#### CAUTION.

WHEREAS very large and heavy debts are juftly due and owing from mefirs. Blair M Clenachan and Patrick Meore, of the city of Philadelphi2, merchants, trading under the firm of Blair M Clenachan and P. Moore, and from Blair M Clenashan in his feparate capatity; to which, by the laws of the land, all the joint as well as feparate property of the faid Gentle-men, is, and ought to be, liable. And whereas it is clearly and fatisfactorily afcertained, that mr. Blair M Clenachan, of the faid firm, has conveyed away to mr. John H. Hufton, his fon-in-law, to his daughter, mifs M Clenachan, and to his fon, George M Clenachan, feveral large and valuable real effates, as well as confiderable perfonal property, in the city and county of Philadelphia, in the county of Lancaf-ter, in the county of New-Cafile on Delaware, and elfewhere, with a view, as it is apprehended, to deaway to mr. John H. Hufton, his fon-in-law, to his daughter, mils McClenachan, and to his fon, George McClenachan, feveral large and valuable real effates, as well as confiderable perfonal property, in the city and county of Philadelphia, in the county of Lancaf-ter, in the county of New-Caftle on Delaware, and elfewhere, with a view, as it is apprehended, to de-feat the Creditors in the recovery of their juft debts.— This is, therefore, to forewarn all perfons whomfo-ever, againft the purchafe from the faid grantees, or either of them, of any portion of the faid real or per-fonal property, as the moft vigorous measures will the juft denevat without delay be taken to render the just demands of the Creditors.

#### TO THE PUBLIC.

THE caution introduced into the public prints, warning all perfons against purchasing from the grantees of Blair McClenachan, any portion of the large, real and perfonal eftates he conveyed away to his fon-in law and to his children was the refult of chan individually. It was no more than an execu-tion of that truft confided in the fubferibers by thofe creditors: a ftep which it would have been a breach of duty and honor in them to have omitted. The very ftatement of the fact therefore mult dif-pel the imputation that it was either " precipitate or vindicfive." It originated in a defire to fecure the property of the debtor as a fund for the pay-ment of his juft debts. It was fanctioned by the advice of council as a meafure neceffary to the fafety of the creditors. If the advertifement has been injurious to Mr. M'Clenachan he owes that injury to his own unjuffifiable conduct, not to the fub-feribers who have merely published the extinct terms as mild. a deliberation had upon the fubject by a general and numerous meeting of the creditors as well of Blair feribers who have merely published the truth in terms as mild as the fact would admit, and who mean to invefligate in a high court of justice the validity of those purchases of which Mr. McClenachan fo confidently fpeaks.

he fubfcribers therefore are bound by a fenfe excette the commands of his Friends, and the Public at large; and with gratitude for their favours, he pledges himfelf that nothing on his part fhall be wanting to pre-ferve that patronage with which he has been fo diftinguifh-ing in the provide intervention of the pledges in the pledges himfelf that nothing on his part fhall be wanting to pre-ferve that patronage with which he has been fo diftinguifhale from any other perfons (if fuch there be) om Mr. M'Clenachan may have made fimilar
