erected for the purposes above described are open for the reception of pupils of either sex, who wish to be instructed in the Art of Riding, and the right method of governing their horses, so as to ride them with ease, elegance, and safety—their horses will be carefully and expeditiously broke, for every purpose, and made obedient to the will of the riders; the natural powers which are shut up in them, will be unfolded by art, calling forth uniformity of motion, and giving to that noble animal all those beauties of action which providence has so bountifully bestowed on them.
Also, at his hospital, every disorder to which the horse is liable will be treated according to the rules of art, confirmed by long and repeated experience.
The utility of the above institution has never been questioned, that it has long been wanted in this city, every gentleman's stud will manifest, and T. SWANN as the first establishment of the veterinary art, solicits and relies upon the support of the public (which he is ever anxious in leaving) to enable him to bring it to perfection. The idea of a subscription for that purpose has been hinted by several gentlemen, who wish to promote the institution—the amount of each subscription to be returned by services in any of the departments he professes, according to the rate of charges stated in his hand bill. Such subscription is now open, and the signatures of many respectable gentlemen already obtained. He therefore informs his friends and such Ladies and gentlemen to whom he has not the honor of being known, that he shall in a few days take the liberty of waiting upon them and soliciting their support and protection.
N. B. Horses are properly prepared for those Ladies and Gentlemen who wish to be instructed.

TO BE SOLD,

A LEASE for seven years, from the 25th March next, in that capital and beautiful FARM, called
PROSPECT-HILL,
Situated within one quarter of a mile from the Brandywine Mills, and half a mile from the borough of Wilmington. The dwelling house is built of stone, two stories high, generally finished, and contains four handsome rooms on a floor, besides an entry, with capital garrets, and convenient cellars. It is generally thought to command the most agreeable prospect of the Delaware, from the source of that river to the Capes. This prospect is greatly embellished by a full view of a vast body of meadow, through which the Christiana and Brandywine creeks are seen winding in beautiful meanders. Near the house are a Kitchen, a spacious hone stable and hay loft, a barn, a carriage house, milk-house, &c. and a well of as pure water as any on the continent. The garden contains an acre and quarter of land, abounding with fruit, and particularly with peach trees, of the very best kind, brought from Maryland, and in full bearing. There is, moreover, on the place, a young apple orchard beginning to bear, and several old trees that produce abundantly, besides cherry and other ornamental trees, in great numbers. The farm consists of near sixty acres of land, of good quality, and clear of incumbrances, except taxes, twenty of which are now in excellent clover and timothy, and ten more will be ready for sowing next spring. A residence of nearly 8 years has convinced the subscriber that the situation is remarkably healthy. The great post road from Philadelphia to the Southward runs within seventy yards of the house. In a word, the beauty and convenience of this situation cannot be enumerated in an advertisement, and when examined, will probably command the attention of any person who is desirous of living at one of the most elegant country seats on the continent. The purchaser may enter on the premises next spring, or perhaps, this fall, if application be immediately made to Doctor NICHOLAS WAY, in Philadelphia, to Doctor WHARTON, on the premises, or, in his absence, to Mr. GEORGE TRUITT, in Wilmington.
A quantity of excellent Hay, Grain in the ground, some Stock, &c. may be had by the purchaser at the time of sale.

N. B. To favour those who may take a quantity of Tickets, the prize of 40,000 dollars will be the LAST drawn ticket, and the 30,000 the LAST but ONE.
And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.
This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these drawings it is proposed to erect two centre and four corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A nett deduction of five per cent. will be made to defray the necessary expenses of printing, &c., and the surplus will be made a part of the fund intended for the National University, to be erected within the city of Washington.
The Drawing will commence as soon as the tickets are sold off.—The money prizes will be payable in thirty days after it is finished; and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University; it being determined to settle the whole business in a year from the ending of the drawing, and to take up the bonds given as security.
The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the lottery.
The twenty four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.
By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the short suspension indispensable.
SAMUEL BLODGET.
